Good morning Paul and Jeremy,  
We are unfortunately needing additional time with the Planning Commission work study sessions to work through the proposed redevelopment, and are hereby requesting an extension of the allotted time under the Council's Statement of Direction to obtain Planning Commission's recommendation. If possible, would like to extend from March 5<sup>th</sup> to April 16<sup>th</sup>. Please let me know if you need any additional information from applicant in order to consider this request.  
Respectfully,

*John W. Bozzo*
