TOWN PROFILE

OVERVIEW

Named by **Time Magazine** as the “*Best Place to Live*” in Arizona, the Town of Paradise Valley is a small suburb nestled in the mountains between Scottsdale and Phoenix. The Town is predominantly comprised of residential and resort properties. Paradise Valley’s highly educated residents are actively engaged in the community and its local government. The Town has as many volunteer positions as employees, including its all-volunteer Council and Municipal Court judges.

Paradise Valley is home to many world-class destinations: El Chorro Lodge, Doubletree Paradise Valley, Hermosa Inn, Hyatt ANDAZ, JW Marriott Camelback Inn, Mountain Shadows Resort, Omni Montelucia, Scottsdale Plaza, Sanctuary of Camelback, Smoke Tree, the Paradise Valley Ritz Carlton, which is currently under construction.

BASIC FACTS

Date of incorporation:	May 21, 1961
Elevation:	1,165 miles
Population:	14,400 (2017 estimated)
Land area:	16.5 square miles
Median household income:	\$134,097 (Maricopa Assc. Govts.)
Single-family homes	6,113
Owner-occupied	4,860

Bachelors	69.8%
Graduate	34.5%

TOWN PROFILE

HISTORY

During the late 1800s, cattle grazed in the area surrounded by the McDowell Mountains to the east and Camelback Mountain to the south. In the 1880s, the Rio Verde Canal Company turned this open grazing area into irrigated farmland. In 1889, the Rio Verde Canal Company sent three surveyors to this area who were so taken by the beauty and tranquility of the desert landscape that they named this area Paradise Valley.

Settlement in Paradise Valley did not begin in earnest until post World War II. Paradise Valley, which is in Maricopa County, was a rural residential area with few commercial entities. Though the homes were modest in size and style, they were on large parcels of land, usually one to five acres.

In the late 1950s, Phoenix and Scottsdale were looking to expand their respective boundaries. Residents who lived in Paradise Valley area feared that they would lose the rural lifestyle they had become accustomed to and would soon be swallowed up by Phoenix or Scottsdale, and eventually subdivisions, shopping centers, new zoning laws and property taxes would be a commonality.

These concerned residents formed a “Citizens Committee for the Incorporation of the Town of Paradise Valley, Arizona”, who set out with petitions urging residents to join them in their attempt to incorporate Paradise Valley. The residents’ main goals were to keep zoning to a one house per acre minimum; to keep the area entirely residential; and to keep government regulations to a minimum. In April 1961, the Citizens Committee for Incorporation presented their petition to the Maricopa County Board of Supervisors. On May 24, 1961, incorporation was granted and the Town of Paradise Valley was established.

With a population of approximately 2,000, the first Town Council was formed. During the early years of the Town’s history, the Council spent much of its time establishing the Planning and Zoning Commission, the Board of Adjustment, redefining zoning ordinances, and annexing property. By 1968, the boundaries of the Town of Paradise Valley were pretty well set, with only a few scattered county islands and a handful of neighborhoods adjacent to the Town boundaries that would eventually be annexed. In 2000, with a population over 13,000, only two county islands remain – the community of Clearwater Hills west of Tatum Boulevard and the Franciscan Center on Lincoln Drive.

Throughout the Town’s 50-plus-year history, the residents have strived to preserve the Town’s original mission –

“to maintain a residential community in a quiet and country-like setting with little government intervention.”

Groundbreaking for Town Hall 1973

OVERVIEW

EXECUTIVE SUMMARY

TOTAL BUDGET

The 2019/20 recommended budget is balanced and totals **\$54,941,293** and includes an authorized workforce of **105.5 full-time equivalents**. This is a **\$453,207 (0.8%) decrease** from last fiscal year's budget. The "**Operating fund**", accounts for **\$31,010,173**, which is **56%** of the total recommended budget. These amounts include expenditures and contingencies and does not include transfers out.

The graph to the right (in millions) and table below illustrates a two-year comparison by fund type.

The **Operating fund** remained constant with a 0.7% increase; CIP decreased by \$1.7M; Enterprises increased by \$0.6M; and all other funds, including debt service increased by \$0.4M.

Executive Table 1 - TOTAL BUDGET				
All Town Funds by Fund Type	Budget 2019/20*	Budget 2018/19	Change \$	Change %
Operating fund	\$ 31,010,173	\$30,791,116	\$ 219,057	0.7%
Capital projects	15,525,067	17,189,563	(1,664,496)	-9.7%
All other governmental funds	2,103,577	1,700,895	402,682	23.7%
Enterprise funds	6,302,476	5,712,926	589,550	10.3%
Total Budget	\$ 54,941,293	\$55,394,500	\$ (453,207)	-0.8%
* Recommended funding levels				

EXECUTIVE SUMMARY

OPERATING SOURCES AND USES OVERVIEW

The Town's **Operating fund** is a combination of the General fund and HURF. The Operating fund is commonly the most important to residents as it provides basic services such as Public Safety, Community Development and the Municipal Court.

The 2019/20 recommended budget for the **Operating fund** is balanced and totals **\$35,478,667**. This is a **\$2,417,212 (6.4%) decrease** from last fiscal year's budget. Transfers from and to other funds are included in this total, which is greater than reported on the previous page that eliminates transfer and only reports revenues and expenditures.

Comparing budget-to-budget, **major revenues** are estimated to increase by \$333,907 (1.2%) and non-major revenues are anticipated to increase by \$203,290 (3.7%). A transfer from the Capital projects fund is a result of reconciling and closing old projects. This reconciliation is still underway and is expected to be completed before the close of FY2019.

To maintain a structurally sound budget, non-recurring transfer in from CIP and the planned use of operating fund balance are not used to pay for recurring uses. The planned use of fund balance is significantly less than last year's budget-to-budget comparison and is further discussed in the *Financial Forecast* at the end of this *Executive Summary*.

Table 2 shows the Town's **total sources** and **total uses**.

Executive Table 2 - OPERATING FUND SOURCES AND USES				
Operating fund Total Sources & Uses	Budget 2019/20*	Budget 2018/19	Change \$	Change %
Sources:				
Major revenue sources	\$27,686,760	\$27,352,853	\$ 333,907	1.2%
Non-major revenue sources	5,679,620	5,476,330	203,290	3.7%
Transfer in from CIP **	1,500,000	-	1,500,000	n/a
Planned use of fund balance	612,287	5,066,696	(4,454,409)	-87.9%

* Recommended funding levels ** CIP = Capital Improvement Plan				

EXECUTIVE SUMMARY

OPERATING SOURCES AND USES OVERVIEW

Major revenues are the individual revenue sources that account for the approximately 74% of “total sources”. **Planned use of fund balance** is the Town’s conscious use of its “savings account” for one-time uses that are in the best interest of the Town. The graph to the right illustrates total sources, as estimated for this recommended budget.

Categories for **operating uses** for the recommended budget includes Personnel, Supplies & services, Capital Improvement Program. Budgeted amounts for reducing the Town’s liability in the Public Safety Public Retirement System (“PSPRS”) include \$5 million in the personnel category and \$1 million in contingencies. More detail breakdowns of expenditures are available progressively through this budget document.

Recommended **personnel expenditures** are \$18,034,857, which is 50.8% of total **operating uses**. and includes \$5,000,000 for reducing the liability to **PSPRS** payable the first week of the fiscal year. Recommended supplies and services are \$9,434,380, which is 26.6% of total **operating uses**; Capital outlay of \$309,000 is 0.9% of the total operating uses; Transfers to CIP and debt service are 12.6% of total operating uses; and Contingencies and assignments are 9.1% of total operating uses.

The graph below illustrates the Town’s uses, by type in amounts and as a % of the total.

EXECUTIVE SUMMARY

OPERATING REVENUE

Total **operating revenues** are estimated to be \$33,366,380 in the 2020 recommended budget. Local sales tax is by far the leading revenue as it is estimated to account for \$15,860,000, which is 48% of total revenue. Revenues do not include transfers in from CIP or the planned use of fund balance.

The graph to the right shows each operating revenue. Further information for each revenue source can be found in the Revenue section of this document.

