

*Improvements For An Even Better
Educational Experience*

Paradise Valley Town Council Hearing
May 28, 2026

***PCDS listened to
neighbor comments
and totally redesigned
the project***

Development of Wellness Center with locker rooms and work out area and concessions

✓ **Internal to Campus**

✓ **Exclusively for Student and Teacher use**

Located
Behind
Classroom
Buildings
and Music
Building

Existing Baseball Field being updated

✓ **NO Lights! (removed lights after neighbor comments)**

An aerial photograph of a baseball field. The field is green with a reddish-brown infield. To the right of the field is a large, multi-story white building with a red roof. In the foreground, there is a parking lot with several cars and a small structure. The background shows more buildings and trees.

Existing Baseball Field being updated

✓ **NO Lights!** (removed lights after neighbor comments)

✓ **NO additional sound** (moved soccer back to wash after neighbor comments)

An aerial photograph of a baseball field. The field is green with a reddish-brown infield. To the right of the field are several large, multi-story buildings with white and red roofs. To the left, there is a parking lot with a few cars and a small structure. The text is overlaid on the image.

Updated Field

Replacing 12x6 aluminum poles with paper banners tied to them with internal digital signs

- ✓ Signs will be internal to parking lots and angled towards parents in drop off/pick up line

Replacing 12x6 aluminum poles with paper banners tied to them with internal digital signs

- ✓ Signs will be internal to parking lots and angled towards parents in drop off/pick up line
- ✓ No interest in signs being seen off campus

