

Section 11-2-1 Speed Limits ⁴⁴²

The speed limit within the Town is twenty-five (25) miles per hour unless otherwise posted. The Town Council may, in accordance with the authority granted by State law, change the speed limit on specified streets by resolution. Speed limits may also be established, altered, posted and enforced by the Town Manager or his designee when construction or work is being conducted on a street or right of way, applicable at such locations and during such time periods as deemed advisable by the Manager or his designee.
