05/10/2016	Gordon McQuire	Resides on Indian Bend Road across from site. Staff explained the plat process, including that it is necessary to approve new plats for the various areas approved in the SUP.
05/16/2016	Dr. Borhan	E-mail inquiring about the nature of the application request. Explained that plats are the next step to realize the Special Use Permit (SUP) approval. There will be several plat applications and notices to neighbors within 1,000 feet of the Ritz site as these various plat applications get filed. The plats are necessary to divide the lots for the villas and attached residences so these homes can be sold. Plats are administrative in nature and cannot change the SUP approval (e.g., uses, setbacks, height, etc.).
05/17/2016	Robert Rasmussen	Suggested to expand the 1,000' mailing notification
