AGENDA TITLE:
Proclaim September 2025 as Ovarian Cancer Awareness Month

RECOMMENDATION:
Proclaim September 2025 Ovarian Cancer Awareness Month

SUMMARY STATEMENT:

According to the American Association for Cancer Research, ovarian cancer is rare but because it often goes undiagnosed and untreated, the survival rate is low. It is the fifth leading cause of cancer-related death among American women.

To honor survivors and promote awareness about this disease, Mayor Stanton will proclaim September 2025 as Ovarian Cancer Awareness Month in Paradise Valley.
