Re: Town Owned Land Discussion – Public Meeting January 26th at 6 PM

Dear Resident,

The Town Council has initiated a conversation on the disposition of Town owned property. If you are in receipt of this letter, you own property within 1,000 feet of a parcel under discussion and deliberation. There are a total of thirty six parcels throughout town, some of which will be considered.

On behalf of Mayor Collins and the Town Council, I would like to invite you to attend the January 26th Town Council meeting, starting at 6 PM, to hear a staff presentation and council discussion about all of the town owned parcels. Discussion will include possible municipal use, public use, and private use for each individual parcel as well as the process for disposing of town property, if necessary.

Please feel free to contact me if you have any questions.

Thank you!
