PLAN, DESIGN, CONSTRUCT, OPERATE, MAINTAIN AND FINANCE
THE REGIONAL WIRELESS COOPERATIVE NETWORK

This Amended and Restated Intergovernmental Agreement (this "Agreement") is entered into by and between the signatories below for the purpose of establishing the Regional Wireless Cooperative ("RWC"). Unless specifically defined in the main body of this Agreement, all capitalized terms used herein shall have the meanings set forth in the Regional Wireless Cooperative Governance Document attached hereto as Exhibit A.

Recitals

Whereas, by May 22, 2009, the following fourteen (14) entities were signatories to the original IGA and Exhibit A ("Initial Parties"): City of Avondale, City of Chandler, Daisy Mountain Fire District, City of El Mirage, City of Goodyear, Town of Guadalupe, City of Maricopa, City of Peoria, City of Phoenix, Sun City Fire District, Sun City West Fire District, Sun Lakes Fire District, City of Surprise, and the City of Tempe; and

Whereas such Initial Parties became Members of the RWC; and

Whereas each Member had appointed their respective representatives to the RWC Board of Directors; and

Whereas the RWC Board of Directors, at its May 22, 2009 meeting unanimously approved amending and restating the original IGA and Exhibit A, dated October 1, 2008, to permit personal property ownership, including ownership of frequencies, where required by a Member or potential Member for purposes of obtaining adequate financing in order to join the RWC or remain a Member thereof; and

Whereas, the RWC Board of Directors, at its June 26, 2009 meeting approved the amendments to the original IGA and Exhibit A;

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated herein by reference, the following mutual covenants and conditions, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Parties. The Parties (individually, a "Party") to this Agreement consist of all of the signatories to this Agreement. Parties to this Agreement shall automatically become Members of the RWC, as detailed in Exhibit A.

2. Agreement.

2.1. The Parties enter into this Agreement for the purpose of:

2.1.1. Using their best efforts, through cooperation and pooling of common resources, for the mutual benefit of all Parties to use, own, operate, maintain and improve a regional radio communications network.

AMENDED AND RESTATED INTERGOVERNMENTAL AGREEMENT TO
PLAN, DESIGN, CONSTRUCT, OPERATE, MAINTAIN AND FINANCE
THE REGIONAL WIRELESS COOPERATIVE NETWORK

- 2.1.2. Planning, designing, constructing, operating, maintaining and financing the Regional Wireless Cooperative Network.
 - 2.1.3. Providing regional communications operability and interoperability.
 - 2.1.4. Providing regional communications cost effectively and using economies of scale.
 - 2.1.5. Providing communications interoperability with other jurisdictions that are not a Party to this Agreement, for the benefit of all Parties.
- 2.2. The Parties are authorized to enter into this Agreement by the joint exercise of powers provisions of Title 11, Chapter 7, Article 3 (§§ 11-951 et seq.), Arizona Revised Statutes and the authorization of their legislative or other governing bodies.
- 2.3. The Parties agree to form the Regional Wireless Cooperative, an unincorporated association of the Parties, to jointly and cooperatively exercise their powers to achieve the purposes specified in paragraph 2.1.
- 2.4. The rules and policies governing the regulation and management of the Regional Wireless Cooperative's internal affairs are set forth in a governance document, which is attached to this Agreement as Exhibit A and incorporated herein by this reference. Certain terms that are defined in Exhibit A are used in this Agreement. Those terms shall have the same meaning in this Agreement as such terms are defined in Exhibit A.
- 2.5. It is the intention of the Parties that Exhibit A be enforceable to the same extent as this Agreement. Exhibit A shall be subject to amendment as provided herein and shall be valid for the duration of this Agreement. Exhibit A is approved by all Initial Parties and shall be binding upon any Parties that are admitted after the Initial Parties. No additional Parties shall be admitted to the Regional Wireless Cooperative without first agreeing to be as bound by Exhibit A as are the Initial Parties.
- 2.6. It is the intention of the Parties that the RWC shall have the right to use, manage, upgrade, change, and configure the Network as a whole, regardless of individual or joint ownership of assets and frequencies.

3. Term and Duration of Agreement; Dissolution.

- 3.1. This Agreement shall be binding upon each signing Party, and among and against all signing Parties as of the date on which the Agreement has been executed by each such Party, so long as such Party has complied with the requirements of A.R.S. § 11-952, which includes appropriate action by the legislative or other governing body of the Party for the approval of the Agreement, determination by the Party's attorney that the Agreement is within the powers and authority of the Party, and the proper filing of the Agreement. In order for this Agreement to have legal effect, at least two (2) Parties must sign it. The "Effective Date" of this Agreement is October 22, 2008. The initial term of this Agreement shall begin on that date and end on October 31, 2018; thereafter, the Agreement will automatically renew for terms of ten (10) years. Notwithstanding the foregoing, this Agreement shall automatically

terminate upon dissolution of the Regional Wireless Cooperative.

3.2. The Parties do not anticipate that the Regional Wireless Cooperative will be dissolved until it is no longer desirable and feasible for the Regional Wireless Cooperative to operate the Network or the Network is transferred to another governmental or non-profit entity.

3.3. If the Parties dissolve the Regional Wireless Cooperative other than by transferring the Network to a governmental or non-profit entity, the assets of the Regional Wireless Cooperative shall be returned to the Members in proportion to their contributions to the Regional Wireless Cooperative as determined in section 4.3 of Exhibit A. In the event of dissolution, real property that is owned separately by a Member, regardless of whether it is situated within a Member's boundaries or installed at a Member-owned communications facility shall be returned to such Member and credited to the Member's share of the assets to be returned. Real property purchased or owned separately by a Member shall remain the sole and separate property of that Member and shall not become the property of the Regional Wireless Cooperative. Real property that was purchased by the Regional Wireless Cooperative is owned by the Members of the Regional Wireless Cooperative in proportion to their financial contributions to such purchase, regardless of whose name title is in.

3.4. Radio frequencies shall be dealt with in accordance with FCC licensing regulations. Each Member must ensure that its individually-owned frequency licenses are kept current.

4. Manner of Financing.

4.1. The cost of planning, designing, constructing, operating and maintaining the Network shall be paid in the manner specified in Exhibit A. An infrastructure replacement and enhancement program and an annual operating and maintenance budget shall be established and maintained as provided in Exhibit A. The costs paid by the Parties are expected to be the total costs for planning, designing, constructing, operating and maintaining the Network, less amounts, including grants and gifts, received from federal, state, regional or other funding sources.

