TOWN OF PARADISE VALLEY
SPECIAL USE PERMIT FOR THE RITZ-CARLTON, PARADISE VALLEY
SUP-15-01**

I. PROJECT DESCRIPTION

Pursuant to Article XI of the Zoning Ordinance of the Town of Paradise Valley, Arizona (the “Town”), the Town hereby grants to Five Star Development Resort Communities, LLC, an Arizona limited liability company, its successors and assigns (collectively, the “Owner”), this Special Use Permit No. 15-01 (with these Stipulations, the “SUP”) governing the use the Property. All capitalized terms contained herein shall have the definitions set forth in this SUP.

The Property subject to this Special Use Permit is currently owned by the Owner and is comprised of approximately one hundred and five (105) acres located at the northeast corner of Mockingbird Lane and Lincoln Drive in the Town of Paradise Valley, Arizona, as more particularly described on Exhibit A to Ordinance No. 694.

This SUP is referred to throughout as “this SUP” to distinguish it from the prior Special Use Permit governing the use of the Property. The Town enacted Ordinance No. 603 relating to the prior Special Use Permit for the Property in April 2008. This Special Use Permit supersedes and replaces the prior Special Use Permit effective as of the Effective Date. This Special Use Permit is being granted by the Town to permit the development, construction, use and operation of the Property as a resort subject to and in accordance with these Stipulations and the 2015 Development Agreement.

1. As of the Effective Date, this Special Use Permit shall supersede and replace any and all prior Special Use Permits related to the Property. Unless and until the Effective Date, the prior Special Use Permit shall remain in effect.
2. This Special Use Permit touches and concerns the land and shall run with the land. Any person having or subsequently acquiring title to any portion of the Property shall be subject to this Special Use Permit, as it applies to the portion of the Property owned thereby and as it may be amended or superseded from time to time. Once an Owner no longer owns a portion of the Property, such prior Owner shall no longer be subject to this Special Use Permit (with respect to such portion of the Property no longer owned) and shall have no further obligations or liabilities hereunder, except that such prior Owner shall remain responsible for its own acts or omissions that resulted in a violation of this SUP during its period of ownership.

3. Development of the Resort shall be in substantial conformance with the Approved Plans and these Stipulations.
4. Lot coverage for the Property as a whole shall not exceed that noted in the Land Density Table in Page D-3 of the Approved Plans.
5. The use of the Property shall at all times conform to this Special Use Permit and all Applicable Laws, except that if there is a conflict between this Special Use Permit and any provision of the Town Code or Zoning Ordinance or other Town requirement, this Special Use Permit shall prevail, except when otherwise required for health, safety, or welfare reasons.
6. If any section, subsection, sentence, clause, or phrase of this Special Use Permit is for any reason held illegal, invalid, or unconstitutional by the final, non-appealable decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Special Use Permit. The Town and the Owner believe and intend that the provisions of this Special Use Permit are valid and enforceable. In the unlikely event that this Special Use Permit is declared by a court of competent jurisdiction to be invalid or unenforceable, the Principal Resort Hotel (if constructed and as then constructed) may continue to be used and operated as a legal non-conforming use in accordance with these Stipulations until such time as a special use permit or other applicable zoning for the Resort is reissued by the Town for the Property.
7. In the case of inconsistencies or conflicts between or among these Stipulations and the Approved Plans, these Stipulations shall govern. 11. The Town Manager's approval or determination is provided for in several instances in these Stipulations. The Town Manager shall base his approval on standards and criteria set forth in this SUP, the 2015 Development Agreement, the Town Code, and the Zoning Ordinance, as reasonably applicable, with the intent to implement the viable development of the Resort as provided in this SUP and the 2015 Development Agreement. Recognizing that the final design and building permit process for which any particular

