

Community Bridges, Inc.
Rio Fresco Shelter and Healing Center
Annual Report FY 2024-2025
May 27, 2026

Construction and site upgrades: Through the generous investment of \$200,000 from the Town of Paradise Valley, Community Bridges, Inc. (CBI) implemented several critical infrastructure and site enhancements at the Rio Fresco shelter. These improvements included the replacement of the facility's chiller system to ensure reliable and efficient climate control for residents, the installation of protective fencing to secure and extend the lifespan of the new equipment, and the creation of a professionally painted mural within the common living area.

Collectively, these upgrades not only strengthen the operational integrity and safety of the facility but also enhance the overall environment, contributing to a more welcoming and dignified space for individuals receiving services.

Program Outcomes and Participant Impact

During Fiscal Year 2024, the Rio Fresco Shelter and Healing Center provided comprehensive services to 300 individuals experiencing homelessness and behavioral health challenges. Of those served, 33% successfully exited to positive housing destinations, demonstrating meaningful progress toward stable, long-term housing outcomes.

At the time of program exit, 53% of participants (n = 160) were enrolled in one or more forms of health insurance, with Medicaid representing the most common source of coverage. This level of enrollment reflects significant strides in connecting individuals to critical healthcare resources, supporting both immediate stabilization and ongoing wellness.

In addition, among adult participants, 25% (n = 76) reported having one or more sources of income at exit, indicating increased self-sufficiency and financial stability. This outcome highlights the program's effectiveness in supporting individuals in building the resources necessary to sustain independent living.

Collectively, these outcomes underscore Rio Fresco's role in advancing housing stability, improving access to healthcare, and fostering pathways toward greater self-reliance for the individuals it serves.