4.2. Each Party agrees to timely pay its share of the cost of planning, designing, constructing, operating and maintaining the Network as specified in Exhibit A. Each Party shall render its amounts payable to the Regional Wireless Cooperative no later than forty-five (45) days from the invoice date. The Regional Wireless Cooperative may collect interest at the rate of one percent (1%) per month for payments not received forty-five (45) days from the invoice date. The interest collected shall be deposited in the operating and maintenance budget and used to offset the costs of operation and maintenance.

4.3. It will be the responsibility of each Party to this Agreement to take the appropriate steps in conformity with state or local laws to ensure that it appropriates sufficient funds to cover the obligations it assumes under this Agreement. Each Party recognizes that the performance by the Parties under this Agreement may be dependent upon the appropriation of funds by that Party. Should any Party fail to appropriate the necessary funds, that Party

THE REGIONAL WIRELESS COOPERATIVE NETWORK

may withdraw from this Agreement on the last day of the fiscal period for which funds are legally available, notwithstanding Section 6. Each Party agrees to give notice to the other Parties as soon as reasonably possible after the unavailability of funds comes to the Party's attention.

4.4. Each Party understands and acknowledges that claims and lawsuits may be filed for damages resulting from acts or omissions in connection with planning, designing, constructing, operating, maintaining financing, and cooperative ownership of the Network or that other unforeseen costs and expenses may be incurred in connection with the planning, designing, constructing, operating, maintaining, financing, and cooperative ownership of the Network.

The Parties agree that all damages, costs and expenses not specifically provided for in this Agreement, shall be shared by the Parties in proportion to each Party's share of the total weighted votes, in accordance with Section 3.2.1.3.2 of Exhibit A, at the time the claim or lawsuit, whichever first occurs, claim or lawsuit is first served on any Party or the unforeseen costs or expenses were incurred. Notwithstanding the foregoing, each Party shall be solely and separately responsible for its own gross negligence and willful misconduct, without joint liability by other Parties. Each Party shall promptly notify the Regional Wireless Cooperative and the Administrative Managing Member upon receipt of a claim or lawsuit relating to the Network. The Administrative Managing Member shall take the lead role on behalf of the Regional Wireless Cooperative in coordinating the investigation and defense of any claim or lawsuit made in connection with planning, designing, constructing, operating, maintaining or financing the Network. Nothing in this section shall preclude any Party, at its expense, from providing its own legal counsel in connection with any claim or lawsuit made in connection with planning, designing, constructing, operating, maintaining or financing the Network. Claims and lawsuits include any claims, losses, liability, costs, or expenses (including reasonable attorney fees) (hereinafter collectively referred to as "Claims") arising out of bodily injury of any person (including death) or property damage.

With regard to claims or lawsuits arising out of the ownership or maintenance of a Party's owned or leased real property, such Party (as "Indemnitor") agrees to indemnify, defend, and hold harmless the other Parties (as "Indemnitees") from and against any and all Claims and Lawsuits, but only to the extent that such Claims and Lawsuits which result in vicarious/derivative liability to the Indemnitees are caused by the act, omission, negligence, misconduct, or other fault of the Indemnitor, its officers, officials, agents, employees, or volunteers. The Board and Administrative Managing Member shall not be liable for any loss or claim arising out of, based upon or attributable to any other Party's failure or omission in effecting or maintaining adequate insurance on such Party's owned or leased property.

4.5. The Regional Wireless Cooperative with the approval of its Board of Directors may apply for such federal, state or other grants as are made available for the planning, designing, constructing, operating, maintaining and financing the Network. The Executive Director or a Network Managing Member may submit the grant application on behalf of the Regional Wireless Cooperative in accordance with applicable laws, rules, regulations and procedures.

\

AMENDED AND RESTATED INTERGOVERNMENTAL AGREEMENT TO
PLAN, DESIGN, CONSTRUCT, OPERATE, MAINTAIN AND FINANCE
THE REGIONAL WIRELESS COOPERATIVE NETWORK

The grant agreement to be entered into by the Regional Wireless Network and the Grantor shall be incorporated and made a part of this Agreement, and each Party agrees to be bound by the terms and conditions of the grant and to comply with and enforce the grant provisions within the limits of its jurisdiction. Any grant funds received will be used to reduce the cost of the project for which a grant application was submitted. The application for or the award of a grant shall not relieve a Party of its obligation to pay costs billed by the Regional Wireless Cooperative as provided in this Agreement. The Regional Wireless Cooperative shall credit grant funds to the Parties, in proportion to the amount of funding each Party contributes towards the grant project, as the grant funds are received.

4.6. Any Party that intends to individually submit a grant application that may benefit the Regional Wireless Cooperative or the Network shall first submit its proposal and grant application to the Regional Wireless Cooperative for its recommendation. With approval of the Board of Directors, the Party may submit its application to obtain the grant funding. Acceptance and use of any grant funds so obtained for the Regional Wireless Cooperative and the Network is subject to the discretion and use of the Board of Directors. A Party who applies for, is awarded, and accepts grant funds under this paragraph 4.6 is individually responsible for meeting all terms, conditions and obligations of the grant. The Regional Wireless Cooperative shall credit any grant funds received pursuant to this paragraph 4.6 to all Parties, in proportion to the amount of funding each Party contributes towards the grant project as the grant funds are received.

4.7. The Regional Wireless Cooperative's Board of Directors shall use the Administrative Managing Member's procurement procedures and insurance procurement procedures.

4.8. Risk Management. The Regional Wireless Cooperative's Board of Directors shall consult with the Administrative Managing Member to determine the insurance coverage appropriate to protect the Parties from risks concerning the Regional Wireless Cooperative and the Network. The Board of Directors shall direct the Administrative Managing Member to obtain such insurance on behalf of the Regional Wireless Cooperative. In deciding what insurance coverage and indemnities are appropriate, the Board of Directors may elect to self-insure for all or a portion of the risks, or if feasible and with the agreement of the Administrative Managing Member, to place the cooperative and network under the Administrative Managing Member's insurance/self-insurance program. The cost of any insurance and/or self-insurance provided under this section shall be shared by the Parties in accordance with sections 4.2.1 and 4.2.2 of Exhibit A. For the sole purpose of placing coverage for the RWC and Network under the Administrative Managing Member's insurance/self-insurance program, if so directed by the Board of Directors, the Administrative Managing Member agrees to indemnify and defend the RWC and Network for the shared liabilities and costs set forth in Section 4.4 herein, subject to the exceptions set forth in Section 4.4.