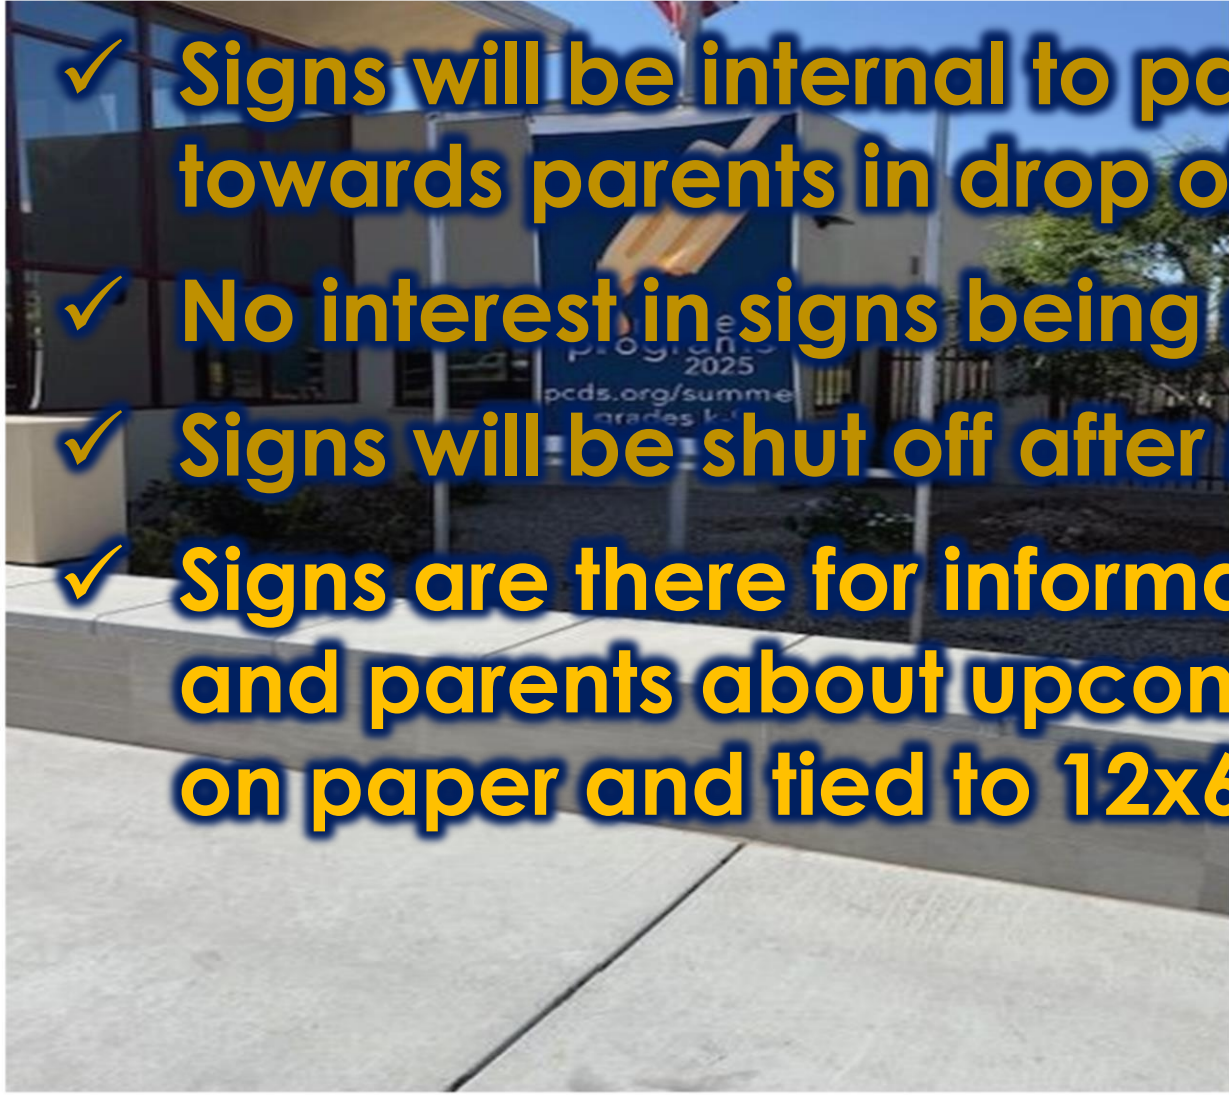

Replacing 12x6 aluminum poles with paper banners tied to them with internal digital signs

- ✓ Signs will be internal to parking lots and angled towards parents in drop off/pick up line
- ✓ No interest in signs being seen off campus
- ✓ Signs will be shut off after school events

