NOTICE: This working drawing package, project manual, an unpublished instrument of service of the authors, is for use on this Project only and is prepared for use in conjunction with the author's interpretations, observations, decisions and administration as described in AIA Doc. A201, without which desired results can not be assured. Alteration, reproduction, or use in part or in whole, for other purposes without the author's written consent may violate Act 17 U.S.C. part 301 (1991) (c).

As of 2025 this third copy or electronic drawing is an instrument of service and the property of the Tamimi Architects and shall remain their property. The design professional shall not be responsible for any alterations, modifications or additions made to this drawing by any party other than the design professional. Use of this drawing shall be limited to the original site for which it was prepared and publication thereof is expressly limited to such use, reuse or reproduction. Unless otherwise agreed in writing, design professional reserves all copyright or other proprietary interest in this drawing, and it may not be re-used for any other purpose without the design professional's written consent. Publication by any method in whole or part is prohibited without the written permission of the design professional. Any information contained or conclusions derived from this drawing shall be at the user's sole risk.
