**18-362 Discussion of Draft Ordinance No. 2018-16, a Proposed
Amendment to Article XVI, Home Occupation; Section 1603, of the
Town Zoning Ordinance**

Town Attorney Andrew Miller presented draft Ordinance 2018-16 to address complaints about parking on non-driveway surfaces at home occupations. The ordinance seeks to remedy the aesthetic problems and general nuisance issues created by such parking.

Responding to a question from Council, Planning Commission Chair Daran Wastchak stated that the only public comment received at the Planning Commission was from a resident who asked for confirmation that the ordinance only applied to home occupations.

Mr. Miller stated that short-term residential property rental is considered a home occupation and that the ordinance would apply. He clarified that enforcement would follow the standard civil complaint process in Town Code.

There was Council consensus to schedule the ordinance as drafted for a vote on October 25th.

**18-361 Discussion and Direction Regarding SUP Managerial Amendment
Process**

Mr. Miller presented potential changes to the Special Use Permit section of the Code related to the Managerial Amendment process. It was noted by some Council Members that there is currently no appeal process for Managerial Amendments.

There was Council consensus to bring back a draft ordinance that included the following elements:

- Better define Section 1102.7(A)(4)
- Approved Managerial Amendments must be forwarded to the Town Council
- If three Council Members provide a written request to the Town Manager to review an amendment it shall be scheduled for discussion at the next Council Meeting.

**18-360 Discussion of Amendments to the Hillside Development
Regulations in Article XXII of the Zoning Ordinance; Draft
Ordinance 2018-15**

Mr. Miller presented draft Ordinance 2018-15 which makes the following minor changes to Zoning Article XXII Hillside Development Regulations:

1. Update certain definitions
2. Adds a pre-application submittal requirement
3. Provides for expiration of Hillside applications
4. Clarifies language related to requests to remove a property from hillside designation

There was Council consensus to change the term 'Concept Plan Review' to 'Concept Plan Presentation' as the word 'review' might be misinterpreted to be dispositive.

Mr. Miller stated that the ordinance would be scheduled for a public hearing on October 25th.

18-356 Visually Significant Corridors Master Plan Discussion #1

Community Development Director Jeremy Knapp provided a broad overview of the Visually Significant Master Plan. Preparation of the Plan was both an implementation measure of the 2012 General Plan and a Town Council Quality of Life initiative.

He described each of the five sections of the plan, the Planning Commission's favorable recommendation, and the public input process.

John Griffin with Environmental Planning Group (EPG), the firm retained to develop the Plan, commented on the public outreach efforts.

The Council offered their initial feedback on the Plan. Concerns were expressed about: the design treatment and possible rest and reflection areas at the intersection of Lincoln Dr and Tatum Blvd; how this would financially impact private property owners adjoining the corridors; and if the Plan was meant to be a set of design guidelines or requirements.

The Council requested additional information on how the Plan would be implemented and if the Police Department and/or Engineering Department have any traffic safety concerns related to any of the designs. A suggestion was also made to include only snout weevil-resistant agave in the landscaping section.

Mr. Knapp stated that there would be an opportunity for the Council to discuss the Plan in greater detail at the next meeting.

A motion was made by Council Member Moore, seconded by Council Member Dembow, to go into executive session at 4:35 PM for discussion or consultation with the Town Attorney to consider the Town's position regarding Development Agreement negotiations related to the Smoke Tree Resort and Lincoln Medical Plaza as authorized by A.R.S. §38 431.03(A)(4) and/or legal advice regarding Special Use Permit zoning as authorized by A.R.S. §38 431.03(A)(3.)
