Subject: Support For Geoff Edmunds property development , Jarvis Property, Scottsdale Road

Dear Mayor and Council Members,

I live in Cheney Estates, my house faces the proposed new development, and I support the Edmunds project. I support it because there is no need for a general plan amendment and the alternative developments that have been proposed are too big and too noisy.

Thank you

Sincerely,

Dear Mayor Collins & Paradise Valley Town Council:

Recently, our board met to reaffirm our enthusiastic support of the effort to develop the acreage behind our community. I wanted to briefly explain why, and encourage your support too.

Some call the land the "Town Triangle" lending to its dubious history. Granted it is a strange property as it is the only one in Paradise Valley not accessed by a town street, backing up to Scottsdale Road.

In years past developments such as nursing homes and commercial uses have been proposed, forcing our 72 homeowners to often fight them back. But concerns remain. The proliferation of charter schools and the very liberal laws they enjoy in Arizona to basically do whatever they want, wherever they want is worrisome as this site would be an attractive one for such a school, located right off Scottsdale Road. And every week we read about other Paradise Valley neighborhoods contesting "sober homes," which federal law allows to liberally locate too.

Putting these undesired and potential uses to bed, for good, is our neighborhood's number one priority. Fortunately, this opportunity appears to be close at hand.

One of our own residents, Geoff Edmunds, is partnering with another Paradise Valley resident Rod Cullum, recently ranked the #1 custom home builder in the Valley by the Phoenix Business Journal, to put 8 homes on the 9.6 acres.

Since first announcing the plan the duo has increased the acreage to ensure less than one home to the overall acreage, eliminated the need for a General Plan Amendment and increased lot sizes at the request of the Planning Commission to reflect those in our Cheney Estates. This is good work toward a good result for our neighborhood, and the town.

For all of these reasons we hope you will stand by our 72 homeowners whose lives would be impacted were a development other than the residential one described be allowed. Sincerely,

The Cheney Estates Board of Directors

Dear Mayor & Council:

For many years our Cheney Estates neighborhood has faced undesirable development proposals that could have negatively impacted us. For-profit nursing homes, lighted tennis courts and baseball fields and other commercial proposals, have all tried to find a home on this unique 4-acre property, commonly known as the "Jarvis" parcel. It is the only one in Paradise Valley not accessed by any Town roads.

That's why I was pleased when one of our own Cheney Estates residents, Geoff Edmunds, partnering with Rod Cullum, found a great solution. Rather than amend the Town's General Plan, which the Mayor in particular said, would be inappropriate, additional acreage has been acquired since the plan was first proposed. This means the 8 homes called for previously on 4.5 acres is now proposed for 9.6 acres, or less than 1 home to the acre. A General Plan Amendment is no longer needed. And, lot sizes now approximate those in Cheney Estates, a change that was made at the recent request of some Planning Commissioners.

As a former member of the Paradise Valley Town Council I know patience can be a policy virtue. It certainly has been as it relates to this small, but important project making its way to you. For all of these reasons I hope the Town will stand by our nearly five-dozen homeowners who are hopeful of finally resolving the development of this parcel.

Sincerely,

Mary Hamway
Cheney Estates & Paradise Valley Resident
