

POSSIBLE PREAMBLE

The 2017-2018 Mayor and Town Council recognize its work is built upon the outstanding accomplishments of those who have preceded them. The longstanding fundamental Town values of public safety, natural open space, limited government, neighborhood-compatible land use, world-class resorts and the constant desire to improve and protect the Paradise Valley quality of life, will always be forefront and assumed in this governing body's work and deliberations. The priorities below represent additional commitments or area of work to improve existing conditions and promote the aforementioned values.