Executive Table 3 - OPERATING FUND REVENUE & TRANSFER IN

Operating Revenue by Source	Budget 2019/20*	Budget 2018/19	Change #	Change %
Sales tax	\$ 15,860,000	\$ 15,713,312	\$ 146,688	0.9%
Bed tax	4,623,500	4,574,600	48,900	1.1%
Court fines - counter	1,921,120	1,921,120	-	0.0%
State shared revenues (3)	4,362,700	4,244,721	117,979	2.8%
Building permits	919,440	899,100	20,340	2.3%
Total major revenue	27,686,760	27,352,853	333,907	1.2%
All other non-major revenue sources	5,679,620	5,476,330	203,290	3.7%
Total operating revenue	\$ 33,366,380	\$ 32,829,183	\$ 537,197	1.6%
Transfer in from CIP	1,500,000	-	1,500,000	n/a
Total revenue and transfer in	\$ 34,866,380	\$ 32,829,183	\$ 2,037,197	6.2%

* Recommended funding levels

EXECUTIVE SUMMARY

OPERATING USES

Total Operating fund uses are recommended at \$35,478,667 which is \$2,417,212 or 6.4% less than last fiscal year. Table 4 below provides a summary of all departments in the Town's Operating fund. More detailed information on each of these departments and their budgets can be found in the department section of this document.

Executive Table 4 - OPERATING USES

Operating Uses by Department	Budget 2019/20*	Budget 2018/19	Change #	Change %
Community development	\$ 1,371,597	\$ 1,369,345	\$ 2,252	0.2%
Engineering	839,044	750,403	88,641	11.8%
Finance	653,905	582,203	71,702	12.3%
Information technology	1,780,118	1,897,327	(117,209)	-6.2%
Mayor & Council	177,720	182,200	(4,480)	-2.5%
Public works (facilities & fleet)	862,235	869,992	(7,757)	-0.9%
Streets & pavement plan	3,054,013	3,291,461	(237,448)	-7.2%
Tourism	1,817,302	1,514,011	303,291	20.0%
Town attorney's office	683,792	613,447	70,345	11.5%
Town manager's office	1,630,499	1,599,288	31,211	2.0%
Municipal court	860,980	816,543	44,437	5.4%
Police department	14,047,032	14,157,645	(110,613)	-0.8%
Total expenditures	27,778,237	27,643,865	162,595	0.5%
Contingencies and assignments	3,231,936	3,147,251	84,685	2.7%
Transfers in from / out to other funds	4,468,494	7,104,763	(2,636,269)	-37.1%
Total operating uses	\$ 35,478,667	\$ 37,895,879	\$(2,417,212)	-6.4%

* Recommended funding levels

EXECUTIVE SUMMARY

STAFFING

Staffing levels are measured in *full-time equivalents* (“FTEs”). The total workforce in the recommended budget is **105.5 FTEs**, which is an increase of **2.5 FTEs (2%)**. The chart below displays the Town’s FTEs by operating function.

Executive Table 5 - TOTAL STAFFING (in full time equivalents)				
All Town FTEs by Function	Budget 2019/20*	Budget 2018/19	Change #	Change %
Public safety	56.0	56.0	-	0%
Development, public works and engineering	29.0	27.0	2.0	7%
All other town functions	20.5	20.0	0.5	3%
Total Staffing levels	105.5	103.0	2.5	2%
* Recommended funding levels				

Public safety’s workforce of 56.0 FTEs is **53%** of the total FTEs for the Town. **Development, public works and engineering** have 29.0 FTEs, or **28%**; and all other town functions account for the remaining **19%**, or 20.5 FTEs.

The graph illustrates the percentage (%) of and total FTEs by function.

There are 2.5 new positions included in the recommended budget:

- ▶ One full-time Permit Technician to support all department operations, improve customer service, and resolve front counter coverage issues in Community Development
- ▶ One full-time Engineering Technician to address ongoing workload needs and assist in the increase of town-wide construction activities
- ▶ A part-time Procurement Coordinator to assist all departments with the essentials of meeting procurement laws, including soliciting bids and contracting.

EXECUTIVE SUMMARY

COSTS ESTIMATES

In preparing the recommended budget costs estimates were made using the following assertions:

- ▶ Personnel hours for the fiscal year are 2,096 (leap year)
- ▶ Post office moved from Community Development to Town Manager's office
- ▶ PSPRS rate went down from 59.96% to 58.03%
- ▶ ASRS rate was up from 11.80% to 12.11%
- ▶ EPO & PPO plans increased 1%
- ▶ HDHP decreased by -0.4%
- ▶ HSA contributions increased and is reduce 457 plan contributions by the same amount
- ▶ Dental increased by 6.5%
- ▶ Liability and property insurance increase by 4%
- ▶ Merit increases of 4.4% and increase ranges 2%
- ▶ Change in budgeting for personnel including using actual amounts for individualized benefits and leave payouts

EXPENDITURE LIMITATION

The Town's statutory Expenditure Limitation for fiscal year 2019/20 is **\$42,196,582**. The recommended budget is **balanced** with the Expenditure Limitation. Though not anticipated, this calculation is as if every budgeted dollar was spent.

Table 6 shows the calculation based on the recommended budget.

The State of Arizona imposes a constitutional and statutory limitation on the annual expenditures of all municipalities. This limit is annually set by the Economic Estimates Commission ("EEC") based on population growth and inflation.

The limit can be adjusted by the local municipality through a vote of its electors. In 2016, the Town of Paradise Valley approved a base adjustment that was effective in 2017.

To ensure the Town remains in compliance with this limitation, the Town monitors it's spending before, during and at the close of each fiscal year.

Executive Table 6 - EXPENDITURE LIMITATION	
All Town Funds by Classification	Budget 2019/20*
Budgeted expenditures / expenses	\$ 54,941,293
Quasi-external transactions	(10,220)
Debt repayment	(1,882,864)
Grants & donations	(150,000)
HURF in excess of FY1980	(797,350)
Assigned to future years	(479,210)
Non-Town CIP	(9,425,067)
Carry forward exemptions	-
Budget subject to exp. limit	\$ 42,196,582
EEC limit for Paradise Valley	42,196,582
Sub total (over) under	\$ -
* Calculation bases on factors within the Recommended budget	

EXECUTIVE SUMMARY

FINANCIAL FORECAST

The Financial Forecast is instrumental in navigating the road map to maintain financial stability. The forecast is fluid and intended as a guide to keep on track to meet the Town's strategic goals. It is based on current and anticipated trends and reasonable assertions based on current data. Like a weather forecast (excluding desert summers), a financial forecast is adjusted over time as data materializes.

The **Revenue line** below includes all major and non-major revenue. The trend is a composite of a forecast for each individual source from 2021-2025, it includes incremental increases for new retail and amenities in 2021-2023 from new and remodeled resorts based on a revenue per square foot model. Building permits and construction TPT are regressed in 2023-2025 for the anticipation of the completion of major projects and less new construction.

The **Operating expenditures line** represents the base expenditures that are expected to recur each year for the general fund, HURF and spendable contingency, and is under the estimated Expenditure Limitation. The trend results in an average growth rate of 2.8-3.6% from 2022-2025.

Total uses are only foreseeable expenditures at the date of this Forecast. These include CIP, Debt Service, assignments to Facilities, Fleet and Information Technology Hardware life cycles, Tourism and other liabilities such as PSPRS. Town contributions to CIP are forecast at \$6,000,000 per year through 2025. Debt service is from the debt repayment schedule with no early pay off. PSPRS is \$6,000,000 in 2020 and finalized in 2021, unless other actions are taken for an earlier paydown. Facilities, Fleet and IT repair and replacement amounts are based on the respective long-range plans.

If the **total uses line** is over the **revenue line**, then the Town is using fund balance, like in FY2019-2021. If the **revenue line** is over the **total uses line**, then the town is accruing fund balance that is carried for future years like FY2022-2025. If the **operating expenditure line** was over the **revenue line**, then the Town would be facing a structural deficit.

EXECUTIVE SUMMARY

FINANCIAL FORECAST

Unassigned **Fund balance** is the cumulative difference of revenue and expenditures carried forward to the next fiscal year, that is not assigned or restricted. The line graph below shows the **fund balance amount** with a number indicating the percentage (%) of **fund balance** compared to the next year's forecasted operating expenditures.

Remaining liability is the amount the Town still owes on liabilities that are significant to cash flow. This includes debt issued in 2016, and payments for the unfunded liability to PSPRS.