approval of the Town Manager is sought involves multiple stages, including conceptual, schematic, design development and construction documents, an Owner may seek the approval of the Town Manager at one or more stages of such design. Notwithstanding the foregoing, no construction may occur with respect to any particular element or structure until necessary permits for that element or structure are issued. An Owner may rely upon an approval in proceeding from one stage of design to the next. Although the parties intend that this Special Use Permit, the 2015 Development Agreement, the Zoning Ordinance, and the Town Code state a consistent relationship between them, the parties agree that in the event of a conflict between these documents that the order of priority shall be the (1) Special Use Permit, (2) 2015 Development Agreement, (3) Zoning Ordinance, and (4) Town Code; the parties agree that the higher priority document shall control. If the 2015 Development Agreement is declared invalid or unenforceable in its entirety by a court of competent jurisdiction or if a bankruptcy court rejects the 2015 Development Agreement or approves a sale of the Property free and clear of the 2015 Development Agreement, or any portion thereof, then Sections 2.1, 2.2, and 2.3 of the 2015 Development Agreement (together with any exhibits and definitions referenced in those sections) shall be incorporated into this SUP by reference with the same force and effect as if fully set forth herein

12. If any portion of the property is used in violation of the terms of this Special Use Permit, the Town may, after: (1) fair notice; (2) a hearing; and (3) a reasonable opportunity to correct, impose a monetary sanction on the then Owner of such portion, in an amount not to exceed the maximum amount allowed for violations of the Town Zoning Ordinance for each day such violation exists, in addition to all other remedies, orders, or sanctions permitted by Applicable Laws, including, at the Town's election, injunctive relief. No such remedy shall be sought from any other Owner or portion of the Property that is not in violation of this Special Use Permit.
13. Unless otherwise stipulated in this Special Use Permit, amendments to this Special Use Permit shall follow the appropriate process outlined in Article XI, Special Uses and Additional Use Regulations, of the Town Zoning Ordinance, as amended.

As allowable in said Article 8-8, Special Use Permit properties are exempt from the Special Event permit review process provided that such exempted events are limited to the type of activities that are customary and incidental to the primary uses of this Special Use Permit and any temporary tents or pavilions comply with Stipulation 50.
 - b. Exemption from the Special Event permit review process does not exempt the Owner from any applicable required permit inspections related to public health, safety, and welfare by the Town, the State of Arizona, or other applicable jurisdiction. Town permit inspections are determined as follows:
 - i. A permit from the Town Fire Marshal, or designee, shall be required for any structure or tent having an area in excess of two hundred (200) square feet or a canopy in excess of four hundred (400) square feet.

The following provisions in this Stipulation 52 shall be set forth in easements and/or CC&Rs or other recorded instruments (which may include recorded plats or maps), to be recorded on (or otherwise encumber title to) the Resort or such part thereof for which such provision is germane. Such recordation shall occur concurrently with or prior to recordation of any applicable final plats or final maps as the case may be for a particular phase of development. As a condition to approval of a final plat(s) or final map(s), if such final plat or final map does not itself address the provisions in this Stipulation 52, then any necessary recorded instruments (other than the plat or map itself) shall be approved by the Town Manager; provided that, (i) the Town's review shall be limited to whether such recorded instrument satisfies the provisions in this Stipulation 52, and (ii) if the recording satisfies the provisions in this Stipulation 52, the Town's approval shall not be unreasonably withheld. Easements within any lot or parcel boundary will not affect setback measurements or determination of lot areas. Any lot within an Area can provide (by easement or otherwise) parking, drives, utilities, and signs for another lot within an Area, including lots owned by different Owners.
- a. Easements
 - i. Vehicular and pedestrian access easements providing access to public rights-of-way as reasonably determined by the Owner and benefiting all Owners within the Resort shall be dedicated and maintained. The adequacy of such easements shall be reasonably approved by the Town Manager.
 - ii. Utility and drainage easements shall be dedicated to the utility provider, the Town, and/or the Owner as the case may be, as reasonably determined by the Town Manager. Any such easement shall be maintained in accordance with applicable requirements of the utility or the Town, as applicable. Where required by law, such easements shall be shown on the final plats or final maps.
 - b. General Maintenance Rights and Responsibilities
 - i. The Resort may be developed in one or more phases as provided in the 2015 Development Agreement. A general infrastructure plan for each phase shall be formulated by each Owner which shall set forth common elements for roadways, utilities (including fire service), lighting, gates, landscape, walls and other elements for the use, benefit, enjoyment and safety of all of Owner's guests, employees and other invitees of the Resort. Some of such common elements

may benefit all phases of the Resort, while others may serve only one or more phases of the Resort.