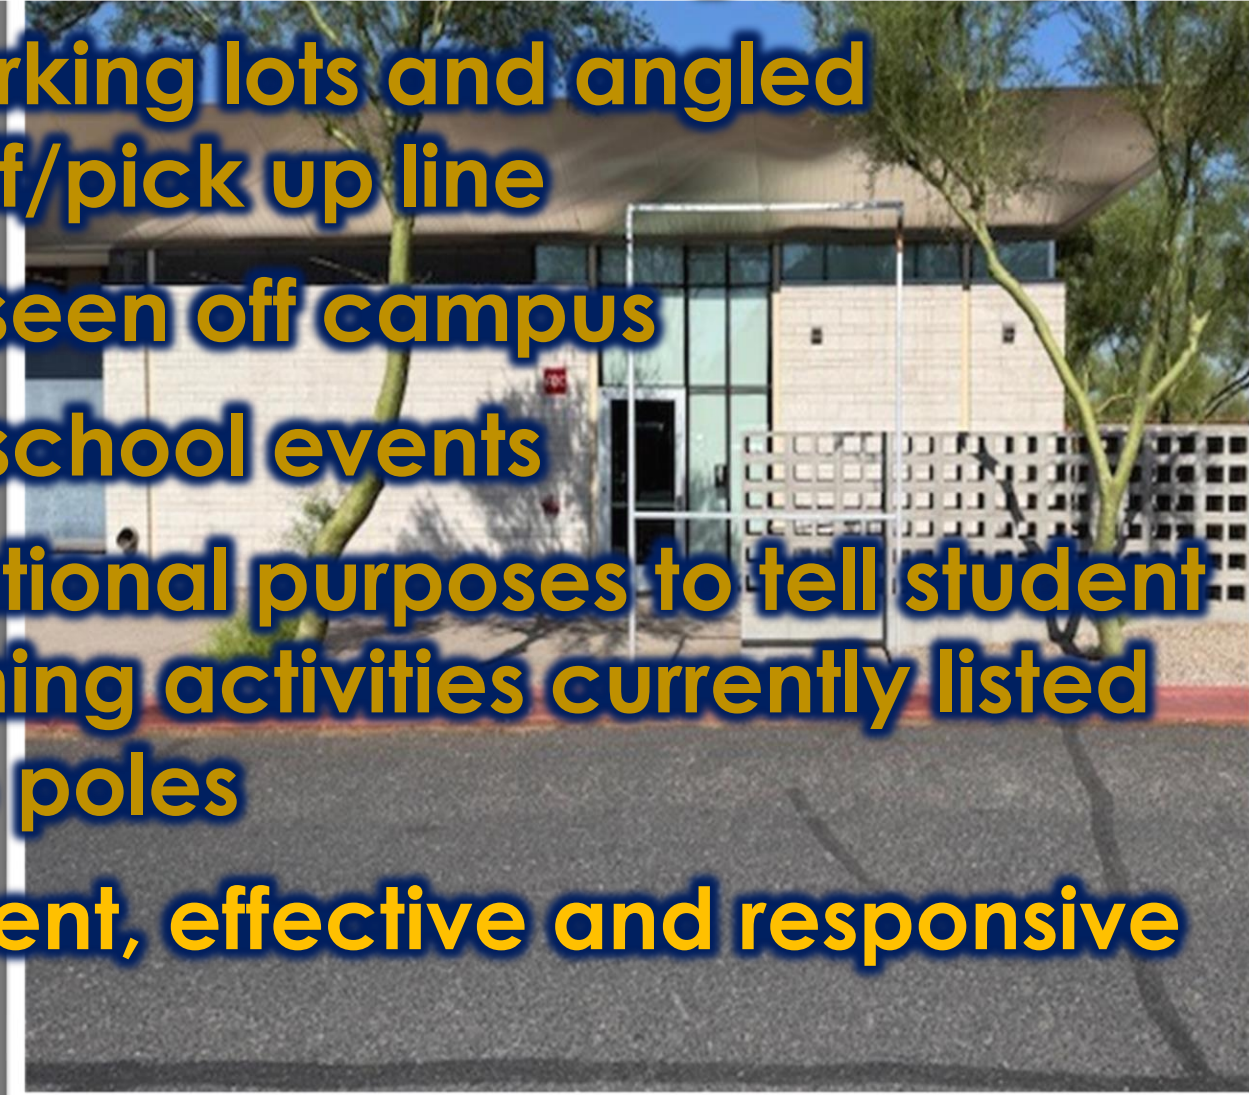

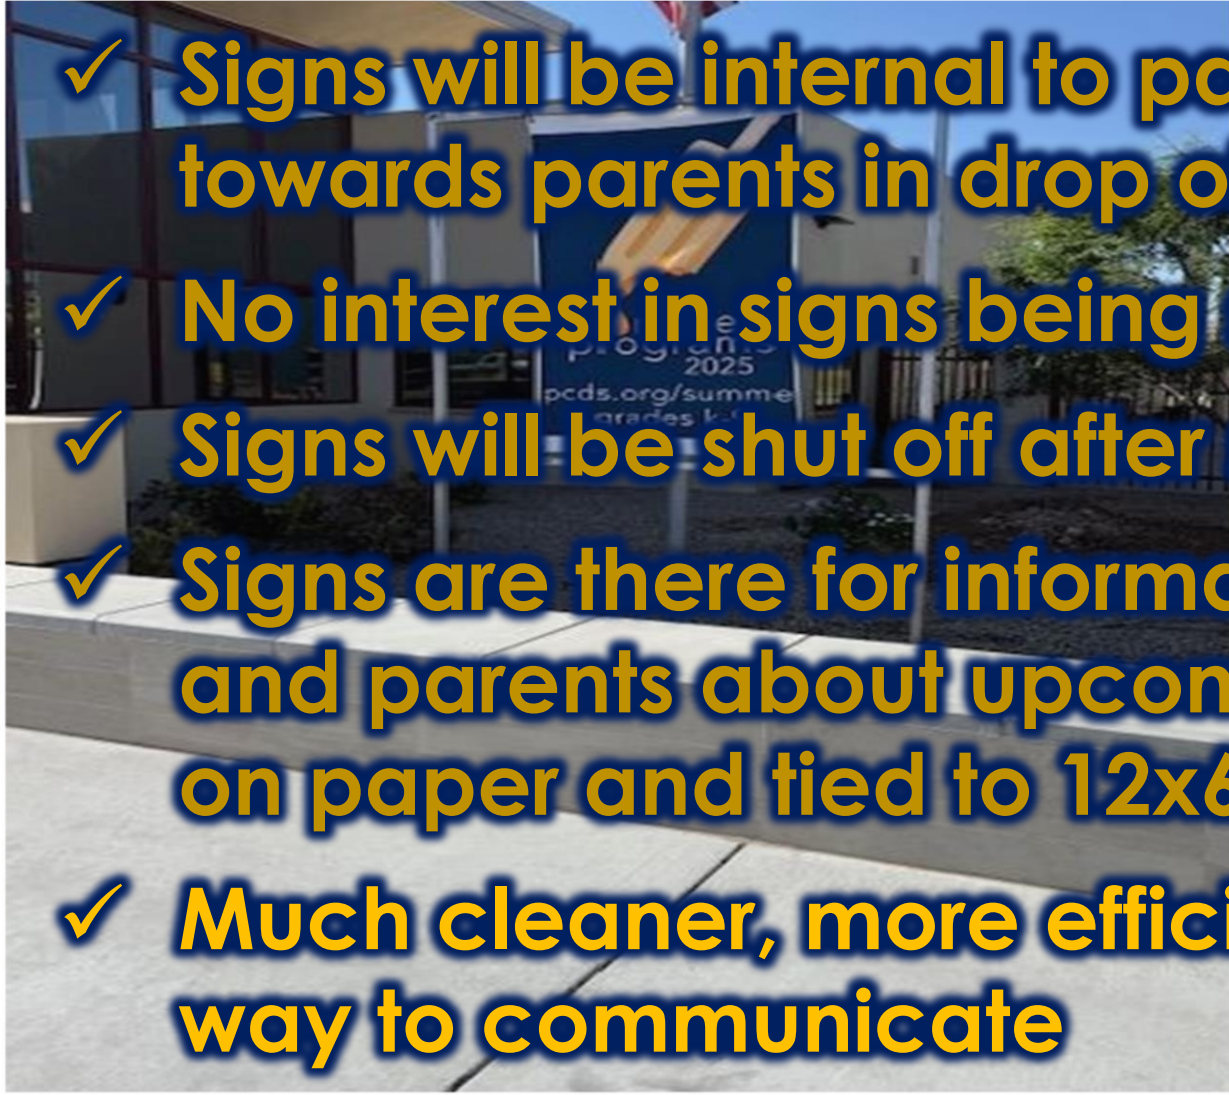

Replacing 12x6 aluminum poles with paper banners tied to them with internal digital signs

- ✓ Signs will be internal to parking lots and angled towards parents in drop off/pick up line
- ✓ No interest in signs being seen off campus
- ✓ Signs will be shut off after school events
- ✓ Signs are there for informational purposes to tell student and parents about upcoming activities currently listed on paper and tied to 12x6 poles

Replacing 12x6 aluminum poles with paper banners tied to them with internal digital signs

- ✓ Signs will be internal to parking lots and angled towards parents in drop off/pick up line
- ✓ No interest in signs being seen off campus
- ✓ Signs will be shut off after school events
- ✓ Signs are there for informational purposes to tell student and parents about upcoming activities currently listed on paper and tied to 12x6 poles
- ✓ Much cleaner, more efficient, effective and responsive way to communicate