Equivalent net worth is **Fund balance** minus **remaining liability**.

Looking at the graph below may seem alarming with the dip in unassigned **fund balance** through 2021. But when viewing the graph on this page with the one on the previous page, it can be seen that the dip in unassigned **fund balance** is not from **operating expenditures** or lagging **revenues** but spending in other areas. Those areas are in an effort to reduce the Town's **remaining liability** in PSPRS.

With the Town using **fund balance** to accelerate the reduction of the town's **remaining liability**, the Town's **equivalent net worth** increases. In 2017, the Town's unassigned **fund balance** was \$26.9M, but its **equivalent net worth** was \$1.7M. On this trend, the Town will reduce unassigned **fund balance** to \$26.8M (105%) in 2021, and its **equivalent net worth** increases to \$22.5M and having only \$4.3M **remaining liability**.

Per policy, *if the Council approves the use of **fund balance** below 90% of the next year's **operating expenditures**, they will identify the time period over which it is replenished.*

This plan reflects the current approach to paying the PSPRS unfunded liability. Other options will be presented to Council for considerations, such as using excise tax obligations or paying up to an additional \$3M in FY2019. The differences in fund balances from the FY19 forecast is primarily from using "unassigned fund balance" and resources realized from reconciling the Capital projects fund.

FINANCIAL FORECAST

OPERATING FUNDS (General & HURF)

REVENUE	Actual 2017	Actual 2018	Budget 2019	Projected 2019

(1)

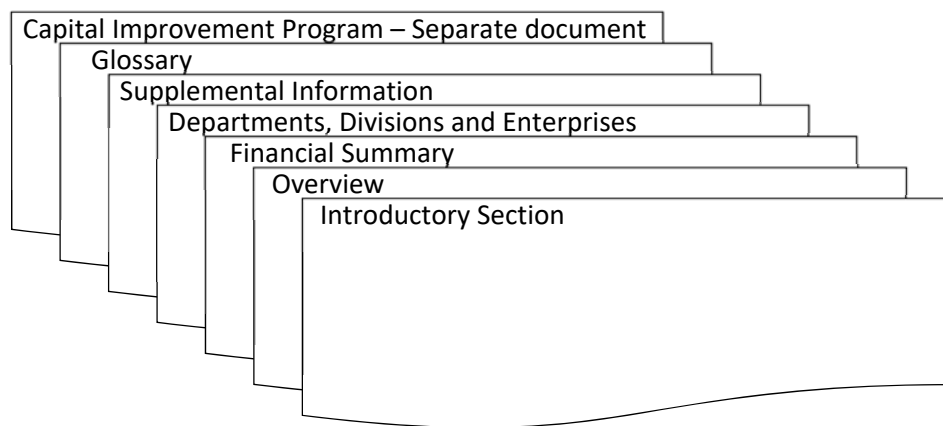

(1) Use of excess AEL can be applied directed to the PSPRS unfunded liability;
as recommended in budget amendments section 1.

Note: Fire vehicles due for replacement 2023-2024

BUDGET DOCUMENT

DESIGN OF THIS DOCUMENT

This budget document is designed to introduce the reader to a broad overview of the Town's finances and then gradually become more familiar as varied levels of further detail are progressively added with each section of the document. Reading the entire document is not intended for everyone. Whether it's the high level "*executive summary*" in the **overview**, various informative and easy to read "*exhibits and schedules*" in the **Summary section** or into the weeds with line items at the end of each "*department budgets*" in the **Departments, Divisions and Enterprise section**; finding that comfortable layer of information for all individuals.

The **Introduction** section contains a welcome from the Town Manager and an overall snap-shot of the organization structure.

The **Overview** section is comprised of tables and graphs to give a broad view of important financial information about the overall budget of the Town, information on it is designed to assist the reader when looking through all other aspects of this document and a quick calendar reference guide of when budget hearings are tentatively being scheduled with the Town Council.

The **Summary** section contains many summary schedules at a varied level of detail. Such items include, revenues, expenditures, changes in fund balances and changes in authorized full-time equivalents. The first part focuses on all Town funds, as a whole. The second part looks at the "operating fund" and the final part examines Public Safety.

The **Department, Division and Enterprises** section breaks down the Town's various programs and functions into operating budgets. It focuses on each department's operations and does not include major capital projects, contingencies and assignments, or revenues. Those are found in other sections of this document.

The **Capital Improvement Program** (CIP) is being presented as a separate document than the recommended budget, but will be included in the Final adopted budget document.

BUDGET DOCUMENT

ROLE OF THE BUDGET

One of the most important duties of the Town Council is to adopt an annual budget for the Town. The budget process provides the Council with the opportunity to match the needs of its customers (the community) and available resources with the intent of gaining the maximum return on each tax dollar. Sound financial planning is integral with the delivery of effective and efficient.

But the budget is **not** merely *sketchy calculations*, *thousands of line items*, and a *painful academic exercise*; budget appropriations ought **not** be viewed as Use it or Lose it... and next year's too; and very importantly: A budget is **NOT** a *mandate to spend*, but only the **authority** to do so.

A well-constructed budget is more than just a financial plan. It is intended to fulfill four major functions through its role as:

- ▶ A **Policy** Document
- ▶ A **Financial** Plan
- ▶ An **Operations** Guide, and
- ▶ A **Communications** Medium

BUDGET CALENDAR

The Town undertakes a hybrid budget process, incorporating elements of zero-based, priority-setting, and program budgeting. The budget process starts with Council goals. Departments' submit their budget requests for their programs, incorporating specific needs. These requests are presented and prioritized. A balanced "**Recommended**" budget is presented to Council for review and consideration.

All departments are discussed with Council through a series of public meetings. Council then adopts a "**Tentative**" budget that sets the maximum spending for the fiscal year, which is posted for public inspection, and a public hearing is then held for public comment. After public comments, the Council can still modify the tentative budget categorically, but cannot increase the maximum spending amounts. Council then adopts the final budget referred to as the "**Adopted**" budget.

During the fiscal year, requested budget amendments follow Town policy, including Council consideration and action when required.

The schedule below is **NOT** an official public notice. Times estimates are for illustrative and time-management purposes only. This schedule is flexible and subject to change.

REVENUE SECTION

{This page is intentionally left blank}

SUMMARY OF SOURCES

GOVERNMENTAL REVENUE

The *Summary of Sources* (the “SOS”) section focuses on revenues that support the Town’s governmental operations. Governmental revenue includes: the operating fund, grants, donations and other restrictive funds. Enterprise revenues are not included in this section. The Summary of Sources Section peels back layers into the revenue composition, trends and what forces drive them.

Total *estimated* governmental revenue for 2019/20 are \$33,932,880; which is \$198,933 (1%) more than **projected** for **2018/19** and \$719,659 (2%) more than **budgeted** for **2018/19**. Overall, revenues are estimated to show flat growth in the 2019/20 recommended budget. The Town is also compiling a Strategic Revenue Plan concurrent with the recommended budget and may impact revenue estimates in the Tentative and Adopted budgets.

Estimating flat revenues has not impacted any programs in the recommended budget. Recurring revenues are sufficient to pay for all recurring expenditures and other spending. Should revenues continue on their current trend, they will exceed the recommended budget estimates. This will result in the Town using less amounts from fund balance to pay down long-term liabilities.

The graph below illustrates total governmental revenue from 2012/13 (in millions).

SUMMARY OF SOURCES

TOTAL REVENUE

Major revenues are a combination of seven (7) individually reported revenue sources. Trends show that historically, these seven revenues have combined to generally meet the benchmark of 80% of total governmental revenues (78%-83% from 2013 to 2020). Estimating these seven sources with reasonable accuracy is vital to adequately managing and supporting the Town's financial strategies.

Non-major revenues are all the other 30 distinctive operating revenues that the Town receives.

Restricted revenues are sources that have specific restrictions in their use. Certain grants and fees are in this category.

The chart and graph below illustrate major, non-major and restricted revenues that support the Town's governmental operations.

