

TOWN OF PARADISE VALLEY
INTERGOVERNMENTAL AFFAIRS PROGRAM
2017 Legislative Agenda Summary

Paradise Valley is universally enjoyed as the face of the tourism industry in Arizona. It embodies what people come to Arizona to enjoy. As a small community within a large metropolitan area, the Town believes local government best represents the quality of life of local communities regarding their respective public safety, legislative, financial and administrative policy matters, and that partnerships develop positive relations and are essential for success. The resulting tourism, commerce, and high quality executive housing offer tremendous benefits to the entire state.

The Town values efficient and effective solutions to difficult problems that do not create new agencies or regulations nor duplicate existing ones. This representation requires preserving the ability to determine appropriate service levels. Protecting quality of life, local revenues, and public safety are represented amongst the current issues and interest depicted below.