- ii. A maintenance, repair, and replacement regime shall be formulated by Owner(s) and incorporated into one or more CC&Rs, which shall be a first priority lien (junior only to existing matters of record other than monetary liens and the 2015 Development Agreement) on the Resort or each particular phase, as the case may be. Said regime shall provide for governance through a master developer of the Resort or of a phase, or through an authorized or duly formulated association of certain, some, or all Owners of the Resort or phased parts thereof. Said regime shall set forth and contain the minimum following elements:
 - (a) All exterior portions of all structures and all roadways, parking areas, landscaping, walls, pools and lighting shall be kept and maintained in a first class condition, commensurate with a mixed use resort project serving multiple uses and Owners so that each part is benefited by the first class condition of each other part.
 - (b) Adequate and reasonable assessments shall be made of each Owner to reasonably fund estimated budgets for the maintenance, repair, replacement, and care of the completed Resort and/or each phase thereof.
 - (c) A governance mechanism to protect all Owners and insure the reasonable and adequate maintenance of all components of all phases of the Resort, including the power to access and enter upon the property of another for the purpose of enforcing the regime.
 - (d) Architectural guidelines to insure that the requirements of this Special Use Permit are adhered to in the initial and any redevelopment of the Resort. Such architectural guidelines may be administered through an Owner as master developer of the Resort or phase therein, a master association for the Resort, or an association for a particular phase as the case may be, it being the intention of the Town that the Resort be developed in a cohesive, cooperative and harmonious manner which adheres to the requirements of this Special Use Permit and such other requirements Owner may formulate from time to time.

c. 2015 Development Agreement Provisions

- i. A mechanism for the master association to perform obligations under the 2015 Development Agreement that are to be performed by an "Owners Association," as defined in the 2015 Development Agreement.
- ii. An acknowledgement applicable to the master association and all of the Owners of property governed by the master association that (i) they are bound by this SUP and the 2015 Development Agreement and (ii) an acknowledgement that this SUP and the 2015 Development Agreement constitute valid, binding and enforceable obligations, enforceable according to their terms.

iii. A release in favor of the Town as a third party beneficiary substantially in conformance with the "Five Star Release," as defined in the 2015 Development Agreement, applicable to the master association and all of the Owners of property governed by the master association.

53. The streets, drives, surface parking lots and common landscaping areas within the Property shall be constructed and maintained by the Owner. A covenant will be recorded on the Property and shall run with the land and shall be binding thereon (which may be set forth in CC&Rs) providing the Town with a right (but not the obligation) to perform repair of streets, drives, surface parking lots and common landscaping areas within the Property. In the event that the Town Manager finds, in his or her reasonable discretion, that the streets, drives, surface parking lots and common landscaping areas within the Property are not reasonably maintained, the Town may give the Owner of the affected area and the Owner(s) of all lot(s) or unit(s) within the Area a written notice to undertake appropriate maintenance to cure such condition. Notice pursuant to this Stipulation 53 shall be given by certified mail to an Owner to the address as shown on the records of the Maricopa County Assessor. If the condition remains uncured for sixty (60) days after notice thereof in writing is given by the Town, or if the condition is such that it cannot be reasonably corrected within sixty (60) days, the correction thereof not having been commenced and thereafter diligently prosecuted within sixty (60) days from receipt of such written notice, the Town may enter the Property and perform such work necessary to cure the condition. In connection with the foregoing work, the Town may assess the actual, reasonable costs and expenses related to such work against the Owner(s) of the lots/units within such Area on a pro rata, per lot/unit basis (based on gross square footage of all lots/units) and such Owner(s) shall remit payment to the Town within thirty (30) days after receipt of an invoice together with the reasonable supporting materials from the Town. If an Owner fails to remit its prorated payment within the thirty (30)-day period, the Town may file a lien against such Owner's lot/unit for any such unpaid amount due to the Town and enforce such lien as provided by and pursuant to Arizona law; provided that the Town shall, under any circumstances, be required to provide no less than thirty (30) additional days written notice to such Owner(s) prior to filing any lien pursuant to this Stipulation 53.