REVENUE Table 1 - GOVERNMENTAL REVENUE						
Revenue	Budget	Budget	Change	Change	Projected	Actual

* includes recommended budget amendments section 6

SUMMARY OF SOURCES

MAJOR REVENUES

Major revenues are estimated at \$27,686,760 for 2019/20. This is an increase of \$333,907 (1%) compared to last year's budget and \$312,266 more than is being projected for last year's actual collections. The graph to the left shows the proportionate amount for each revenue, by major source. The chart and graph below illustrate each of the seven major revenues.

Of the seven major revenues, the local sales tax (TPT) is the most predominant; accounting for approximately 487% of total estimated governmental revenue.

The occupancy (bed) tax is the next largest major revenue accounting for 14% of total revenue.

Overall, major revenues were estimated flat for the recommended FY2019/20 and subject to adjustment with the Town's Strategic Revenue Plan for FY2020.

SUMMARY OF SOURCES

LOCAL SALES TAX (TPT)

There are numerous components and taxable activities within the local sales tax (TPT) and can be simplified into three (3) main categories: Construction, Hospitality and Retail, and All Other.

Construction is generally considered a non-recurring revenue, because once the a specific construction project is completed, that activity is done.

Per Town policy, all construction sales tax received in excess of \$500,000 is transferred to the Capital Improvement Program.

Hospitality and Retail is a significant category for the Town because of its potential to be recurring year-to-year and recent growth.

The line graph to the right shows the 3-main categories for local sales tax from 2003-2020 (in millions).

REVENUE Table 3 - Major Revenue: TRANSACTION PRIVILEGE TAX (SALES)

Revenue	Budget	Projected	Actual	Actual	Actual	Actual

SUMMARY OF SOURCES

OCCUPANCY (BED) TAX

Tourism and the hospitality industry are critical elements and contribute greatly to the Town's character. This industry generates a good portion of the Town's operating revenue. As a result, the Town dedicates significant resources to invest in tourism promotion.

REVENUE Table 4 - Major Revenue: OCCUPANCY (BED) TAX

Revenue	Budget	Projected	Actual	Actual	Actual	Actual
All Sources	2019/20	2018/19*	2017/18	2016/17	2015/16	2014/15
Town's portion	\$ 2,732,488	\$ 2,705,441	\$ 2,625,979	\$ 2,187,728	\$ 1,895,707	\$ 1,842,413

* estimated based on 8 months of actual (unaudited) data ** Current year is 40.9% of audited revenue two years ago *** 40.9% of current revenue, due in 2 years						

STATE SHARED REVENUES

Three (3) revenue sources are part of the "State Shared" revenues: Income tax, Sales tax and HURF. These have been steady and consistent since 2012.

The line graph to the right shows each state shared revenue's trend (in millions).

Income tax and shared sales tax are considered general revenues for the town's governmental operations.

HURF has specific restrictions on its use. The town meets those restrictions by using 100% of HURF in the streets department.

The chart and graph show history of these revenue sources.

REVENUE Table 5 - Major Revenue: STATE SHARED REVENUE

Revenue	Budget	Projected	Actual	Actual	Actual	Actual
All Sources	2019/20	2018/19*	2017/18	2016/17	2015/16	2014/15
Income tax	\$ 1,891,800	\$ 1,807,858	\$ 1,778,003	\$ 1,703,256	\$ 1,543,526	\$ 1,551,940

* estimated based on 8 months of actual (unaudited) data ** 2017/18 HURF included one-time funding						

SUMMARY OF SOURCES

BUILDING PERMITS & COURT FINES

Building permits and court fines are the two most volatile of the major revenues.

Building permits spiked in 2016. But this level of revenue is not expected to be sustained in the long run. It is expected to continue approximately 2-4 years and then taper back the levels of 2013-2015.

Court fines spiked in 2016 and then leveled back to the trend in 2017 and 2018.

The line graph to the left illustrates each revenues trend since 2003 (in millions).

The graph and chart below show history of these two sources.

REVENUE Table 6 - Major Revenue: OTHER MAJOR REVENUE

Revenue	Budget 2019/20	Projected 2018/19*	Actual 2017/18	Actual 2016/17	Actual 2015/16	Actual 2014/15

* includes recommended budget amendments section 6

SUMMARY OF SOURCES

NON MAJOR REVENUES

Though non-major revenues are not individually as large as the seven major revenues, they shouldn't be overlooked. The graph and chart below show that total non-major revenue are estimated to **decrease** by \$179,670 (-4%) compared to the 2018 budget; but an **increase** of \$97,217 (2%) compared to current estimates for 2018. The graph below shows a history of total non-major revenues. FY2017/18 contains a one-time \$1,000,000 contribution.

REVENUE Table 7 - Non-major Revenue: BY CATEGORY

GOVERNMENTAL OPERATIONS

{This page is intentionally left blank}

COMMUNITY DEVELOPMENT

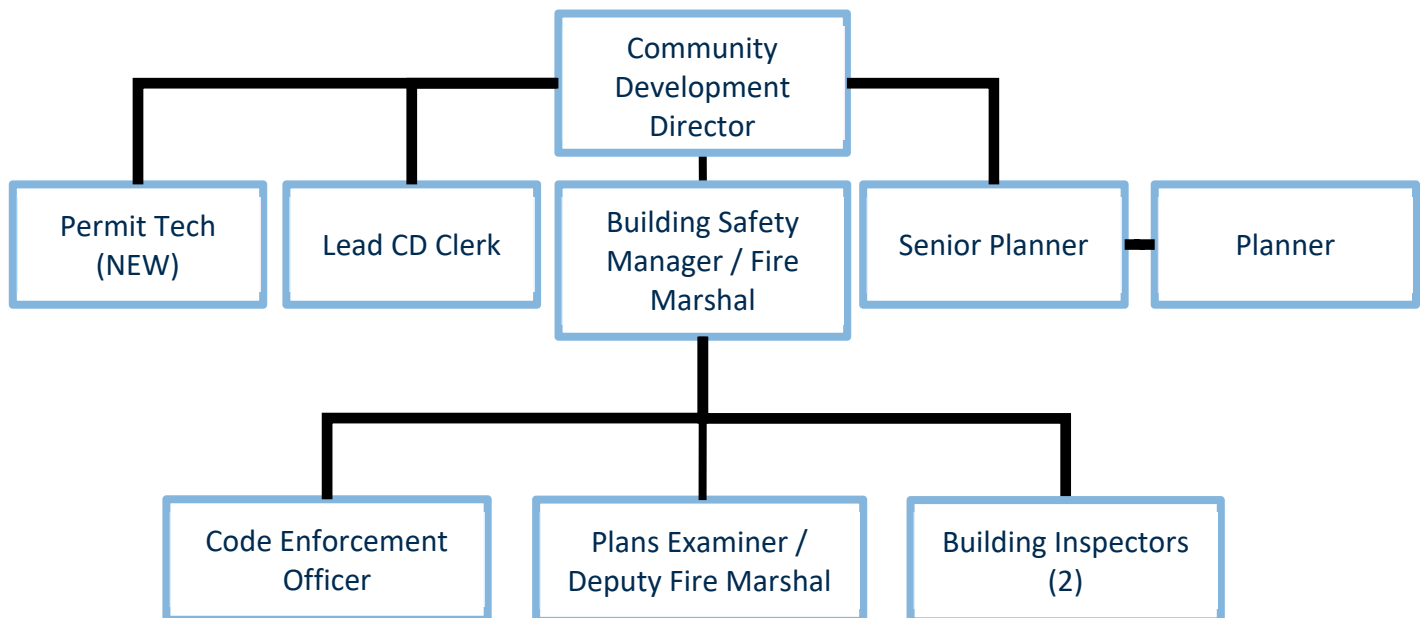

► **MISSION:** To deliver personalized service while providing a comprehensive approach to planning, building, and code enforcement that meets the needs of the community and facilitates responsible, high quality, and well planned development. This development shall enable revitalization of existing resorts and residences while preserving the natural Sonoran Desert environment.

► **VISION:** To enhance the present and future quality of life in Paradise Valley by ensuring an attractive, safe, and well-designed physical environment.

OFFICE PURPOSE & DESCRIPTION

The Department prepares and updates comprehensive plans, processes zoning cases, enforces the zoning code, reviews building plans, conducts zoning and building inspections, and provides information to the public on zoning and construction related activity. Responsibility for the Town's Post Office has moved to the Town Manager's Office.