4.9. The Parties understand and acknowledge that certain Network equipment, hardware, software and other personal property that is held jointly and owned in common by the Parties will become in time unfit or unnecessary for use by the Regional Wireless Cooperative. To

THE REGIONAL WIRELESS COOPERATIVE NETWORK

provide for the disposal of such surplus Network personal property during the term of this Agreement, each Party agrees to obtain from its legislative or other governing body by ordinance, resolution or other applicable legal action, as necessary, appropriate authorization enabling the Regional Wireless Cooperative to dispose of or sell by public auction, sealed bids, or negotiation any and all surplus Network personal property.

5. Obligations as Members. Each Party to this Agreement shall be a Member of the Regional Wireless Cooperative and shall comply with and be subject to the obligations of Members as set forth in Exhibit A, including the obligation to contribute to the cost of the Network. This Agreement shall not relieve any Party of any obligation or responsibility imposed upon it by law.

6. Voluntary Termination or Withdrawal as Members. Any Member may voluntarily terminate its participation in the Regional Wireless Cooperative by providing twenty-four (24) months' prior written notice to the other Members. The Regional Wireless Cooperative Board of Directors will work with the withdrawing Member and remaining Members to determine cost and operational impacts of the withdrawal. Subject to the conditions below, the withdrawing Member retains rights to real property, personal property and frequencies as defined by the Agreement and as allowable by State and Federal law and/or regulation. Members voluntarily terminating their participation in the Regional Wireless Cooperative must comply with the following:

- A. Transfer or relinquish to the Regional Wireless Cooperative any unexpended infrastructure replacement and expansion program funds and operating and maintenance funds.
- B. Pay all fees and charges owed to the Regional Wireless Cooperative through the effective date of termination.
- C. Agree to any additional or alternative terms and conditions reasonably related to essential Network operations as mutually determined by the Members, including terms relating to the continuing use of radio frequencies, real property, and personal property.
- D. Agree to pay for all costs to effect the withdrawal of the Member including costs to reconfigure the Network for the remaining Members.

7. Additional Parties. Other cities, towns, counties, and Indian communities and other public agencies, as that term is defined by A.R.S. § 11-951, shall become additional Parties to this Agreement and shall be bound by the terms of this Agreement at such times as those public agencies are admitted as Members of the Regional Wireless Cooperative.

8. Failure to Pay Financial Obligation.

8.1. If a Party is relieved from payment of its financial obligation to the Regional Wireless Cooperative as a matter of law, then the Regional Wireless Cooperative may suspend the

THE REGIONAL WIRELESS COOPERATIVE NETWORK

Party's right to vote and participate in the affairs of the Regional Wireless Cooperative until such time as the Party has paid the difference between the Party's share of the costs and the amount the Party has paid for such costs.

8.2. Except as provided in paragraph 8.1, if a Party fails to pay a financial obligation within forty-five (45) days of the invoice date and then, upon notice by the Administrative Managing Member of the deficiency, fails to cure the non-payment within forty-five (45) days of the date of the deficiency notice, the Regional Wireless Cooperative shall suspend the Party's right to vote and participate in the affairs of the Regional Wireless Cooperative until such time as the Party has paid the difference between the Party's share of the costs and the amount the Party has paid for the costs.

9. Open Meeting Law. The Regional Wireless Cooperative, including the Board of Directors and the Executive Committee shall comply with A.R.S. §§ 38-431, et seq. (Arizona Open Meeting Law) in conducting meetings to the extent the Law is applicable.

10. Records; Confidentiality.

10.1. The Regional Wireless Cooperative shall comply with A.R.S. §§ 39-121 et seq. (Arizona Public Records Law) in maintaining and providing access to the records of the Regional Wireless Cooperative.

10.2. The Regional Wireless Cooperative shall make its financial records regarding the planning, designing, constructing, operating, maintaining and financing the Network available to any official or agent of a Party to this Agreement. Such request for inspection shall not be made more frequently than once a month.

10.3. Each Party to this Agreement agrees to make available to the Regional Wireless Cooperative its financial records related to planning, designing, constructing, operating, maintaining and financing the Network. Such request for inspection shall not be made more frequently than once a month.

10.4. To the extent permitted by law, the Parties shall treat Network information as proprietary and confidential. Network information includes, but is not limited to, technical data, engineering details, construction documents, equipment lists, programming configurations, and operational procedures. Any Party who receives a request for information or a public records request concerning the Network shall initially and immediately notify the Executive Director of such request before following any customary internal practices or procedures with regard to such request.

11. Conflict of Interest. The Parties understand and acknowledge that this Agreement may be subject to cancellation under A.R.S. § 38-511 (Arizona's public employee conflict of interest law) in the event there is a conflict of interest of the type specified in A.R.S. § 38-511 by persons significantly involved in initiating, negotiating, securing, drafting or creating this Agreement.

THE REGIONAL WIRELESS COOPERATIVE NETWORK

12. Compliance with Applicable Laws. Each Party shall comply with all applicable laws, statutes, ordinances, executive orders, rules, regulations, standards, and codes of federal, state and local governments whether or not specifically referred to in this Agreement.

13. Cooperation.

13.1. The Parties agree to make, sign and deliver all documents and to perform all acts that are necessary to fully carry out the terms of this Agreement. Each of the Parties shall fully cooperate with and assist one another in obtaining all licenses, permits, authorizations, approvals and consents required in or related to the performance of this Agreement. This obligation includes performing an act that is not specifically referred to in this Agreement, so long as the obligation to perform such act is reasonably implied by the terms of this Agreement. Nothing in this Agreement shall be construed or interpreted to require the Regional Wireless Cooperative to be responsible for dispatching or otherwise causing its Members to respond to an event within another Member's jurisdiction.

13.2. In the event any legal proceeding is instituted challenging the authority and power of any of the Parties to execute this Agreement or to perform its terms and conditions, the Parties shall, in good faith, jointly and cooperatively defend the validity of this Agreement.

13.3. The Parties may elect and shall have the right to seek specific performance, where feasible and practicable, by any Party of any or all of the obligations (except payment obligations) set forth in this Agreement. The Parties agree that, in accordance with Section 18.3 herein, specific performance may be sought by way of special action filed in superior court seeking an injunction ordering the Party to perform its obligations under this Agreement. The Parties agree not to raise as a defense the position that there is an "adequate remedy at law." The Parties hereby stipulate and consent to the jurisdiction of the superior court in any such special action.

14. Amendment.

14.1. This Agreement may be amended only by a written document executed by a duly authorized representative of each of the Parties.

14.2. This Agreement, including Exhibit A, may be amended by one of the following two procedures:

14.2.1. RWC-Legislative Procedure. A proposed amendment to this Agreement, including Exhibit A, shall be submitted for approval to the Regional Wireless Cooperative's Board of Directors. Upon approval of the Board of Directors, each Party shall take appropriate steps in conformity with state and local law to authorize and approve the proposed amendment.

