

An aerial map of a residential area. A large yellow-shaded polygon represents a specific property or development. Within this yellow area, a smaller, irregularly shaped lot is outlined in cyan. A red star is placed in the center of this cyan-outlined lot. A red arrow originates from the upper right corner of the map and points directly to the red star. The map shows surrounding streets: 'E MCDONALD DR' runs horizontally across the top, 'N SUPERSTITION LN' runs vertically along the left side of the yellow area, and 'N DRAGON LN' runs diagonally along the right side. Various house numbers are visible along these streets, such as 5615, 5798, 5804, 5818, 5840, 5888, 5898, 5886, 5885, 5874, and 5701. Other residential lots and buildings are visible in the background.
