

TOWN OF PARADISE VALLEY

Amending the Terms of Committees, Commissions, & Boards

September 8, 2016

Policy Question

- Should the terms of committees, commissions, & boards which currently begin October 1 be changed to April 1 to better coincide with Mayor/Council terms of office?

Background

- Prior to 2014, the council took office in June
- Committee recruitment was done over the summer and appointments were made in September.

Advantages to New Timeline

- Newly elected council has time to take office, hold a policy and goal retreat, and assess applicants' strengths to help achieve policy goals
- Spring application process may generate more interest than the current July/August process

Committees Impacted

- Arts Advisory Committee
- Board of Adjustment
- Hillside Building Committee
- Historical Advisory Committee
- Personnel Appeals Board
- Planning Commission
- Public Safety Personnel Retirement Board

Not Impacted

- Municipal Court Judges
- Mummy Mountain Preserve Trust
- Municipal Property Corporation
