AGENDA TITLE:

Discussion and Possible Action to Recognize 6107 N Invergordon Road as a Historic Property in the Town of Paradise Valley

RECOMMENDATION:

Approve the Historical Advisory Committee's recommendation to recognize 6107 N Invergordon Road as an historic property in the Town of Paradise Valley.

SUMMARY STATEMENT:

In 2018, the Town Council created the Historic Property Recognition Program (Program) to allow property owners to voluntarily apply to the Historical Advisory Committee to recognize buildings, structures, objects and designed landscape features within the Town of Paradise Valley that are:

- 1) At least 50 years old; OR
- 2) Represents an important part of the history or architecture of the Town under one of the following areas:
 - a) **Events/Trends.** The property must be associated with an event or pattern of events that made a significant contribution to the history of the nation, the state or the Town.
 - b) **Persons.** The property must be associated with the life of a person who was significant in the history of the nation, the state, or the Town.
 - c) **Architecture.** The property must embody the distinctive characteristics of a type, period, or method of construction; represent the work of a master (architect, designer, engineer, or builder); possess high artistic values; or be a source of civic pride or identity for the Town.

This is a voluntary program and does not impose any new regulations or future development restrictions on the recognized properties.

Mark Schneider and Pastor Keith DeLaet submitted Calvary Church of the Valley located 6107 N Invergordon Road for consideration. The original structures on the property were built in the mid-1930s and became home to the Desert Lodge. In 1969 it

was purchased by Calvary Church of the Valley. The Historical Advisory Committee's full review of the property and its recommendation to receive the Program designation is attached as Exhibit B.

Following the Town Council's approval to add 6107 N Invergordon Road to the list of historic properties in Town, the owners will receive an official proclamation and a bronze plaque to mount on the property. In addition, a picture along with a historical summary of the property will appear on the Historical Advisory Committee's recognition program webpage.