14.2.2. Formal Addendum Procedure. A proposed amendment to this Agreement, including Exhibit A, shall be presented to each Party in the form of an addendum, and, if approved by the Board of Directors, each Party will take appropriate steps in conformity with state and local law to authorize and approve the amendment.

14.3. Each Party shall file a copy of the appropriate resolution, ordinance or other recorded action by which its legislative or governing body approved the amendment with the Executive Director of the Regional Wireless Cooperative.

15. Existing and Future Agreements.

15.1. The Parties agree that the provisions of this Agreement shall be incorporated in any existing or future subcontracts between the Parties and any other person, political subdivision or public agency that contracts with the Parties to make use of the Network.

15.2. The Parties agree that they will not enter into subcontracts for the use of the Network without the prior approval of the Board of Directors, which shall have the authority to review the subcontracts for conformity with the rights and obligations set forth in this Agreement.

15.3. The Parties agree that this Agreement is a modification of all existing agreements between the Parties in regard to the Network. In the event of any conflict, inconsistency, or incongruity between the provisions of this Agreement and any of the provisions of any previous agreement between the Parties, the provisions of this Agreement shall in all respects govern and control.

15.4. Nothing in this Agreement shall be construed or interpreted:

15.4.1. To supersede prior existing mutual aid agreements or radio support agreements between or among the Parties.

15.4.2. To prohibit a Party from entering into separate agreements after the Effective Date of this Agreement concerning real estate, buildings and structures, and towers that the Party owns, leases, or licenses and that the Party authorizes and allows the Regional Wireless Cooperative to use as part of the Network, provided the separate agreements are consistent with this Agreement and compatible with the Regional Wireless Cooperative's use of the property for the Network.

15.4.3. To supersede prior existing agreements concerning real estate, buildings and structures, and towers that the Party owns, leases, or licenses and that the Party authorizes and allows the Regional Wireless Cooperative to use as part of the Network.

15.5. This Agreement is entered into for the sole and exclusive benefit of the Parties, and no other person shall claim any implied right, benefit or interest in this Agreement. The Parties do not intend to create rights in or remedies to any third party as a beneficiary of this

Agreement or of any duty, obligation, or undertaking established under this Agreement.

16. Notices.

16.1. Any notice, consent or other communication ("Notice") required or permitted under this Agreement shall be in writing unless otherwise specified herein and deposited in the U.S. mail, postage prepaid, registered or certified mail, return receipt requested.

16.2. Notice shall be deemed received five (5) days after the Notice is deposited in the U.S. mail as provided above. Any time period stated in a Notice shall be computed from the time the Notice is deemed received.

16.3. Any Party may change its mailing address or the person to receive Notice by notifying the other Parties as provided in this section. Routine notices shall be sent as provided in this Agreement.

17. Default And Cure.

17.1. Each Party agrees that it will perform all duties and obligations agreed to be performed by it under the terms and conditions of this Agreement, and that the unexcused failure of the Party to perform its duties and obligations shall constitute a default under this Agreement. In the event of a payment default by a Party, the Executive Director shall give written notice of the default, specifying the existence and the nature of the default. The defaulting Party shall have ten (10) days to remedy the default by making due payment. In the event of any performance default by a Party, the Executive Director shall give written notice of the default, specifying the existence and the nature of the default. The defaulting Party shall have thirty (30) days to remedy the default by rendering the necessary performance. In the event that the defaulting Party disputes an asserted default, the Party shall perform the disputed obligation, including making payment, but may do so under protest. The protest shall be in writing, and shall precede the performance of the disputed obligation, and shall specify the reasons upon which the protest is based. After performance of the disputed obligation under protest, the Party disputing the asserted default shall have the right to submit the dispute to the Regional Wireless Cooperative's Board of Directors for a recommendation on a non-binding resolution under paragraph 18.

17.2. Notwithstanding the provisions of paragraph 17.1, in the event a Party disputes an amount billed, it shall do so in writing to the Executive Director within forty-five (45) days after the invoice date. The Party shall pay the disputed amount, but may do so under protest. The protest shall be in writing, and shall accompany the disputed payment if not previously paid and shall specify the reason upon which the protest is based. After the protest has been filed and the disputed amount has been paid, the dispute shall be handled in accordance with the dispute resolution process specified in paragraph 18. Payments not made under protest shall be deemed to be correct. If a protest is not filed within forty-five (45) days of the invoice date, the Party waives its right to file a protest.

THE REGIONAL WIRELESS COOPERATIVE NETWORK

17.3. If a Party fails to cure a default within the time frames specified in 17.1, that Party will no longer be in "Good Standing," as defined in Exhibit A, and shall lose voting privileges as specified in paragraph 3.2.1.3 of Exhibit A. If the Party is still in default after six (6) consecutive months, the Board of Directors has the right to define additional cures up to and including expulsion from the RWC.

18. Alternative Dispute Resolution.

18.1. If any dispute, complaint or controversy, including a protest made pursuant to paragraph 17.1 or 17.2, ("dispute") arises between or among the Parties under this Agreement, the Parties agree that the dispute shall be brought to the Regional Wireless Cooperative's Board of Directors for non-binding dispute resolution. The Board of Directors shall establish appropriate and prompt procedures to govern the processing of complaints and the internal dispute resolution process. If a Party disagrees with the Board of Directors' recommendation, the Party may pursue the remedies otherwise provided for in this Agreement or provided at law.

18.2. The Parties agree that notwithstanding the existence of a dispute between or among the Parties, insofar as is possible under the terms of this Agreement, each Party shall continue to perform the obligations that are required of it and that are not related to the dispute. The Parties agree that at any point in the internal dispute resolution process, the Board of Directors may adopt and impose an interim emergency remedy to ensure the continuation of essential communication services until the dispute is resolved.

18.3. This Agreement shall not be construed or interpreted to prohibit a Party from seeking injunctive relief for the preservation of real property.

18.4. In the event a dispute is not resolved pursuant to paragraph 18.1, the Parties agree to use arbitration to the extent required under A.R.S. § 12-133 and A.R.S. § 12-1518.

19. Waiver. The waiver by any Party of any breach of any term, covenant or condition of this Agreement shall not be deemed a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition of this Agreement.

20. Performance and Uncontrollable Events.

20.1. All terms and conditions that are to be performed by the Parties or any of the Parties shall be performed at the sole expense of the Party so obligated, and if any other Party pays any sum of money or does any act that requires the payment of money by reason of the failure, neglect or refusal of the obligated Party to perform such term or condition, the sum of money paid by the other Party shall immediately be payable to the other Party by the Party obligated to perform.

