Paul,

Enclosed please find our submittal containing the required documents for the Town of Paradise Valley Hillside Safety Improvement Measures and Process.

The following documents are being submitted for review:

- A. Geotechnical Report
- B. Rock Slope Stability Analysis
- C. Boulder Stability Evaluation Report
- D. Grading & Drainage Plan
- E. Drainage Report

We will be using these documents for all design, construction and site work on the property in order to avoid any negative impacts on this property or any others.

Please contact me if you have any questions or further needs.

Thank you,

Ethan Wessel
