Professional experience highlights	

Having graduated in 1994 from the University of Arizona with a Double Major in Accounting & Finance, I have been in the banking world since then, extending credit to businesses & individuals in the automotive & RV space - this encompasses floorplan financing, working capital loans, real estate acquisitions & refinances as well as retail extensions of credit to individuals.

In my time working at Bank of America in Seattle, I served on the Puget Sound Contribution Committee, which was the team that oversaw the approval & disbursement of funds from Bank of America to the local nonprofit community.

In 2016, I completed my Masters in Business Administration at the University of Arizona achieving the distinction of Summa Cum Laude. I offer a diversified background from 20 years in banking, along with sales & marketing experience.

What experience do you think qualifies you to be a committee member?

Recently, I was appointed as Treasurer to the FBI Phoenix Citizens Academy (fbipcaaa.org). I am a Paradise Valley resident and have lived in Paradise Valley for over 40 years. I was fortunate to grow up living on Mummy Mountain and truly value the unique mountains that our residents and resort guests enjoy. I am an avid hiker and regularly observe the scenic beauty of our Town. I would be honored to provide my skills and experience as a volunteer to the community and look forward to opportunities where I can be of service.

I understand the commitment of serving as a volunteer. I am proud to have family members who have demonstrated that commitment by giving back and serving on PV Town Council, the Board of Adjustment and the Town Historical Committee.