20.2. No Party shall be considered to be in default in the performance of any obligations under this Agreement (other than obligations of a Party to pay costs and expenses) if failure

20.3. If any Party claims that its failure to perform was due to an uncontrollable event, the Party shall bear the burden of proof that such activity was within the meaning and intent of this section, if such claim is disputed by any Party to this Agreement.

21. Assignment and Binding Effect. This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors and assigns. No assignment shall be allowed without the prior written consent of the Board of Directors.

This Agreement shall not be amended, modified or supplemented at any time unless in writing.

23. Governing Law. Any action at law, suit in equity or judicial proceeding for the enforcement of this Agreement or any provision therefore shall be instituted only in the courts of Maricopa County, Arizona.

24. Severability. If any provision of this Agreement is declared void or unenforceable by a court of competent jurisdiction, the provision shall be severed from this Agreement, which shall otherwise remain in full force and effect if the remaining provisions permit the Parties to obtain the practical benefits of the Network. If any law or court of competent jurisdiction prohibits or excuses any Party from undertaking any contractual commitment to perform any act under this Agreement, this Agreement shall remain in full force and effect, but the provisions requiring such action shall be deemed to permit the Party to take such action at its discretion, if such a construction is permitted by law. This section shall not limit the discretion of the Parties to suspend a Party's right to vote and participate in the affairs of the Regional Wireless Cooperative as provided in section 8, entitled Failure To Pay Financial Obligation.

federal or state conflict of interest laws shall not be counted as a vote, neither affirmative nor negative. Only Members in Good Standing are allowed to vote.

The voting rights of a Member shall be suspended for non-payment of the Member's financial obligations to the Regional Wireless Cooperative, in accordance with the IGA, Section 8, Failure to Pay Financial Obligation. If a Member's voting rights are suspended, this shall not affect the number of Weighted Votes of the other Members or the number of Weighted Votes required to decide a matter. After presentation to the Executive Committee, the Preliminary Budget, Five-Year Financial Forecast, Fund Balance Reports, and the presentation of significant issues and financial assumptions shall be forwarded to the Board of Directors for approval. The Board of Directors shall adopt each subsequent fiscal year's final operational and capital budget by December of the prior fiscal year. The budget approved by the Board of Directors shall be the basis for developing the Annual Membership Fees and Rate Schedule. A copy of the adopted budget shall be provided to all Members.

On a quarterly basis, each Member will receive an Activity Statement for its respective subsidiary accounts.

After the end of each fiscal year, the Executive Director shall submit to the Executive Committee and Board of Directors a summary of financial activity, including a comparison of budgeted expenditures to actual expenditures.

4.1.1. Preliminary Budget

The Preliminary Budget shall include all funding sources, operational and maintenance expenses, as well as planned capital costs for the subsequent year.

4.1.2. Five-Year Financial Forecast

The Five-Year Financial Forecast shall include projected revenues, operational and maintenance expenses, and capital costs for five (5) years following the Preliminary Budget. The Five-Year Financial Forecast will be used to prepare future years' annual budgets.

4.1.3. Fund Balance Report

A Fund Balance Report shall be prepared for the RWC Operating Fund in addition to the Infrastructure Replacement and Expansion Fund. A Fund Balance Report shall provide a projection of annual fund balances through the period covered by the Five-Year Financial Forecast and shall include recommendations regarding the adequacy of the fund balance reserve.

4.1.4. Activity Statements

On a quarterly basis, each Member will receive an Activity Statement for its Infrastructure Replacement and Enhancement Subsidiary Account and, if applicable, its Special Revenue Fund Project(s) Subsidiary Account(s).

Quarterly activity statements for subsidiary accounts associated with the Infrastructure Replacement and Enhancement Fund and the RWC Special Revenue Fund will be prepared and forwarded to each Member for review. The statements will indicate dates and amounts of all payments made into the accounts as well as expenditures charged to the accounts. The statements will also indicate the average daily account balance, the interest rate applied, and the resulting interest earnings or expense added to the account balance.

4.1.5. Year-end Expenditure Reporting

**EXHIBIT A
REGIONAL WIRELESS COOPERATIVE
GOVERNANCE DOCUMENT**

Year-end Expenditure Reporting shall include an accounting of the actual cost of the operation, maintenance and replacement of the Network compared to budgeted expenditures and fees assessed to Members.

4.2. Funding

The Members shall fund the RWC through Annual Membership Fees, Special Assessments, and grants, as determined by the Board of Directors.

It will be the responsibility of each Member to take the appropriate steps in conformity with the state and local laws to ensure that it appropriates sufficient funds to cover its obligations assumed under this Agreement. Each Member shall encumber its share of the RWC's current year's planned costs no later than July of each fiscal year. Members will advance funds to Administrative Managing Member on a quarterly basis upon receipt of an invoice. Payment of all invoices is due forty-five (45) days from the invoice date. The Administrative Managing Member will transfer funds for its share of the RWC's quarterly planned costs to the RWC operating fund no later than forty-five (45) days after the invoice date.

A late payment charge will be assessed at the rate of one percent (1%) per month for all payments received late. If the Administrative Managing Member does not transfer its share of the cost to the RWC Operating Fund as provided herein, the Administrative Managing Member shall pay interest at the rate of one percent (1%) per month. Interest collected will be deposited into the RWC Operating Fund and be used to offset operating and maintenance costs.

In the event a Member disputes an amount billed, it shall do so in writing to the Executive Director within forty-five (45) days after the invoice date. The Member shall pay the disputed amount, but may do so under protest. The protest shall be in writing, and shall accompany the disputed payment if not previously paid, and shall specify the reason upon which the protest is based. After the protest has been filed and the disputed amount has been paid, the dispute shall be handled in accordance with the dispute resolution terms and conditions outlined in the IGA, Section 17, Default and Cure, and Section 18, Alternative Dispute Resolution. Payments not made under protest shall be deemed to be correct. If a protest is not filed within forty-five (45) days of the invoice date, the Member waives its right to file a protest.

If a Member withdraws from the Network, that Member shall be responsible for all unpaid fees applicable for time of the Member's Membership.

It shall be the responsibility of each Member to bill and collect from its individual users such user charges and cost recovery charges as are required in the payment of the amounts due under this Agreement.