ORGANIZATIONAL CHART

The Community Development Department is managed by the Director; the Director reports to Deputy Town Manager.

COMMUNITY DEVELOPMENT

GOALS

- ▶ Preserve the premiere residential character of the community
 - ▶ Provide professional and thorough guidance and coordination of all land planning and development activities
 - ▶ Facilitate public participation and awareness of projects through improved public outreach
 - ▶ Implement the town's regulations and policies fairly and consistently
 - ▶ Review planning and building applications thoroughly and expeditiously
 - ▶ Identify and implement technology to improve efficiency and service levels
 - ▶ Treat all customers in a respectful and helpful manner
-

HIGHLIGHTS

- ▶ Adoption of the Visually Significant Corridors Master Plan
 - ▶ Multiple Zoning Code Updates including Hillside and Home Occupation
 - ▶ Participation in the Cell Phone Task Force
 - ▶ Assisted in finalizing inspections and approvals for the first residents to move into Area B of the Five Star Development
 - ▶ Approved permits for the first structures on the Five Star Development
 - ▶ Executed an agreement to utilize third party inspections on the Five Star Development project
 - ▶ Granted approvals for improvements to multiple SUP properties including Hermosa Inn, Montessori School, Ritz Carlton
-

SERVICE STATS

- ▶ Approximately 700 building permits issued, valued at over \$125,000,000 of construction
 - ▶ 100 single family homes reviewed, permitted, and inspected
 - ▶ Plan reviews completed in expeditious manner
 - ▶ Inspection requests completed on the next business day
 - ▶ Five Board of Adjustment Cases processed
 - ▶ More than 10 land use applications processed through the Planning Commission
-

COMMUNITY DEVELOPMENT

STAFFING LEVELS

Staffing levels have remained consistent in 2015/16 and 2016/17. One (1) Plans Examiner was added in 2017/18; and one Permit Technician is recommended to be added in 2019/20 to support all department operations, improve customer service, and resolve front counter coverage issues. Table 1 below displays the department's positions by classification; and Table 2 shows the positions by their primary service function.

COMMUNITY DEVELOPMENT Table 1 - Authorized positions by CLASSIFICATION

* Recommended funding levels **Building provides services to Fire; Planning (customer service) provides services to Fire and Wastewater.						

COMMUNITY DEVELOPMENT

{This page is intentionally left blank}

COMMUNITY DEVELOPMENT

► EXPENDITURES ◀

The Community Development recommended budget of \$1,471,307 is \$101,962 or 7% more than the prior fiscal year. This results primarily from changes in:

Personnel: Changes reflect current salaries and wages with changes in medical, dental, retirement and other taxes and benefits and the addition of one Permit Technician position.

Supplies and services: The net increase of \$79,597 or 7% is comprised of increases in professional services which is attributed to third party inspections related to the Ritz Carlton Resort which is reimbursed to the Town by the developer (\$57,700), travel and training for increased training related to the towns permitting software to improve efficiency (\$4,800) and publications and general plan costs as the Town's General Plan is approaching its statutory requirement for an update (\$33,000). Decreases are found in liability insurance (\$7,528), subscriptions and publications the Town's updated ICC codes were purchased in FY19 (\$2,000), miscellaneous (\$8,000), and net all other supplies and services (\$375). With the request for a new employee, some areas such as General Professional Services and Temporary Help were reduced (\$20,800) as some of this work could now be done in house.

Capital: There is no recommended capital this year.

COMMUNITY DEVELOPMENT

{This page is intentionally left blank}

ENGINEERING

► **MISSION:** To maintain and improve the quality of the community through economically sound infrastructure preservation and enhancement while providing customer-focused, innovative, efficient and reliable municipal service to our residents.

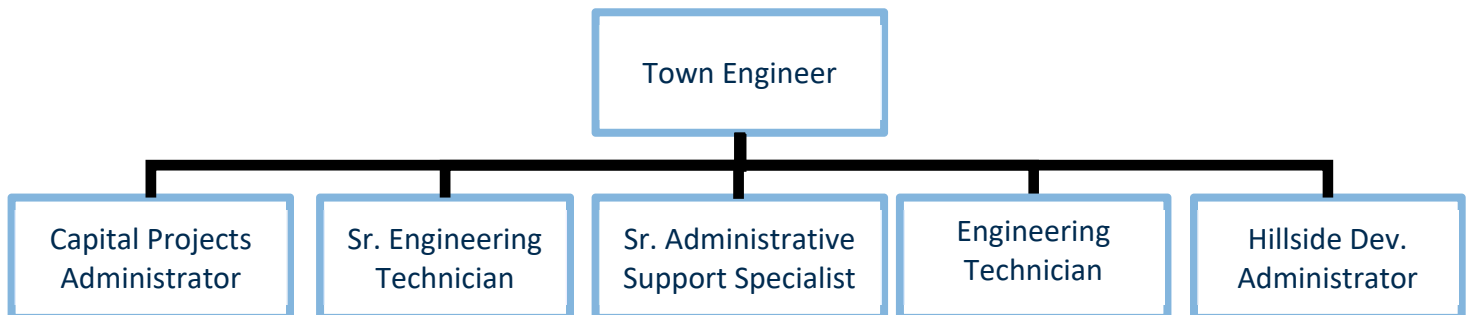

► **VISION:** Engineering strives to be a leading organization helping to preserve a vibrant, innovative, world-class community. This is accomplished by meeting or exceeding resident needs through accountability, fairness, consistency, and increased communication. We will maintain and improve existing infrastructure in an effective manner. We are committed to supporting a positive work environment in which employees can share in the overall health, safety and welfare of the community.

OFFICE PURPOSE & DESCRIPTION

The Engineering department provides many of the services that affect the daily lives of those who live and work in the town. Primarily, the department is responsible for the plan review and inspection of residential and resort properties related to grading & drainage as well as infrastructure. The department is also responsible for the planning and implementation of the capital improvement program and facilitation of the hillside development process. Some of the department's activities include:

- Capital Improvement Program planning and implementation;
- Development and Right-of-Way Plan review and inspection;
- Long range planning for Town infrastructure; and
- Hillside development process.

ORGANIZATIONAL CHART

The Engineering Department is managed by the Town Engineer; the Town Engineer reports to the Town Manager.

ENGINEERING

GOALS

- ▶ Complete sewer assessments per the updated IGA with the City of Scottsdale
- ▶ Conduct inspection services for resort development
- ▶ Construction of the Lincoln Drive, Mockingbird Ln and Indian Bend Rd improvements
- ▶ Initiate SRP Denton Lane District electric underground
- ▶ Construction of Lincoln Dr. sidewalk improvements
- ▶ Locate remaining sanitary sewer manholes and assess improvements required

HIGHLIGHTS

- ▶ Approval of ADEQ MS4 Permit
- ▶ Completion of the SRP Keim District – electrical underground
- ▶ Design of the Lincoln Dr., Mockingbird Ln and Indian Bend Rd improvements

STAFFING LEVELS

Staffing levels have remained consistent from 2015/16 through 2017/18. One (1) Hillside development administrator was added in the 2018/19 budget to primarily focus on Hillside development; and one (1) Engineering technician is recommended to be added in 2019/20 to address ongoing workload needs and assist in the increase of town-wide construction activities.

Table 1 below displays the department's positions by classification.

ENGINEERING Table 1 - Authorized positions by CLASSIFICATION					
POSITION CLASSIFICATION	2019/20	2018/19	2017/18	2016/17	2015/16

Total full time equivalents	6.0	5.0	4.0	4.0	4.0

ENGINEERING

FUNDING LEVELS

Funding for Engineering consists of General Fund resources and the Wastewater Enterprise. Overall, funding is recommended to **increase by \$116,430 (15%)**.

ENGINEERING Table 2 - Funding by Source

Funding by Source	Budget 2019/20*	Budget 2018/19	Change \$	Change %	Projected 2018/19	Actual 2017/18
General Fund	\$ 839,044	\$ 750,403	\$ 88,641	12%	\$ 611,312	\$ 533,169
Enterprises**	62,389	34,600	27,789	80%	34,600	34,600
Total Sources	\$ 901,433	\$ 785,003	\$ 116,430	15%	\$ 645,912	\$ 567,769
* Recommended funding levels ** Engineering provides services to Wastewater (enterprise)						

EXPENDITURES

The Engineering recommended budget of \$901,433 is \$116,430 or 15% more than the prior fiscal year. This results primarily from changes in:

Personnel: Changes reflect current salaries and wages with changes in medical, dental, retirement and other taxes and benefits and the addition of one (1) Engineering technician position.

