Location: Lot 68, Camelback Lands as recorded in Book 31 of Maps, Page 26, M.C.R. Situated in the SW $\frac{1}{4}$ of Section 15, Township 2 North, Range 4 East, of the Gila and Salt River Meridian, Town Of Paradise Valley, County of Maricopa, State of Arizona.

Re: Lot Split

To Whom It May Concern:

We are requesting to split this 2.25 acre lot into 2. The existing home, tennis court and fence will be removed as not to create any non-conforming. The newly form lots will be on the new sewer line that is proposed along with half street improvement will also be done. A fire flow test is going to be provided prior to the recording of the lot split.

Thanks,