E. PARKING AND CIRCULATION

54. Parking shall meet or exceed the parking requirements set forth on in the parking study incorporated into the Approved Plans. Any change in use of the Resort that increases the parking demand over the parking requirements set forth in the parking study incorporated into the Approved Plans must be approved as a minor amendment to this Special Use Permit. The Owner shall submit a revised parking study which reflects the parking demands of the final Approved Plans within thirty (30) days of the Effective Date.
55. All contracts between the Resort Hotel Owner and any valet company or other parking company shall include an acknowledgment and agreement that such company shall not park any vehicles on public streets in the Town. Buses and other vehicles may be used to shuttle guests or employees to or from parking areas not located on the Resort, and between the Resort and other destinations (e.g., airport, shopping facilities, golf courses,

attractions, etc.). Any catering agreement between Resort Hotel Owner and any resident or guest booking events at the Resort shall include an acknowledgement and agreement that catering vehicles may not park on public streets in the Town.

56. Unlicensed support vehicles (i.e., golf carts, utility vehicles, etc.) may be used to transport guests and residents and provide services to any Area of the Resort, but shall not be used or parked on any public street.
57. All designated fire lanes shall maintain a vertical clearance of fourteen (14) feet above Finished Grade and a horizontal clearance of twenty (20) feet to allow passage of emergency vehicles, and must meet all current Arizona Department of Transportation standards. Emergency access points are only to be utilized for emergency vehicles; no deliveries or other use of emergency access points is allowed.
58. At any time when the parking demand within the Resort is expected to exceed onsite capacity, the Owners of the affected areas shall initiate a parking management plan, which may include valet parking or offsite parking arrangements (but not the use of parking on any public street within the Town).
59. All streets, drives, sidewalks, and paved areas constructed shall remain private; provided, however, that all new streets constructed shall be in compliance with Page D-12 of the Approved Plans and shall be of adequate width and design, as determined by the Town, to permit the provision of fire and police protection to the Property.
60. The eight (8) feet wide public trail located in the Open Space Corridor shall remain ungated and unobstructed at all times except as necessary for storm events and maintenance. The trail must meet Americans with Disabilities Act requirements.
61. Proposed guard gates and guardhouses shall be in the general locations shown on the Resort Wall Master Plan to be approved by the Town Manager and must meet the standards of the Special Use Permit Guidelines and the Zoning Ordinance in effect as of the Approval Date.
62. All proposed cul-de-sacs in Areas B and C shall have a right-of-way radius of not less than forty-five (45) feet with an improved traffic circle having a radius of not less than forty (40) feet.
63. No loading, truck parking, trash containers, or outdoor storage area shall be located within one hundred (100) feet of residentially zoned property outside of the Property's boundaries. All such areas shall provide visual and noise screening to minimize impacts on adjacent residential property.

F. MANAGEMENT

64. There shall be at least one person at the Resort at all times who has been thoroughly briefed on the provisions of this Special Use Permit and who has the authority to resolve all problems related to compliance with this Special Use Permit and compliance with the Town Code. All calls from Town residents to the Town or Resort regarding noise or

disturbances shall be referred to and addressed by such person(s). Maintenance of the Resort in general, and all common areas specifically, shall be coordinated through a single unified management entity, which may be the Owner of the Principal Resort Hotel or a master association of Owners.

65. At all times, the Property shall remain under unified management through a master association and shall be operated as an integrated resort facility. There may be sub-associations relating to specific Area(s) within the overall Property. Area E1 may be under a separate management company on behalf of the owners/landlord(s).

G. COMMUNITY OUTREACH

66. Subsequent to the approval of this Ordinance, the Owner shall implement the Community Outreach Plan set forth on Schedule 2.

H. PLAT AND MAP APPROVAL

67. Plat and map approval shall be processed in accordance with the terms of the 2015 Development Agreement.