4.2.1. Annual Membership Fee

Each Member agrees to pay an Annual Membership Fee to cover the cost of RWC Administrative Services including allocated insurance premiums, self-insurance costs, costs of claims and lawsuits, Network Operations and Maintenance Services, and Network Infrastructure

EXHIBIT A
REGIONAL WIRELESS COOPERATIVE
GOVERNANCE DOCUMENT

Replacement and Enhancement Projects. The annual amount to be collected shall represent the Board approved operations and maintenance budget for the current fiscal year in addition to the amount approved by the Board for the subsequent year's infrastructure replacement and enhancement projects. The Annual Membership Fee shall be adjusted for any capital funding collected in previous years on behalf of capital projects included in the current fiscal year operating budget. In addition, the Annual Membership Fee shall also include the amount required to maintain the Board approved fund balance reserves in accordance with Section 4.2.1.4.1 and 4.2.1.5.1. Annual Membership Fees shall increase Members' Equity, as established under Section 4.3, only to the extent that funds are deposited in the Infrastructure Replacement and Enhancement Fund.

The cost of purchasing, maintaining and programming Subscriber Units shall be borne solely by the Member owning the Subscriber Units.

Notwithstanding the provisions of this Section 4.2.1 and Section 4.2.1.2, the Board of Directors shall have the discretion to adjust the amount a Member pays as its proportionate share of the Network Operations and Maintenance Services cost if the Board of Directors finds factors or circumstances relating to the provision of operational and maintenance services are such that the formula used to determine the amount the Member pays for Network Operations and Maintenance Services (i.e., an amount proportionate to its Subscriber Units in use on the Network at the time the fee is assessed) results in an unfair or inequitable assessment to that Member or to the other Members.

4.2.1.1. Rate Approval

The Annual Membership Fee rate shall be submitted to the Board of Directors for approval not later than one hundred twenty (120) days prior to the beginning of the fiscal year in which the proposed rates are to be in effect.

4.2.1.2. Payment Basis

The Annual Membership Fee shall be assessed and paid on a quarterly basis. Payments are due to the Administrative Managing Member in the months of July, October, January, and April of each year. The amount each Member shall pay will be proportionate to its Subscriber Units in use on the Network at the time the fee is assessed. Mid-quarter changes in Subscriber Units using the Network will not impact Members' share of costs until the beginning of the next quarter.

4.2.1.3. Interim Adjustments

If at any time during the current fiscal year, the Executive Director reasonably believes the budget used to calculate quarterly fees is grossly inaccurate, the Executive Director may present to the Executive Committee and Board of Directors a new budget. Upon approval by the Board of Directors, the new budget shall be used to recalculate the remaining quarterly fees due in that fiscal year.

**EXHIBIT A
REGIONAL WIRELESS COOPERATIVE
GOVERNANCE DOCUMENT**

If infrastructure replacement and enhancement projects are advanced or delayed, The Administrative Managing Member may propose interim changes to the quarterly Annual Membership Fee billings.

4.2.1.4. RWC Operating Fund

The portion of the Annual Membership Fee assessed and collected to cover the cost of RWC Administrative Services, Network operations and maintenance, and to maintain the minimum RWC Operating Fund balance, shall be deposited in the RWC Operating Fund. Interest or interest expense will be applied monthly to the RWC Operating Fund based on the average daily balance during the month. The interest rate applied will be the rate earned in the Administrative Managing Member's pooled cash account. Interest earned will be used to offset operating expenses.

4.2.1.4.1. Minimum Balance

Members agree to establish and maintain an operating fund balance reserve equal to twelve and one half percent (12.5%) of yearly budgeted total operation and maintenance costs excluding capital replacement fund charges. The fund balance reserve initially will be established semiannually in the first year and maintained annually thereafter. Each Member's obligation to fund the fund balance reserve shall be proportionate to its Subscriber Units in use on the Network at the time the fee is assessed. Midyear changes in Subscriber Units will not impact a Member's share of the fund balance reserve until the beginning of the next fiscal year. The Board of Directors shall approve any increase or decrease to the fund balance reserve.

4.2.1.4.2. Year-end Settlement

After the end of each fiscal year, the Executive Director shall prepare a settlement of the RWC Operating Fund by comparing fees assessed to actual expenditures paid. If the settlement shows for any Member that actual expenditures exceeded fees assessed, the Board of Directors may authorize the Executive Director to bill the applicable Member for an amount sufficient to cover the shortage. If the settlement shows for any Member that expenditures are less than the fees assessed, the unused fees shall be used to reduce the applicable Member's next quarterly Annual Membership Fee payment.

Amounts owed by or to the Administrative Managing Member as a result of the annual year-end settlement will accrue interest based on the earnings rate in Administrative Managing Member's pooled cash account until the appropriate funds are distributed or paid. Amounts owed by or to the Administrative Managing Member as result of the year-end settlement will be distributable within forty-five (45) days of the acceptance of the annual audit report by the Board of Directors.

4.2.1.5. Infrastructure Replacement and Enhancement Fund

The portion of the Annual Membership Fee assessed and collected to cover Board approved infrastructure replacements and enhancements and to maintain the minimum Infrastructure Replacement and Enhancement Fund balance shall be deposited into the Infrastructure

EXHIBIT A

Replacement and Enhancement Fund. Subsidiary records for each Member will be maintained. Interest or interest expense will be applied monthly to each subsidiary account based on the average daily balance during the month. The interest rate applied will be the rate earned in the Administrative Managing Member's pooled cash account.

4.2.1.5.1. Minimum Balance

The Members agree to establish the Infrastructure Replacement and Enhancement Fund balance reserve. Each year, the Board of Directors shall establish the Minimum Balance for the Infrastructure Replacement and Enhancement Fund by September 30th, for the following fiscal year. Each Member's obligation to fund the fund balance reserve shall be proportionate to its Subscriber Units in use on the Network at the time the fee is assessed. The Board of Directors shall approve any increase or decrease to the fund balance reserve.

4.2.1.5.2. Approved Uses

The Infrastructure Replacement and Enhancement Fund shall be used only for infrastructure replacements and enhancements approved by the Board of Directors except in the event of a major failure, disaster or force majeure event that necessitates immediate action to restore the Network to operating condition. In such cases, the Executive Director is authorized to withdraw funds. Funds withdrawn under these circumstances shall be reported to the Members at the next Board of Directors meeting for after the fact approval and special assessment, if necessary.

Members agree that expenditures against the Infrastructure Replacement and Enhancement Fund shall not be authorized if they will cause the fund to be in a deficit position at any point in time. If the Infrastructure Replacement and Enhancement Fund is negative at the end of any month, the Administrative Managing Member will immediately bill each Member for an amount sufficient to cover the shortage and to re-establish the required deposit amount. These bills will be faxed to each Member and payments for these billings must be received by the Administrative Managing Member within thirty (30) working days. In such an event, the Administrative Managing Member will re-evaluate the approved budget for the remainder of the year to determine if the quarterly billings should be adjusted.

