Subject: Support For Geoff Edmunds property development , Jarvis Property, Scottsdale Road

Dear Mayor and Council Members,

I live in Cheney Estates, my house faces the proposed new development, and I support the Edmunds project. I support it because there is no need for a general plan amendment and the alternative developments that have been proposed are too big and too noisy.

Thank you

Dear Mayor Collins & Paradise Valley Town Council:

Recently, our board met to reaffirm our enthusiastic support of the effort to develop the acreage behind our community. I wanted to briefly explain why, and encourage your support too.

Some call the land the "Town Triangle" lending to its dubious history. Granted it is a strange property as it is the only one in Paradise Valley not accessed by a town street, backing up to Scottsdale Road.

In years past developments such as nursing homes and commercial uses have been proposed, forcing our 72 homeowners to often fight them back. But concerns remain. The proliferation of charter schools and the very liberal laws they enjoy in Arizona to basically do whatever they want, wherever they want is worrisome as this site would be an attractive one for such a school, located right off Scottsdale Road. And every week we read about other Paradise Valley neighborhoods contesting "sober homes," which federal law allows to liberally locate too.

Putting these undesired and potential uses to bed, for good, is our neighborhood's number one priority. Fortunately, this opportunity appears to be close at hand.

One of our own residents, Geoff Edmunds, is partnering with another Paradise Valley resident Rod Cullum, recently ranked the #1 custom home builder in the Valley by the Phoenix Business Journal, to put 8 homes on the 9.6 acres.

Since first announcing the plan the duo has increased the acreage to ensure less than one home to the overall acreage, eliminated the need for a General Plan Amendment and increased lot sizes at the request of the Planning Commission to reflect those in our Cheney Estates. This is good work toward a good result for our neighborhood, and the town.

For all of these reasons we hope you will stand by our 72 homeowners whose lives would be impacted were a development other than the residential one described be allowed. Sincerely,

The Cheney Estates Board of Directors

Dear Mayor & Council:

For many years our Cheney Estates neighborhood has faced undesirable development proposals that could have negatively impacted us. For-profit nursing homes, lighted tennis courts and baseball fields and other commercial proposals, have all tried to find a home on this unique 4-acre property, commonly known as the "Jarvis" parcel. It is the only one in Paradise Valley not accessed by any Town roads.

That's why I was pleased when one of our own Cheney Estates residents, Geoff Edmunds, partnering with Rod Cullum, found a great solution. Rather than amend the Town's General Plan, which the Mayor in particular said, would be inappropriate, additional acreage has been acquired since the plan was first proposed. This means the 8 homes called for previously on 4.5 acres is now proposed for 9.6 acres, or less than 1 home to the acre. A General Plan Amendment is no longer needed. And, lot sizes now approximate those in Cheney Estates, a change that was made at the recent request of some Planning Commissioners.

As a former member of the Paradise Valley Town Council I know patience can be a policy virtue. It certainly has been as it relates to this small, but important project making its way to you. For all of these reasons I hope the Town will stand by our nearly five-dozen homeowners who are hopeful of finally resolving the development of this parcel.

Sincerely,

Mary Hamway
Cheney Estates & Paradise Valley Resident

Dear Neighbor:

I live on the north side of Cheney Estates and am one of the closest neighbors to a long-vacant, triangular-shaped parcel located at the northwest corner of the alignment of Northern Avenue and Scottsdale Road, adjacent to Camelback Country Club Golf Course. I've enclosed an aerial photograph that shows the parcel in question.

During the last few years there have been a number of proposals for various non-residential uses on that property. Because we don't believe such projects are compatible with the neighborhood, Rod Cullum and I are preparing to purchase the parcel for the purpose of developing an 8-lot, single-story residential subdivision. A page from the preliminary plat showing those 8 lots is also enclosed. Like me, Mr. Cullum is a long-time Town resident. He is a top-tier homebuilder; his most recent project in the Town is The Village at Mountain Shadows.

Please join us at a neighborhood meeting to learn more about our plans for this 8-lot subdivision at 6:00 p.m., on Thursday, September 14, 2017, at The Village at Mountain Shadows, 5641 East Lincoln Drive. The Town of Paradise Valley Planning Commission will also be holding a Citizen Review Session at 6:00 p.m., on Tuesday, September 19, 2017; at Town Hall, 6401 East Lincoln Drive.

We hope to see you at the meetings on September 14 and 19. If you aren't able to join us, please feel free to contact me at my address above or email me at ghedmunds@geoffreyedmunds.com.

Best regards,

Geoff Edmunds

Dear Resident:

Doug Jorden, on behalf of Town Triangle, L.L.C., has filed several applications to develop a 9.6-acre property located at the northwest corner of the Northern Avenue alignment and Scottsdale Road (Parcel No. 174-36-002X and part of 174-36-188A). The proposed development may be for up to eight single-family lots that are expected to vary in lot size between approximately 12,000 square feet to 39,000 square feet. Notice is hereby given of two upcoming meetings by the Town:

1.