Supplies and services: The net increase of \$11,499 or 7% is primarily to provide necessary supplies and materials for the recommended new position.

Capital: The recommended budget of \$25,000 is for a vehicle for the recommended new position.

ENGINEERING Table 3 - Expenditures by CATEGORY

FINANCE DIVISION

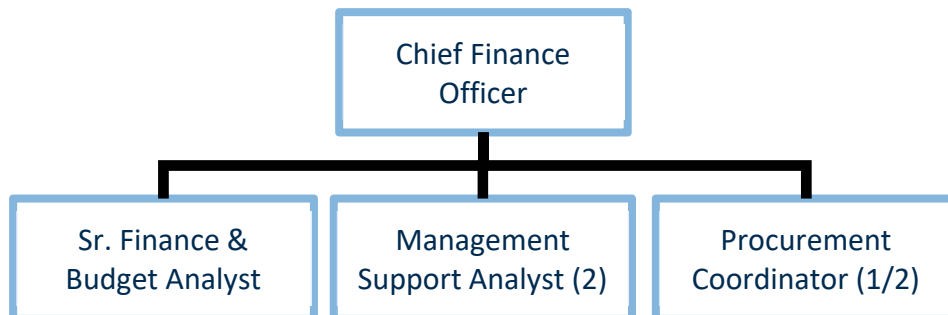

► MISSION:

To provide our customers, both internal and external, with professional, courteous, and reliable services that are timely, accurate and valuable; while improving the efficiency and effectiveness of the division and its related functions in furnishing support, training, and financial information pertinent to determine the financial position of the Town that is interesting, relevant and user friendly.

► OFFICE PURPOSE & DESCRIPTION

The Finance Division is a full service financial office. The Division maintains the Town's financial systems and fiscal controls over cash and investments, capital assets, payroll, accounts payable, procurement, cash receipts, debt and risk management, and alarm, fire and wastewater service billings & collections. Finance staff coordinates the Town's annual financial audit and prepares financial statements including the Popular Annual Financial Report (PAFR). The Division also coordinates the annual budget process, including long-range financial planning and internal and external financial performance reporting.

► ORGANIZATIONAL CHART

The Finance Division is managed by the Chief Finance Officer (CFO); the CFO reports to the Town Manager.

FINANCE DIVISION

GOALS

- ▶ Implement and maintain system to improve departments access to online budget information
- ▶ Prepare the Comprehensive Annual Financial Report (CAFR) and Annual Expenditure Limitation (AELF) in-house
- ▶ Fully reconcile, re-implement and maintain a Capital Improvement Plan (CIP) tracking system
- ▶ Implement and maintain a single point of entry purchase order (PO) process
- ▶ Request for Qualifications for Audit services
- ▶ Update and align the Town's Financial Management and Investment Policies
- ▶ Full reconciliation of Impact fees and Sewer buy-back programs

HIGHLIGHTS

- ▶ Placing exceptional emphasis on recommended standard processes, the Finance Office focused on aligning, re-rolling out and enhancing processes;
- ▶ Re-aligned the Accounts Receivable process, Capital Asset recording and reporting, Interfund loans and debt reporting, employee benefit and insurance processes and reporting, revenue categorization, investment portfolio, and structure of the general ledger;
- ▶ Re-rolled out p-Card processes, Claims and insurance reporting, Excise tax bond spending and reporting, and accounting for grants and donations;
- ▶ Enhanced consistency in Accounts Payable processes;
- ▶ Enhanced financial reporting with a new annual budget document presentation, Quarterly reports that updates the Town's long-rang financial forecast, and introduced the Popular Annual Financial Report (PAFR); and
- ▶ Ability to prepare the CAFR and AEL in-house.

SERVICE STATS

- ▶ Below is a chart of primary billing services provided by the Finance office.
- ▶ There are other services billed through accounts receivable such as false alarms, reimbursable plan review and inspection fees and other charges for services.

Number of billings, by fiscal year					
Primary services	2019 Est	2018	2017	2016	2015
Fire services	42,759	42,343	42,726	44,385	47,187
Sewer services	26,520	26,407	26,267	26,098	25,932
Alarm services	3,878	4,381	4,919	4,845	5,560
Late notices	1,617	1,743	1,851	1,957	2,234
Printed statements	37,574	37,929	39,238	38,842	45,054
Electronic statements *	51,615	50,926	50,627	48,140	53,915
* electronic statements may still require staff time in assisting customers to use online services					

FINANCE DIVISION

STAFFING LEVELS

Staffing levels have remained consistent from 2015/16 through 2018/19. The recommended FY2019/20 budget includes the addition of ½ Procurement coordinator to assist all departments with the essentials of meeting procurement laws, including solicitations and contracting. This addition is listed under staffing; but contracting this service is also feasible.

Table 1 below displays the division's positions, by classification.

FINANCE Table 1 - Authorized positions by CLASSIFICATION					
POSITION CLASSIFICATION	2019/20	2018/19	2017/18	2016/17	2015/16
Director of admin & gov't affairs	-	-	-	1.0	1.0

Sr. finance & budget analyst	1.0	1.0	1.0	1.0	1.0
Procurement coordinator	0.5	-	-	-	-
Accounting specialist	-	-	-	-	2.0
Total full time equivalents	4.5	4.0	4.0	4.0	4.0

FUNDING LEVELS

Funding for the Finance Division consists of General Fund resources and the Alarm, Fire and Wastewater enterprises. Overall, funding is anticipated to **decreased by \$24,318 (3.1%)**. The change in Enterprise funding is a result of direct charging the Enterprises for services and allocating staff costs.

FINANCE Table 2 - Funding by Source						
Funding by Source	Budget 2019/20*	Budget 2018/19	Change \$	Change %	Projected 2018/19	Actual 2017/18
General Fund	\$ 653,905	\$ 582,203	\$ 71,702	12%	\$ 513,422	\$ 535,232
Enterprises	107,380	203,400	(96,020)	-47%	203,400	197,603
Total Sources	\$ 761,285	\$ 785,603	\$ (24,318)	-3.1%	\$ 716,822	\$ 732,835
* Recommended funding levels ** Finance provides services to Alarm, Fire and Wastewater (enterprise)						

FINANCE DIVISION

► EXPENDITURES ◀

The Finance office recommended budget of \$761,285 is \$24,318 or 3.1% less than the prior fiscal year. This results primarily from changes in:

Personnel: The net increase of \$11,879 or 2% is a product of changes that reflect current salaries and wages with changes in medical, dental, retirement and other taxes and benefits and the recommended addition of one-half (1/2) Procurement coordinator.

Supplies and services: The net decrease of \$36,197 or 12% is primarily due to directly charging enterprise operations for printing (\$16,000) and processing fees (\$25,454) rather than through an administrative allocation. Other decreases were in insurances (\$9,415) and training (\$500). An increase is in professional services** of \$12,467 and that account is further detailed below.

Capital: There is no recommended capital budget for 2019/20.

FINANCE Table 3 - Expenditures by CATEGORY						
EXPENDITURES BY CATEGORY	Budget 2019/20*	Budget 2018/19	Change \$	Change %	Projected 2018/19	Actual 2017/18

* Recommended funding levels						

****Professional Services:** The recommended budget of \$146,782 is comprised of seven (7) services:

- ▶ Arizona department of revenue for tax collections and distributions \$38,282
- ▶ Independent and local Transaction Privilege Tax (TPT) audits \$60,000
- ▶ Audit fees for the annual financial audit \$33,000
- ▶ Federal single audit OMB-A133 if the Town is required \$3,500
- ▶ Agreed upon procedures to assess the Town's financial processes, knowledge transfer, continuity of operations and document \$6,000
- ▶ Investment custodial and bond trustee fees \$3,000
- ▶ Other services on demand such as policies and internal control review \$3,000

FINANCE DIVISION

{This page is intentionally left blank}

IT DIVISION

► **MISSION:** To provide the resources, infrastructure, and applications for internal staff and residents to securely store, access and work with the town's information.

