ARTICLE 11-7 RESIDENTIAL PERMIT PARKING

11-7-1 Designation of Residential Permit Parking Area

The Town Manager may designate, subject to Town Council approval, a residential area or areas consisting of streets or portions of streets on which the parking of motor vehicles may be restricted in whole or in part to motor vehicles bearing a valid parking permit issued pursuant to these provisions.

11-7-2 Eligibility of Residential Areas of Designation

A residential area shall be deemed eligible for designation for residential permit parking where the Police Chief finds that a preponderance of the residents in a particular area are impacted on a regular basis by illegally parked vehicles owned by non-residents.

11-7-3 Issuance of Permits; Signing; Exemptions

Following Town Council approval of a residential permit parking area, the Police Chief shall provide for issuance of permits and cause parking signs to be erected in the area indicating times and conditions under which parking shall be by permit only. A permit shall be issued upon application and payment of the applicable fee only to an owner of property immediately adjacent to a street within the residential permit parking area. Each permit is the property of the Town and shall be assigned to a single residence with a limit of three parking permits per residence. Permits

shall be issued to only the owner of the residence on the “permit parking only” street. Permits may be used by guests of the residence, but not be sold, rented or transferred. Resident permits would be valid for 12 months from date of issue. This Article exempts service and delivery vehicles while parked for the purpose of providing service or delivery in the residential parking permit area. Those vehicles must be clearly identified with company name.

11-7-4 Fees

The Town Manager is authorized to establish, with Town Council approval, an annual residential parking fee to cover the administrative costs of permits issued pursuant to these provisions.

11-7-5 Administrative Guidelines

The residential permit parking process will take effect in the manner permitted by law, and shall be reviewed by the Council one year after implementation and automatically sunset on July 1, 2017 unless otherwise extended by the Town Council.

Section 2. If any section, subsection, sentence, clause, phrase or portion of this ordinance or any part of these amendments to the Town Code adopted herein by reference is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions thereof.
