

INTERGOVERNMENTAL AGREEMENT

BETWEEN
THE STATE OF ARIZONA
AND
THE TOWN OF PARADISE VALLEY

THIS AGREEMENT is entered into April 6 2004, pursuant to Arizona Revised Statutes, Sections 11-951 through 11-954, as amended, between the STATE OF ARIZONA, acting by and through its DEPARTMENT OF TRANSPORTATION (the "State") and THE TOWN OF PARADISE VALLEY acting by and through its MAYOR and TOWN COUNCIL (the "Town").

I. RECITALS

1. The State is empowered by Arizona Revised Statutes Section 28-401 to enter into this agreement and has delegated to the undersigned the authority to execute this agreement on behalf of the State.

2. The Town is empowered by Arizona Revised Statutes Section 48-572 to enter into this agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this agreement and has authorized the undersigned to execute this agreement on behalf of the Town.

3. Congress has authorized appropriations for, but not limited to, the construction of streets and primary, feeder and farm-to-market roads; the replacement of bridges; the elimination of roadside obstacles; and the application of pavement markings.

4. Such project within the boundary of the Town has been selected by the Town and has been submitted to the Federal Highway Administration ("FHWA") for its approval.

5. The only interest of the State in the project is in the acquisition of federal funds for the use and benefit of the Town by reason of federal law and regulations under which funds for the project are authorized to be expended.

6. The Town, in order to obtain federal funds for the construction of the project, is willing to provide Town funds to match federal funds in the ratio required or as finally fixed and determined by the Town and FHWA.

II. SCOPE OF WORK

1. The State will:

a. Submit a program containing the aforementioned project to FHWA with the recommendation that it be approved for construction.

b. Hereby agree to be authorized agent for the Town, and with the aid and consent of the Town and the FHWA, proceed to advertise for, receive and open bids, and subject to the concurrence of the Town and the FHWA, enter into a contract with a firm on behalf of the Town to whom the award is made for the construction of the project. Such project to be performed, completed, accepted and paid for in accordance with the instructions and requirements of the Town and the Standard Specifications for Road and Bridge Construction of the Arizona Department of Transportation. The State will enter into a Project Agreement with FHWA covering the work embraced in said construction contract and will request the maximum federal funds available, including construction engineering and administration costs. Should costs exceed the maximum federal funds available, it is understood and agreed that the Town will be responsible for any overage.

2. The Town will:

a. If such project is approved for construction by FHWA and the funds are available for construction, the Town will and does hereby designate the State as authorized agent for the Town.

b. Provide any required preliminary engineering and planning studies, the environmental analysis and design of the project. As required by the FHWA, the State will provide design review of the project plans, studies and related documents. And when appropriate provide comments which will be incorporated into the design documents.

c. Prior to the solicitation of bids, deposit funds in the amount determined to be necessary to match federal funds in the ratio required.

d. Should unforeseen conditions or circumstances increase the cost of said work required by a change in the extent or scope of the work called for in this agreement be obligated to incur and will pay for said increased costs.

e. Acquire, the necessary right-of-way and hereby certifies that all necessary rights-of-way have been or will be acquired prior to advertisement for bid.

f. Remove from the proposed right-of-way all obstructions or unauthorized encroachments of whatever nature, either above or below the surface of the roadway, and hereby certifies that all obstructions and encroachments have been or will be removed, prior to the start of construction.

g. Not permit or allow any encroachments, except those authorized by permit, upon, or private use of, the right of way. In the event of any unauthorized encroachment or improper use, the Town shall take all necessary steps to remove or prevent any such encroachment or use.

h. Upon completion of construction, provide for, at its own costs and as an annual item in its budget, proper maintenance, including, but not limited to, signs, and markings necessary for the purpose of regulating, warning and guiding traffic, all in accordance with the requirements of the current edition of the Manual on Uniform Traffic Control Devices for Streets and Highways.

i. Mark and sign school crossings and railway-highway grade crossings in accordance with the requirements of the current edition of the Manual on Uniform Traffic Control Devices for Streets and Highways.

j. By such regulation as it may by ordinance provide, regulate parking and not permit vehicles to be left on the street in any manner other than at and parallel with the curb and to restrict parking so as to prevent conflicts with moving traffic at intersections and at such other locations as necessary.

III. MISCELLANEOUS PROVISIONS

1. The State assumes no financial obligation or liability under this agreement. The Town assumes full responsibility for the design, plans and specifications, reports, the engineering in connection therewith, and the construction of the improvements contemplated, cost over-runs and construction claims. It is understood and agreed that any damages arising from carrying out, in any respect, the terms of this agreement or any modification thereof, shall be solely the liability of the Town and that the Town hereby agrees to save and hold harmless and indemnify from loss the State, any of its departments, agencies, officers or employees from any and all cost and/or damage incurred by any of the above and from any other damage to any person or property whatsoever, which is caused by any activity, condition, or event arising out of the performance or nonperformance of any provisions of this agreement by the State, any of its departments, agencies, officers and employees, the Town, any of its agents, officers and employees, or any of its independent contractors. Costs incurred by the State, any of its departments, agencies, officers or employees shall include in the event of any action, court costs, expenses of litigation or attorneys' fees.

2. The cost of the construction and construction engineering work covered by this agreement is to be borne by FHWA and Town, each in the proportion prescribed or as fixed and determined by the State, the Town and the FHWA as stipulated in this agreement. Therefore, Town agrees to furnish and provide the difference between the total cost of the work provided for in this agreement and the amount of federal aid received.

3. This agreement shall remain in force and effect until completion of the work; provided, however, that any provisions in this agreement for maintenance shall be perpetual, unless assumed by another governmental entity.

4. This agreement shall become effective upon filing with the Secretary of State.

5. This agreement may be cancelled in accordance with Arizona Revised Statutes Section 38-511.

6. The provisions of Arizona Revised Statutes Section 35-214 are applicable to this contract.

7. This agreement is subject to all applicable provisions of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101-12213) and all applicable federal regulations under the Act, including 28 CFR Parts 35 and 36. The parties to this agreement shall comply with Executive Order Number 99-4 issued by the Governor of the State of Arizona and incorporated herein by reference regarding "Non-Discrimination".

8. Non-Availability of Funds: Every payment obligation of the State under this contract is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. If funds are not allocated and available for the continuance of this contract, this contract may be terminated by the State at the end of the period for which the funds are available. No liability shall accrue to the State in the event this provision is exercised, and the State shall not be obligated or liable for any future payments or for any damages as a result of termination under this paragraph.

9. In the event of any controversy, which may arise out of this agreement, the parties hereto agree to abide by required arbitration as is set forth for public works contracts in Arizona Revised Statutes Section 12-1518.

10. All notices or demands upon any party to this agreement shall be in writing and shall be delivered in person or sent by mail addressed as follows:
