Subject: Casa Blanca Gate Change

Good Afternoon George,

Since I will be unable to attend the public hearing on September 6 regarding the addition of an egress gate for Casa Blanca Estates, I wanted to take a moment to express my support. As a resident in the community with 2 teenage drivers, it is not uncommon to leave our community and turn onto Casa Blanca Drive with many pedestrians, bicycles or both present. It certainly feels to me like the requirement to have everyone exiting the community come to a complete stop will only increase the safety of the community exit.

Please let me know if you have any questions, but I am in support of the SUP amendment change that is required to install the egress gate.

Sincerely,

Drew Smith
