AGENDA TITLE:

Discussion and Direction to Staff Regarding Request to Revert the Rules & Procedures Regarding Future Agenda Items on the Council Agenda back to the March 2012 Code.

SUMMARY STATEMENT:

The Rules and Procedures of the Council Agenda were amended on November 16, 2017. The Mayor has requested the Code revert back to the March, 2012 Code where the Council majority would be required to put an item on a Future Agenda.

BACKGROUND:

The Rules and Procedures for the Council Agenda have been amended over the years, with the last amendment five years ago on November 16, 2017. Prior to that amendment, the Council amended this section of their Rules and Procedures regarding placement of items on the agenda approximately five years prior, on March 22, 2012.

The amendments fall around the policy question of whether three or a simple majority of four Council members should be needed to place an item on a future agenda. This section of the Rules and Procedures has not been used to place an item on the agenda over the last four years.

BUDGETARY IMPACT:

None.

RECOMMENDATION:

Provide direction to staff.
