This document describes how the Walk & Bike Plan modifies the Implementation Measures of Section 4.5 in the 2012 General Plan. The Walk & Bike Plan modifies 9 of 14 Implementation Measures listed in Table 4.5-1, Mobility Implementation Program, of the 2012 General Plan. These include Implementation Measures 1, 2, 5, 6, 7, 9, 11, 12, and 14. The other 5 Implementation Measures in Table 4.5-1 of the 2012 General Plan remain, as these measures relate to matters other than walking and biking. The Walk & Bike Plan adds 6 additional Implementation Measures.

Table 4.5-1. Mobility Implementation Program		2018-2020 2012-2015	2021-2025 2016-2020	2026-2030 2021-2025	Annual	Ongoing
1. Coordinate with adjacent municipalities on mutually beneficial projects, potential project cost sharing, mapping, shared parking, and trolley/transit routes/stops. Town Engineer will continue coordinating with adjacent communities to ensure safe and efficient linkages, and review and comment on projects that affect the Town. [See Implementation Measure 11 of Walk & Bike Plan]		X				X
Implements Which Policy(ies)	M 4.1.1.1., M 4.1.1.3, M 4.1.1.5, M 4.2.3.7, <u>WB 4.2.2, WB 4.2.3, WB 4.3.1, WB 4.4.1</u>					
Responsible Party(ies)	Community Development, Engineering <u>(Primary)</u> Division supported by Town Council					
2. Evaluate the need, application, and cost sharing for the institution of traffic calming measures <u>for both motorized vehicles and bicyclists</u> on a neighborhood basis as requested by individual neighborhoods. This should include an assessment of various techniques, design/development guidelines, cost sharing, administrative processes es for the potential installation of individual techniques/devices , and maintain a list of various traffic calming measures. <u>Consider priority traffic/bicycle calming projects at Camelback Manor Drive/Lincoln and Hummingbird Lane near Mummy Mountain. [See Implementation Measure 6 of Walk & Bike Plan]</u>		X				X
Implements Which Policy(ies)	<u>WB 4.5.1 thru WB 4.5.3, M 4.1.1.6, M 4.1.2.1, M 4.1.2.2, M 4.2.3.5, M 4.2.3.6, M 4.4.1.5</u>					
Responsible Party(ies)	Community Development, Engineering <u>(Primary)</u> Division supported by Town Council

5. Promote local transit services for the Town and Special Event transit services for resort visitors; and, ensure that public transit stops <u>and trolley stops</u> in the Town are functional and attractive. Cooperate with transit agencies, and neighboring jurisdictions <u>and local resorts</u> for <u>improving transit, trolley, and ride share pick up points and produce route maps that are shared with residents, resorts and adjacent communities. the continuance of regular public transit service along Tatum Blvd. [See Implementation Measure 12 of Walk & Bike Plan]</u>	X				X	
Implements Which Policy(ies)						<u>WB 4.2.7, M 4.3.2.1, M 4.3.2.2</u>
Responsible Party(ies)						Town Council, Town Manager <u>(Primary), supported by Public Works/ Department Community Development, Engineering Division</u>
6. Maintain and update an inventory and map of the Town's non-motorized transportation network, including sidewalks, bike lanes, bike routes, multi-use trails, recreational trails, and recreational pathways. This inventory will assist in determining priorities for ongoing improvement of the network. [See Implementation Measure 1 of Walk & Bike Plan]					X	
Implements Which Policy(ies)						M 4.2.1.1, M 4.2.1.2, M 4.2.1.3, M 4.2.1.4, M 4.2.1.5, M 4.2.3.1, M 4.2.3.2, M 4.2.3.4, M 4.2.3.7, M 4.2.3.8 WB 4.1.1 thru WB 4.1.3, WB 4.1.6, WB 4.2.1 thru WB 4.2.3, WB 4.4.1, WB 4.4.2,
Responsible Party(ies)						Community Development, Engineering <u>(Primary) Division supported by Public Works Department</u>
7. <u>Use asset management techniques to</u> Define and implement long-range program for the construction and maintenance of <u>the Town's a continuous system of non-motorized circulation facilities for the benefit of the residents. residents' health, safety, welfare, and community pride to improve access to local and regional parks and recreation systems. [See Implementation Measure 2 of Walk & Bike Plan]</u>	X	X			X	
Implements Which Policy(ies)						M 4.2.1.1, M 4.2.1.2, M 4.2.1.3, M 4.2.1.4, M 4.2.1.5, M 4.2.2.5, M 4.2.3.2, M 4.2.3.3, M 4.2.3.4, M 4.2.3.5, M 4.2.3.7, M 4.2.3.8 WB 4.1.1, WB 4.2.2, WB 4.2.6, WB 4.4.1, WB 4.6.4
Responsible Party(ies)						Community Development, Engineering <u>(Primary) Division, Public Works Department supported by Town Council</u>
9 Prepare, maintain and implement an adopted Pedestrian Master Plan that carries out the goals and policies of the General Plan and defines: the type and location for pedestrian-oriented streets and pathways; standards for sidewalk width, improvements, amenities, and street crossings; the schedule for public improvements; and developer responsibilities. [This is the Bicycle + Pedestrian Master Plan]		X				
Implements Which Policy(ies)						M 4.2.1.1, M 4.2.1.2, M 4.2.1.3, M 4.2.1.4, M 4.2.1.5, M 4.2.2.1, M 4.2.2.3, M 4.2.2.4, M 4.2.2.5, M 4.2.2.6

1-16-17

Responsible Party(ies)	Community Development, Engineering Division supported by Town Council, Public Works Department					
11. Develop and maintain a high quality roadway design <u>of the roadway, bicycle and pedestrian network</u> that promotes the character and image of the Town, reduces negative environmental impacts including noise and minimizes adverse impacts to the neighborhood through the use of roadway cross sections, traffic <u>calming and control techniques</u> , <u>intersection enhancements, traffic counts, and</u> high quality hardscaping and landscaping. <u>[See Implementation Measure 3 of Walk & Bike Plan]</u>						X
Implements Which Policy(ies)	<u>WB 4.1.4, WB 4.3.2, WB 4.4.3, WB 4.5.1 thru WB 4.5.3, WB 4.6.3, WB 4.6.5, M 4.4.1.3, M 4.4.1.4, M 4.4.2.1, M 4.4.2.2, M 4.4.2.3, M 4.4.2.4, M 4.4.2.5, M 4.4.2.6</u>					
Responsible Party(ies)	Community Development, Engineering <u>(Primary) Division</u> Public Works Department <u>supported by Town Council</u>					
12. Preserve Maintain existing r Rights-of- w Way, <u>except when necessary to implement the maps and standards adopted by the Town (e.g. Walk & Bike Plan, Visually Significant Corridors Mater Plan, and General Plan), or cross sections and revise</u> when necessary to allow for innovative alignments, abandonments, <u>or and</u> -shared use by <u>different travel modes as non-motorized and motorized users where</u> appropriate. <u>[See Implementation Measure 4 of Walk & Bike Plan]</u>						X
Implements Which Policy(ies)	M 4.4.2.7, M 4.4.2.8, M 4.4.2.9					
Responsible Party(ies)	Community Development, Engineering <u>(Primary) Division</u>					
14. The Town shall notify gated communities as to a change in the public pedestrian and bicycle access policy and allow those communities whose Special Use Permit stipulations currently requires such access to seek and amendment for the purposes of removing any such stipulation. [This was done in 2012]		X				
Implements Which Policy(ies)	M 4.4.1.2					
Responsible Party(ies)	Community Development Department
