Professional experience highlights

My Professional experience is focused in Sales and Mortgage Finance. For the past 10 years I have worked as a loan officer for mortgage bankers. Prior to that I handled the State and Government bids for a national service provider and was the regional sales manager for a communications company.

What experience do you think qualifies you to be a committee member?

I believe my 16 years within the community and my understanding of unique concerns such as hillside hiker actives, privacy, and security would be a great asset as a committee member. I have great respect for law enforcement and the services they provide. My grandfather was a Tucson Sheriff's deputy, my brother is a police officer with San Diego Harbor Police with a k-9 unit, and my sister in-law is a Federal officer with Homeland Security.

Community Activities

I am very active within Stone Canyon and have been involved in supporting preservation of the north side of Camelback Mountain. I have also worked to get signatures for Julie Pace to be on the ballot for Town Council. I have meet with the town police and the county parks department about trail markings and off trail hiker activities. I am also involved with 7 HOA's and I am on the Design Review Committee for Carefree Ranch Homesteads.
