REZONING YES _____ NO X

Project Narrative

Ironwood Lot Split

The proposed lot split is to divide the Lot 48 of "Mummy Mountain Park VIII, Book 57, Page 1 M.C.R., into two lots with Lot 48A having an area of 1.000 acres (43,560 S.F.) and Lot 48B having an area of 1.251 acres (54,481 S.F.) for a total area of 2.251 acres (98,041 S.F.)

The proposed lots will have domestic water service provided by the City of Phoenix water system via existing 12' water mains in Northern Avenue and Ironwood Drive.

The proposed lots will have sanitary sewer service provided via an 8" Town of Paradise Valley gravity sewer to be constructed in both Northern Avenue and Ironwood Drive.

The existing paving in both Northern Avenue and Ironwood Drive will be improved to Town standards with ribbon curb.

The wash, as it presently exists, was rerouted with the construction of the original dwelling unit and tennis court (both which have since been demolished).

The lot is to be regraded and the wash is to be returned to its original location and alignment and a drainage easement is to be recorded to permanently establish same.

Those portions of the existing perimeter wall which encroach into the front yard setback, the side yard setback or the drainage easement will be removed.

All of the dry utilities required to provide service to the proposed lot exist underground.

A form of financial security, acceptable to the Town, will be posted for all work to be in the public right-of-way performed.
