Subject: Continuance Request / 7941 N 55th Street / UR Projects Variance

External email: use caution with links & attachments

Good morning. This is written to request that the Board of Adjustment hearing currently set for February 1, 2023, be continued to March 1, 2023. We are continuing to refine the plans for this very difficult lot to eliminate many of the variance requests.

Thank you for your consideration.
