

Summary of First Southern Baptist SUP Amendments

SUP #	Date Approved	Nature of Approval
SUP-20-04	March 26, 2020	Managerial amendment to allow for two playground shade canopies.
SUP-12-00	October 4, 2012	Managerial amendment to install gate across western driveway and allow placement of clothing donation bin on west side of property adjacent to parking lot.
SUP-96-8	February 21, 1996	Minor Amendment for minor interior remodel of main church building.
SUP-96-7	August 27, 1996	Minor Amendment to allow the installation of a mansard roof along the western wall of building "A" to match the rest of the buildings on the site, and a 10 foot by 20 foot flat roof for sun screening the building entry.
SUP-94-8	April 20, 1994	Minor Amendment to allow nine cellular antenna on the rooftop mechanical screening of the 2-story education building.
SUP-91-3	December 3, 1991	Minor Amendment to remove the existing monument sign and replace with new/larger building-mounted signage.
SUP-88-2	January 12, 1989	Amendment for a revised setback on the worship building and allowing the parking area lights at 12-feet tall.
SUP-87-4	January 29, 1987	Minor Amendment to alter elevations of worship building for acoustical purposes
SUP-82-7	November 10, 1983	Amendment to adopt new Master Plan and Phase 1 approval of Building E (worship center)
SUP-80-8	September 25, 1980	Amendment to construct 2-story education building (presently exists west of the sanctuary building), add parking, acknowledge the existing monument sign, and demolish six smaller buildings on campus. SUP-80-8 was later superseded by SUP-82-7.
SUP-80-7	January 8, 1981	Amendment to reduce the area of the church site by selling the southeast corner of the property (5206 N Scottsdale Road and presently the Special Use Permit for Van Dyke Aesthetics). SUP-80-7 was later superseded by SUP-82-7.
SUP-76-8	April 8, 1976	Amendment to allow the use of the existing buildings and property to operate a private elementary school. SUP-76-8 was later superseded by SUP-80-8.
SUP-72-4	July 27, 1972	Amendment to allow a monument sign facing Scottsdale Road. SUP-72-4 was later superseded by SUP-80-8.

SUP-70-1	September 9, 1970	Initial Special Use Permit to allow construction of the church campus. This included an interim auditorium building and classroom building which still exist (being the two existing northernmost buildings). At this time, there were several adobe buildings directly west of these two buildings that were used for church purposes and a pool that was removed. SUP-70-01 was later superseded by SUP-80-8.
SUP-69-1	January 29, 1969	Request to construct a church that was reviewed by the Planning Commission and later reapplied as SUP-70-1 due to the changes constituting Town Council approval.