4.2.2. Special Assessments

The Board of Directors may assess other fees on an as-needed basis to pay the costs of unplanned projects such as disaster recovery, certain extraordinary claims or lawsuits, the use of the Network by an Interoperability or Conditional Participant, or to pay the costs of special projects or system changes and/or expansions not previously included in the budget. Such changes may not benefit all Members in a reasonably proportionate manner. Fees may be assessed proportionately or individually, as approved by the Board of Directors, and need not be equal among Members. Fees collected as a special assessment shall be deposited into a special revenue fund.

4.2.2.1. RWC Special Revenue Fund

**EXHIBIT A
REGIONAL WIRELESS COOPERATIVE
GOVERNANCE DOCUMENT**

The RWC Special Revenue Fund shall only be used to pay the costs of the projects for which a Special Assessment has been imposed. Subsidiary records for each project will be maintained. Interest will be applied monthly to each project's account based on the average daily balance during the month. The interest rate applied will be the rate earned in the Administrative Managing Member pooled cash account. Interest earned will remain in the project account to finance ongoing expenses associated with the project.

4.2.2.1.1. Settlements

After the project is completed and all related debts have been paid, the Administrative Managing Member shall prepare a reconciliation of the project's subsidiary account by comparing fees assessed and paid to actual expenditures paid. If the reconciliation shows actual expenditures exceeded fees assessed and paid, the Administrative Managing Member will bill the applicable Member(s) for an amount sufficient to cover the shortage. If the reconciliation shows expenditures are less than the fees assessed and paid, the unused fees shall be either refunded or applied as a credit to the applicable Member(s) account(s). When more than one Member is funding a project, billings and refunds will be sent to each Member in accordance with the Board approved funding plan for the project.

4.2.2.2. Applicant Impact Assessment

Each entity considered for Membership shall pay a Special Assessment to cover the cost of developing an Impact Assessment that will address the effect of the request on the existing infrastructure and Members. The Special Assessment shall be paid prior to commencement of the Impact Assessment study.

4.2.2.3. New Member

Each new Member to the RWC shall pay a Special Assessment equal to the full cost associated with providing services to the new Member. The amount to be paid will include the cost to provide service to the new Member's Subscriber Units, any investment in Network infrastructure necessary to increase Network capacity, and other costs deemed necessary to ensure existing Members receive the same services and benefits they received before the new Member joined the Network. The Special Assessment shall be paid in accordance with the terms and conditions established by the Board of Directors as part of the Membership agreement. If the infrastructure that must be purchased for such capacity could ultimately be used to handle additional Subscriber Units beyond the amount requested by the new Member, the new Member may enter into a capacity agreement that provides for reimbursement of a portion of these costs, if and when additional Subscriber Units are brought onto the Network.

4.2.2.4. Existing Member Capacity and Coverage Upgrade

A request from an existing Member expected to impact the Network coverage, capacity and/or performance of other Members will require the existing Member to pay a Special Assessment to cover the cost of an Impact Assessment to determine the impact of the request on the existing infrastructure and Members. Requests requiring a Special Assessment shall include, but are not

EXHIBIT A REGIONAL WIRELESS COOPERATIVE GOVERNANCE DOCUMENT

limited to, requests to increase the number of Subscriber Units, Talkgroups, roaming profiles, or coverage individually or cumulatively, by more than ten percent (10%). The Impact Assessment shall determine the cost and benefits of the request and assess the impact on the existing infrastructure including, but not limited to, controllers, base stations, facility capacity, traffic capacity, roaming capacity, microwave/fiber capacity, and overall coverage. The Operations Working Group shall consider such requests upon payment of the Special Assessment and forward their recommendation to the Executive Committee for review and Board of Directors for approval.

4.2.3. Grants

Acceptance and use of grant funds is at the discretion and approval of the Board of Directors. Grant funds acquired on behalf of the RWC will be used to reduce costs for the project for which the grant was applied. The application for or the award of a grant shall not relieve a Member of its obligation to pay, within forty-five (45) days of the invoice date, costs billed in accordance with this Agreement. Grant funds will be credited to each Member in proportion to the amount of funding each Member contributed towards the grant project, as grant funds are received. Grant funds credited to a Member will increase the Members' Equity pursuant to Section 4.3 of this Agreement.

4.3. Members' Equity

The total Members' Equity shall be equal to the Net Value of the RWC as defined in Section 1 of this Agreement. Each Member's Equity will be a proportionate share of the total Members' Equity, as defined in Section 1 of this Agreement. Members' Equity in the RWC will be recalculated when:

- A new Member joins the RWC;
- A major enhancement or expansion is completed;
- At fiscal year-end after each Member's payments into the Infrastructure Replacement and Enhancement Fund are applied, actual expenditures are allocated against each Member's account, and interest is applied to each Member's cash balance.

If a Member brings assets to the RWC and the Board of Directors accepts the assets on behalf of the RWC, the Members' Equity will increase based on the value of the assets at the time of transfer to the RWC.

Assets which are individually owned, as permitted in Section 5 of this Agreement, shall not be counted as part of the Net Value of the RWC, and the Member(s) owning those assets shall not receive credit towards equity in the system until those assets become part of the RWC as described in Section 5 of this Agreement.

4.4. Annual Audit

EXHIBIT A
REGIONAL WIRELESS COOPERATIVE
GOVERNANCE DOCUMENT

An independent audit of RWC financial records will be conducted annually. The Board of Directors shall determine the scope of work of the independent annual financial audit.

5. RWC ASSETS

Each Member shall retain any and all right, title and interest in real estate, real property and fixtures thereto, including without limitation real estate, buildings, structures, towers, and generators that the Member owns, leases or licenses and that the Member authorizes or allows the Regional Wireless Cooperative to use as part of the Network.

Each Member is responsible for and shall bear the cost of maintaining its real estate and real property, including fixtures thereto, that are made part of the Network, to the extent necessary to maintain the operational integrity and capacity necessary to operate the Network. Each Member agrees that it will make all arrangements necessary to allow the Managing Members reasonable access to that Member's real estate, buildings, structures, towers and other facilities that are part of the Network for the purposes of inspecting, operating, and maintaining the Network. Prior to exercising the right of inspection provided by this paragraph, the Managing Member shall give the Member whose property is to be inspected reasonable notice under the circumstances then existing.

Any and all real estate and real property that is purchased by and on behalf of the Regional Wireless Cooperative shall be included in the Net Value of the RWC, with each Member's ownership interest in RWC real estate and real property expressed in their Member's Equity as defined in Section 1 of this agreement.

Any and all personal property, including frequencies, equipment, hardware and software, that is owned by a Member and brought into the Network, or that is purchased by and on behalf of the RWC, shall be held jointly and owned in common by the Members with each Member's ownership interest in the RWC personal property proportionate to the amount each Member invested in the property.

