Hillside casita parcel 31 (172-02-075; Sanctuary Casita 255), lies well within the precedent condition under the current SUP. The proposed improvements are on the east side of the parcel. Currently there exists 45'-3" parcel spacing between the east property line and the Superstition Lane ROW. When the legal description of the parcel is amended to modify the footprint, there would remain a distance more than 25' between new property line and ROW, exceeding the 15'-9" of existing parcel spacing precedent.
