- A. [17-315](#) Consideration of Ordinance No. 2016-13
A Text Amendment to amend Article II, Definitions, and Article IX, Cluster
Plan District, of the Town's Zoning Ordinance
(MI-16-03, The Villas at Cheney Estates - Town Triangle)
Paul Michaud presented the request in accordance with the application
packet.

Mr. Michaud discussed the updated plans and then discussed the scope of
each of the six applications.

Commissioner Strom had questions regarding sight lines at the entry into the property. It was noted that the entry area will accommodate two lanes of traffic.

Commissioner Strom asked about the volume of water retention and how the flow will work. Fred Fleet, engineer for the applicant, stated the retention will retain the 100 year two hour event, being 2.2 inches of rain that falls onto the parcel. Mr. Fleet explained the drainage patterns.

Commissioner Wainwright asked about how the domestic water line will be treated since it will be below the wash. Mr. Fleet explained that it will be buried at least three feet and made of cast iron.

Chairman Wastchak asked the applicant about the four landscape light fixtures in and near the Scottsdale Road right-of-way. Rod Cullum, developer of the site, explained he wants to have appropriate lighting for the entry. There are two trees that will be up-lighted. He does not believe the City of Scottsdale will have a concern about this lighting.

Chairman Wastchak asked staff if they had concern the proposed 1,080 lumen exceeded the 750 lumen guideline. Mr. Michaud replied staff has no concerns since the Town has approved similar light fixtures for signs and the illumination levels along Scottsdale Road are higher than most Town streets.

Public comment was opened at 6:55 pm.

Mary Hamway, resident, is in favor of the Villas at Cheney Estates. She thanked everyone involved for the various compromises. She stated that this parcel was proposed for many other uses and the zoning equals that of neighboring Cheney Estates.

Robert Robinson, resident of Cheney Estates, supports this project and agrees with Mary Hamway.

Robert Nagle, resident, expressed a concern about the 24-foot height limit. He stated this height is taller than a fast food restaurant and will block view from Golf Drive. He asked the Planning Commission to consider a lower height. Also, he inquired about the lighting and whether this is visible from only Scottsdale Road or will lighting be installed at the back to the golf course. Chairman Wastchak stated the lighting reviewed is along Scottsdale Road.

The public comment was closed at 7:00 p.m.

Rod Cullum responded to the height. He explained the homes will be one-story, with an average height of 20 feet to 22 feet.

The public comment was reopened.

Steven Silvestri, resident, explained that his property is now in the floodplain based on the required FEMA drainage documentation as part of the processing of the proposed development. He understands that the grading on the golf course has resulted in this change to his property. He has no objections to the proposed development, but believes that the approval of this development shall be delayed until his and his neighbor's house are taken out of the floodplain. It was noted that Mr. Silvestri's home has never been flooded.

Chairman Wastchak disclosed that he knows Rod Cullum and has a business relationship with Mr. Cullum on other projects.

A motion was made by Commissioner Wainwright, seconded by Commissioner Strom, to forward to the Town Council approval of Ordinance No. 2016-13 to amend Article II, Definitions, and Article IX, Cluster Plan District, of the Town's Zoning Ordinance, to allow for modifications to the cluster plan provisions for the proposed development located at the northwest corner of the Northern Avenue alignment and Scottsdale Road.
