

## Volunteer Opportunities

### TOWN OF PARADISE VALLEY COMMITTEE VOLUNTEER APPLICATION FORM

Thank you for your interest in volunteering with the Town. Appointments to committees, commissions, and boards are made in late March of each year and terms begin April 1. Applications are accepted throughout the year. The deadline to be considered for appointment is January 30. Applications received after that time will be kept on file and may be considered for mid-term vacancies. It is not necessary to list a committee preference. During the interview with the Mayor and Council, consideration will be given to the applicant's background, skills, and interests to assist in determining the best fit.

Please provide the following background information.

Name*	John Goldsberry
Address*	E Arabian Way
Email*	
Home Phone	
Employer	Board director and audit committee chair of Sanmina Corporation
Occupation	Retired chief financial officer
Business Phone	
Cell Phone	
Number of years as PV resident	11 years
Professional experience highlights	

I have been chief financial officer of both large and small, private and public companies for the past 26 years (see resume). I retired in 2018 but continue to be a board director and audit committee chair of a large public corporation (Sanmina Corporation). As such I am an experienced corporate financial executive, familiar with audit issues, financial systems, budgeting, financial planning and financial management of corporations. I also am familiar with how ESG issues (environmental, social and governance issues) are becoming more important in the corporate governance world.

What experience do you think qualifies you to be a committee member?

I do not have experience working in the public sector, but wonder if some of my CFO experience with corporations in the private sector might be helpful to the Town. I am familiar with audit issues, financial systems, budgeting, financial planning, financial management issues and ESG issues in the corporate context.

I also have public board experience and understand that being a board member is different than being a member of management of either a corporation or a government entity.

I am interested in discussing where my background might benefit the Town. I have looked at the committees, but don't want to presume too much about where my corporate experience would be helpful or of interest to the Town.

Community Activities

Until I retired in 2018, I traveled constantly and was not in a position to engage in community activities. Now that I am retired, I am interested in exploring whether I can serve a productive role in support of the Town.

Information on each of the committees including summaries, annual reports, and meeting minutes are located on the Boards & Commissions page.