► **VISION:** Technology systems provide accurate information to any authorized user; whenever, wherever and in whatever format the users required to be useful.

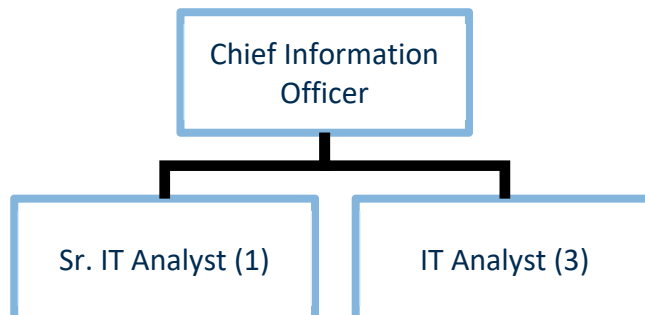

OFFICE PURPOSE & DESCRIPTION

Information Technology (IT) manages and maintains the Town's digital systems to ensure integrity and security of the information maintained within. Information is useful when it can provide value to our customers. IT supports, designs, and deploys computers, network systems and applications, public safety smart technology, geographic information systems (GIS), telephone and voicemail systems, internet and e-mail functionality to provide customer value.

The three business functional areas of IT are:

- Infrastructure support
- Application support
- Business system support

ORGANIZATIONAL CHART

The IT Division is managed by the Chief Information Officer (CIO); the CIO reports to the Deputy Town Manager.

IT DIVISION

STAFFING LEVELS

Staffing levels remained constant through 2016/17. With the onset of higher demands for services including GIS, one (1) additional Information technology analyst position was added with the 2018/19 budget to assist in centralizing staffing for GIS and other programs to the Information Technology division, rather than decentralized among various departments. No changes in staffing is recommended with the 2019/20 budget. Table 1 displays the division's positions by classification.

IT DIVISION

► EXPENDITURES ◀

The recommended budget of \$1,790,139 is \$(168,788) or 9% less than the prior fiscal year. This results primarily from changes in:

Personnel: Changes reflect current salaries and wages with changes in medical, dental, retirement and other taxes and benefits.

Supplies and services: The net decrease of \$129,948 (-10%) is primarily due to a decrease in costs for professional services (\$50,000), Software and maintenance (\$29,975), and Hardware and equipment (\$148,255) and increases in Liability and property insurance (\$3,606), Travel and training (\$16,577) and all other supplies and services (\$78,099).

MAYOR & COUNCIL

► **MISSION:** The Town of Paradise Valley provides high quality public services to the community which values limited government.

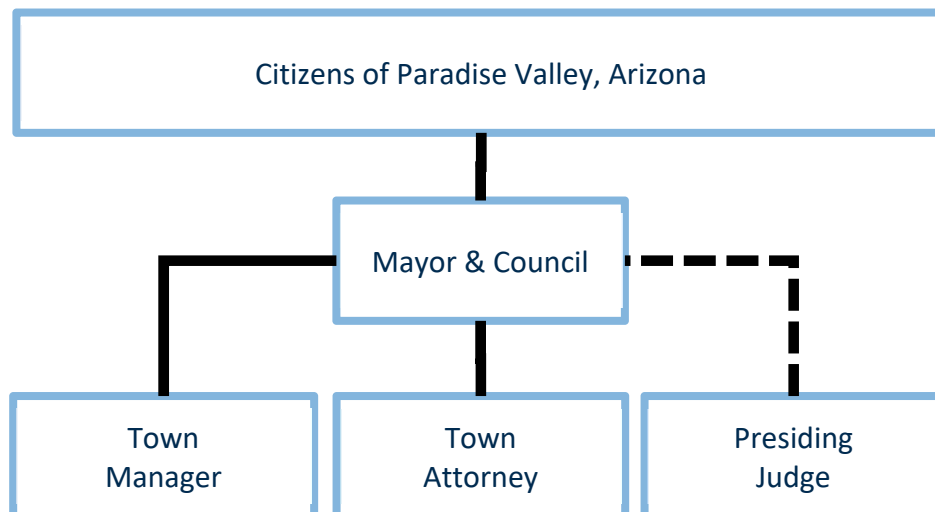

► **VISION:** The Town of Paradise Valley makes every effort to enhance the community's unique character for its residents and people from around the world.

OFFICE PURPOSE & DESCRIPTION

The Mayor and six (6) Town Council Members are the elected representatives of the Town of Paradise Valley, Arizona. The Mayor is elected to a 2-year term and Council a 4-year staggered term. Every two years an election is held for the Mayor and three (3) Council members. Each year, the Council selects a Council member to serve as Vice-mayor. The Council appoints the Town Manager, the Town Attorney, the Presiding Judge and members of the Town's commissions and boards. The Judge serves for two (2) years and cannot be removed except for malfeasance.

The Mayor and Town Council are responsible for establishing goals and adopting public policy that meets the community's needs.

ORGANIZATIONAL CHART

Mayor and Council are elected by the Citizens of Paradise Valley, Arizona. The Mayor and Council appoint the Town Manager, the Town Attorney and the Presiding Judge.

MAYOR & COUNCIL

Total Sources	\$ 177,720	\$ 182,200	\$ (4,480)	-2%	\$ 172,487	\$ 156,946

* Recommended funding levels

EXPENDITURES

The recommended budget of \$177,720 is \$4,480 or 2% less than the prior fiscal year. This results primarily from changes in:

Personnel: though the Mayor and Council are uncompensated volunteers, to properly insure the Town, there are nominal workers' compensation costs associated with this department.

Supplies and services: The net decrease of reflects one-time funding in FY2018/19 that is not present in FY2019/20. The total recommended budget includes an allocation of \$22,500 to upgrade the Council chamber(s) furnishings; \$45,000 for recognition programs, \$3,250 for the Historical and Arts committees.

PUBLIC WORKS

► **MISSION:** To maintain and improve the quality of the community through economically sound infrastructure preservation and enhancement while providing customer-focused, innovative, efficient and reliable municipal service to our residents.

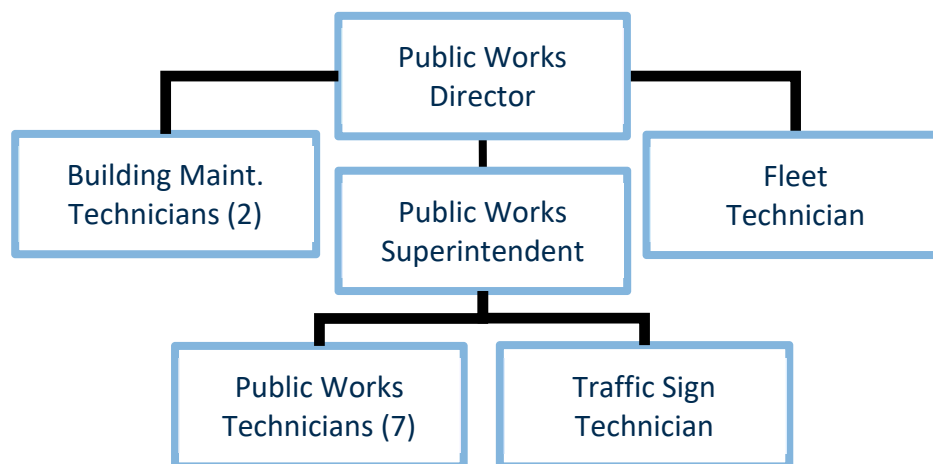

► **VISION:** Public Works will strive to be a leading organization helping to preserve a vibrant, innovative, world-class community. This is accomplished by meeting or exceeding resident needs through accountability, fairness, consistency, and increased communication. We will maintain and improve existing infrastructure in an effective manner. We are committed to supporting a positive work environment in which employees can share in the overall health, safety and welfare of the community.

OFFICE PURPOSE & DESCRIPTION

The Town of Paradise Valley Public Works Department provides many of the services that affect the daily lives of those who live and work in the town. Primarily, the department is responsible for:

- Streets and right of way
- Facilities maintenance and physical enhancements of all public buildings and grounds:
 - ▷ Town Hall Complex, Town's two fire stations, and Court's building
 - ▷ Goldwater Memorial Park
 - ▷ Kiva Municipal Sports Complex
- Janitorial services for Town facilities
- Fleet maintenance services and repairs for all town vehicles and heavy equipment

ORGANIZATIONAL CHART

The Public Works Department is managed by the Public Works Director; the Director reports to the Deputy Town Manager.