The Board of Directors shall approve the sale or disposal of any Network assets. In the event of a sale, the Members shall share in the proceeds, considerations or benefits from the sale in proportion to Members' Equity in place at the time of sale.

Each Member agrees that as part of its obligations and commitments in support of the Regional Wireless Cooperative, that it will not dispose of or remove from the Network, without the approval of the Board of Directors, its real estate or real property that it has initially allowed all Members to use.

The Members of the RWC agree that any real or personal property jointly purchased for the benefit of the RWC shall be titled and held in the name of the Administrative Managing Member, even though all financially contributing Members to the purchase shall actually own a percentage share in such real or personal property.

**EXHIBIT A
REGIONAL WIRELESS COOPERATIVE
GOVERNANCE DOCUMENT**

Notwithstanding the foregoing, Members shall be permitted to maintain individual ownership over the personal property, including frequencies, equipment, hardware and software, where such individual ownership is desired. Individual personal property ownership is also permitted where personal property has been purchased by a Member for the sole and exclusive use of that Member. Should the RWC replace personal property that was solely owned by a Member, the replacement personal property shall be deemed jointly owned personal property of the RWC. The replaced piece of personal property may be retained or disposed of by the Member.

If any obligations of a Member issued to finance any real or personal property made a part of the Network are secured by any right, title, interest or lien in or upon such property (a "Finance Lien"), the rights of the RWC and the Members in and to such property, including the rights to use such property as part of the Network, shall at all times be subordinate and subject to such Finance Lien and the rights of the holder or holders of such Finance Lien. The terms of any such financing shall provide the RWC the right and reasonable opportunity to cure any default or non-appropriation with respect to such financing to allow the continued use of such property by the RWC and the Members as part of the Network.

Neither the RWC nor any Member will take or fail to take any action with respect to the use and operation of the Network, which action or failure to act would adversely affect the tax-exempt status of any obligations issued by any Member to finance any real or personal property made a part of the Network. Without limiting the foregoing, neither the RWC nor any Member will permit any private business use of the Network where such private business use would cause any Member's obligations to be treated as Private Activity Bonds under the Internal Revenue Code, as amended.

6. INSURANCE

6.1. Real Property

Each Member is responsible to insure real property, including fixtures thereto, titled in its own name.

Each Member who has leased real property, including fixtures thereto, to be used in the cooperative is responsible to insure that property according to the terms of the lease.

The Administrative Managing Member is responsible to insure real property cooperatively purchased or leased for the benefit of the RWC as directed by the Board of Directors.

6.2. Personal Property

The Administrative Managing Member is responsible for insuring, as directed by the Board of Directors, all personal property brought into the network as described in Section 5 of this document. Notwithstanding the foregoing, however, any and all personal property that is purchased or owned exclusively by a Member and brought into the Network by that Member shall be insured by such Member. Neither the Board of Directors nor the Administrative Managing member shall be responsible for a loss involving Member-owned property that

**EXHIBIT A
REGIONAL WIRELESS COOPERATIVE
GOVERNANCE DOCUMENT**

became RWC jointly-owned property and was not timely reported in accordance with operating procedures that may be established by the Board of Directors.

6.3. Liability Insurance

Each Member is responsible to insure its liability assumed under the IGA Section 4.4.

The Board of Directors shall determine appropriate insurance coverage for the RWC's liability assumed under the IGA Section 4.4, in accordance with the IGA Section 4.8.

6.4. Insurance Programs

The RWC, Board of Directors, individual Members and Administrative Managing Member may use any combination of insurance, excess insurance or self-insurance to satisfy the terms of this Section 6.

7. SERVICES

The RWC will develop policies, procedures and guidelines that govern how Members, Associates, and Conditional and Interoperability Participants obtain services, whether routine or emergency, establish Talkgroups, set priorities, determine roaming/site access, use encryption, and operate on the Network. When using the Network each Member shall abide by all policies, procedures and guidelines established by the RWC and the terms and conditions of all applicable Agreements.

7.1. Programming and Reprogramming

The Network Managing Members, or a Board of Directors authorized provider, shall program or reprogram all Subscriber Units with a valid Network key. All Subscriber Units shall only be programmed or reprogrammed with valid programming templates that have been approved by the RWC. The cost of programming or re-programming Subscriber Units is the sole responsibility of each Member and is not included in the Annual Membership Fee.

7.2. Encryption

The Managing Members shall provide key management services including generation, distribution, storage, destruction and maintenance of key materials. Individual Members may be required to update key materials in Subscriber Units as directed by the RWC. The RWC may designate other agencies, such as Federal agencies, to provide key management services in special circumstances.

7.3. Network Management

The Network Managing Members shall program, maintain, and manage the Network databases in a manner that minimizes the degradation of operational performance and the loss or corruption

EXHIBIT A REGIONAL WIRELESS COOPERATIVE GOVERNANCE DOCUMENT

of data. The Network Managing Members shall follow RWC established policies and procedures applicable to Network Management.

7.4. Interoperability

The RWC shall establish procedures and practices to support interoperability among all Members, Associates and Conditional and Interoperability Participants. The RWC shall follow the National Incident Management System (NIMS) protocols for interoperable communications.

7.5. Training

Each Member shall ensure that its users are properly trained prior to any use of the Network.

8. PERFORMANCE AND OPERATION

The Network is designed and implemented in accordance with design and evaluation standards for public safety systems. During the technical analysis phase for adding new Members to the Network, the RWC shall follow the RWC design criteria and evaluation standards to protect both current and future Members. The RWC shall be responsible to maintain coverage, capacity and performance in accordance with public safety needs, requirements and standards. The RWC intends to maintain the existing Network coverage and capacity requirements; however, there are no guarantees of Network reliability and availability for new Members when operating within the existing service territory. The RWC anticipates in certain situations restrictions may have to be employed to assist with capacity control during the new Member evaluation process. The nature of the restrictions will be explored and discussed with each applicant on a case-by-case basis.

9. MAINTENANCE

9.1. Maintenance Plans Intra/Inter Agency

The Maintenance Managers and Network Managing Members shall provide Network maintenance in accordance with the policies, procedures, standards and responsibilities established by the RWC. The Maintenance Managers and Network Managing Members shall provide reasonable notice to Members of any scheduled or unscheduled service affecting a Member's use of the Network.

9.2. Responsibility for Repair of Subscriber Units

Each Network user is solely responsible for the maintenance and repair of its Subscriber Units. Only Members and vendors, certified by the RWC shall be used for the maintenance and repair of Subscriber Units. When maintaining and repairing Subscriber Units, authorized Members and vendors shall adhere to RWC policies and procedures including handling of Network keys, encryption keys, and configuration programming.
