b) **SUBSTANCE OF EACH BUSINESS ITEM.** Each matter on the Order of Business shall be conducted in the manner and for the purposes noted.

- 1) Call to Order/Roll Call – The Mayor shall announce that the Council Meeting is called to order. The Town Clerk shall call the names of each sitting Council Member and note their attendance in the minutes.
- 2) Study Session Items – Matters listed as study session items are matters where the intent is to inform the Town Council about issues which are facing the Town for which formal action may be required in the future. Formal action cannot be taken during the study session. However, the Town Council can direct staff to prepare an item for consideration at a future Town Council meeting. New ordinances, new special use permits, new statements of direction, and preliminary plats shall be reviewed as a study session item prior to consideration for adoption. A motion to suspend the rules is required to consider any ordinance, new special use permit, new statement of direction, or preliminary plat which has not been discussed in study session at least one meeting in advance of its adoption.
- 3) Executive Session – A closed session of the Council to be held only for those limited purposes allowed to be discussed in closed session pursuant to state statutes.

- 6) Roll Call – The Town Clerk shall call the names of each sitting Council Member and note attendance for the main business meeting.

- 9) Call to the Public – An opportunity for residents to address the Council on matters not on the agenda. The Council may not discuss or take action on any matters raised, but may respond to criticism, ask staff to review the matter, or ask that it be placed on a future agenda.
- 10) Consent Agenda - The consent agenda matters are routine and may be adopted by one motion. There will be no discussion of separate items, unless Members of the Town Council, staff, or the public request that a specific item be discussed or removed from the consent agenda for individual consideration. No ordinance or expenditure authorization request in excess of \$250,000 shall be placed on the consent agenda. Resolutions or expenditure requests for a lesser amount may be placed on either the consent agenda or as action items. Plats, whether preliminary or final, and lots splits may be placed on the consent agenda, provided that the plat or lot split recommendation from the Planning Commission was unanimous, the Town staff supports the approval, and there is no known neighbor or other objection to the approval.

- 11) Public Hearings – Public Hearings shall be held for all business matters where state statutes require a public hearing prior to action, such as annexations, rezonings of property, wastewater rate increases, and other such matters. Specific procedures for public hearings shall comply with the provisions of Section XV.

Any member of the Council may move to have the Town Manager add a new agenda item to a future agenda. Upon the concurrence of two more Members, which may include the Mayor, the item shall be added to the pre-business meeting study session no later than two meetings from the meeting in which the agenda item was requested and confirmed by at least three total Members of Council. In the event that the Town Manager determines such a future agenda item request should be moved to a later date due to the need for the Council to address more critical agenda items, the Town Manager needs the approval of the three Council Members who requested the item in order to move the item to a later Council meeting date, but only to the next scheduled Council Meeting date. Discussion on the added future agenda item shall not exceed 60 minutes during the study session. Any discussion on the motion to add a future agenda item shall be limited to the propriety of placing such item on a future agenda and not on the merits of such agenda item. Staff support associated with a newly requested item by three Members of Council shall be limited to two hours for the initial agenda topic. Provided four or more Members wish to continue work on the agenda topic beyond the first study session, all appropriate staff may be dedicated to the topic as determined by the Town Manager. Although requests are to be formally made at a Council Meeting to add a new agenda item to a future agenda, nothing bars a Member of Council from making a request outside of a Council Meeting to the Mayor or Town Manager that they would like to see an item added to a future agenda.
- 14) Comments from the Mayor, Manager and Council Members – A short time period where the Mayor, Manager and Council Members may present a brief summary of current events. The Town Council is not allowed to propose, discuss, deliberate or take action at the meeting on any matter in the summary, unless the specific matter is otherwise separately and properly noticed for legal action.
- 15) Adjournment – A motion, second and a vote is required before adjournment. If the Town Council desires to adjourn at a later time, the Council must pass a motion specifying the date and time to which the regular meeting is being adjourned.