PUBLIC WORKS

GOALS

- ▶ Install 500 tons of decomposed granite on various median islands
- ▶ GIS – Identify existing backflow valves, irrigation valves, storm drains and culvert locations and create GIS maps
- ▶ Pavement rehab/preservation (mill & overlay, crack seal and PMM) in maintenance sections, major/minor arterials and collector streets as identified through the final PCI rating report
- ▶ Provided professional preventative maintenance and repairs to Town equipment and vehicles
- ▶ Coordinate and inspect the installation of emergency response equipment to three, 2020 Police Chevy Tahoe patrol units
- ▶ Street striping – Apply thermoplastic paint to Doubletree Ranch Road
- ▶ Create asphalt surface treatment schedule map for Public viewing
- ▶ Provide high quality service to the Town Council, Town residents and staff

HIGHLIGHTS

- ▶ Continued to enhance color by planting trees and plants on the Tatum Boulevard median islands
- ▶ Install 500 tons of decomposed granite on Doubletree Ranch Road.
- ▶ Pavement rehab/preservation (mill & overlay, crack seal and PMM) in sections 13, 15 and 10.
- ▶ Acquired data on all streets using laser surface tester van to update the Pavement Condition Index (PCI) in the pavement management software program (Lucity).
- ▶ Provided professional preventative maintenance and repairs to Town equipment and vehicles
- ▶ Installed new multi-zone air conditioning units at the Public Safety Building and Public Works Admin area.
- ▶ Coordinated and inspected the installation of emergency response equipment to two, 2019 Police Chevy Tahoe patrol units.
- ▶ Completed the Town campus reflection path.
- ▶ Storm cleanup and repair: Removed approximately 385 tons of debris from wash inlets/outlets and ROW's; repaired damage to washes, streets and shoulders

PUBLIC WORKS

STAFFING LEVELS

Staffing levels have remained consistent from 2015/16 through 2018/19. There are no staffing level changes recommended in the 2019/20 budget. Table 1 below displays the department's positions by classification; Table 2 shows the positions by primary service function.

PUBLIC WORKS

{This page is intentionally left blank}

PUBLIC WORKS

► EXPENDITURES ◀

The Public Works recommended budget of \$3,937,276 is \$(242,377) or 6% less than the prior fiscal year. This results primarily from changes in:

Personnel: The net increase of \$20,049 or 2% covers changes that reflect current salaries and wages with changes in medical, dental, retirement and other taxes and benefits.

Supplies and services: The net decrease of \$222,426 or -8% is primarily from reductions in the Street Preservation plan of \$205,442, solar speed boards and equipment (\$20,400), street asset collection services cost (\$60,445); and increases in utilities (\$13,340), professional services (\$44,154) and liability and property insurance (\$6,367).

Capital: There is no recommended capital budget for FY2019/20.

The Town Attorney represents the Town in all legal proceedings, reviews all ordinances, resolutions and contracts, and prepares legal opinions.

The Town Attorney's office handles all litigation concerning the Town and actively participates in risk analysis as a means to avoid costly claims or litigation. The office also handles the prosecution of all violations of Town codes and misdemeanor violations of state law within the Town, and all appeals from the Town's Municipal Court to the Superior Court.

ORGANIZATIONAL CHART

The Town Attorney's office is managed by the Town Attorney; the Town Attorney reports to the Town Council.

TOWN ATTORNEY

STAFFING LEVELS

Staffing levels have remained consistent from 2015/16 through 2017/18. Added in the 2018/19 budget was a part-time Assistant town attorney (0.7 FTE) and a part-time Prosecutor (0.3FTE) which were previously funded as contract positions. The recommended budget for 2019/20 includes a temporary position for administrative support, primarily in the prosecutor's office. Table 1 below displays the office's positions by classification.

TOWN ATTORNEY Table 1 - Authorized positions by CLASSIFICATION

TOWN ATTORNEY

► EXPENDITURES ◀

The Town Attorney's office recommended budget of \$721,897 is \$51,850 or 8% more than the prior fiscal year. This results primarily from changes in:

Personnel: The net increase of \$49,097 or 9% is a product of changes that reflect current salaries and wages with changes in medical, dental, retirement and other taxes and benefits and the addition of a temporary part-time position.

Supplies and services: The net increase of \$2,753 or 3% is attribute nominal increases in liability and property insurance (\$253) and all other supplies and services (\$2,500), including new chairs and standing desks.

Capital: There is no capital in the Town Attorney's office budget this year.

TOWN MANAGER

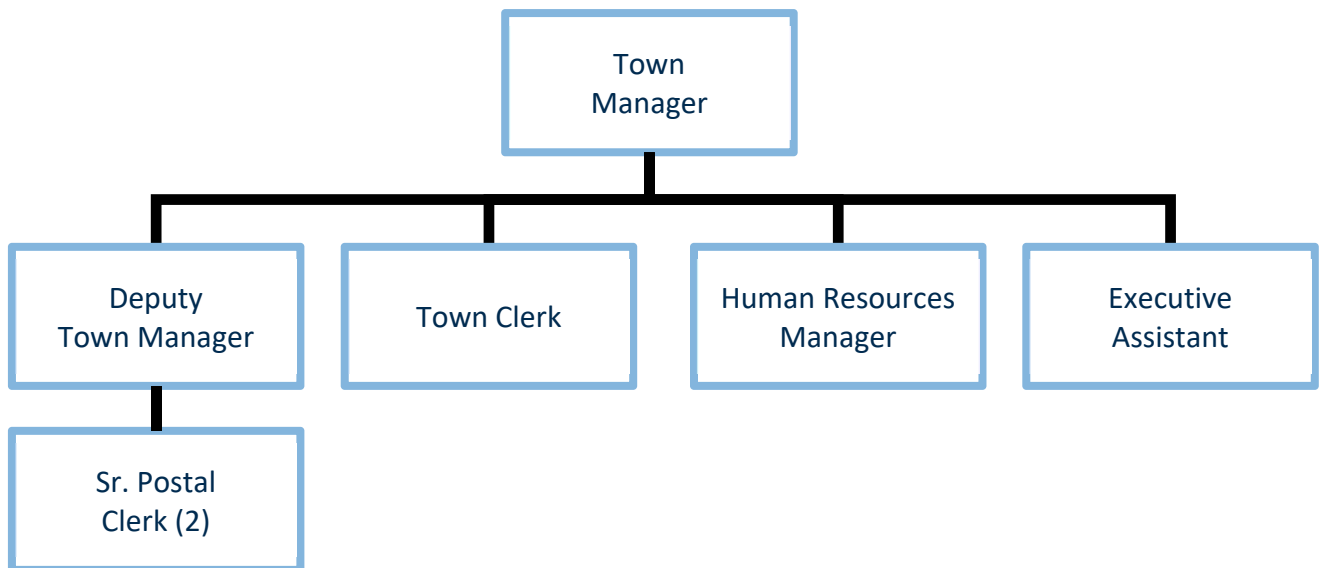

OFFICE PURPOSE & DESCRIPTION

The Town Manager provides the overall administrative leadership for the Town necessary for the implementation of:

- ▶ Town Council policies
- ▶ Management of the organization
- ▶ Delivery of services to the community

The Town Manager implements the Council's established goals and initiatives through professional leadership and management practices. It is also the responsibility of this office to ensure that Town operations are performed effectively, efficiently and economically, and that the Town services are responsive to community needs. The Town Manager or designee serves as the Secretary to the local Public Safety Personnel Retirement System (PSPRS) Board and is responsible for publishing the Town Reporter.

ORGANIZATIONAL CHART

The Town Manager's office is managed by the Town Manager; the Town Manager reports to the Town Council.

TOWN MANAGER

STAFFING LEVELS

There are no changes in the Staffing levels in the Town Manager's office with this fiscal year's budget. In fiscal year 2018/19, the Deputy Town Manager position was moved from Administrative Services to the Town Manager's Office. Oversight of the post office moved from Community Development in 2018/19. Table 1 displays the office's positions, by classification including the Post office's history.

PUBLIC SAFETY

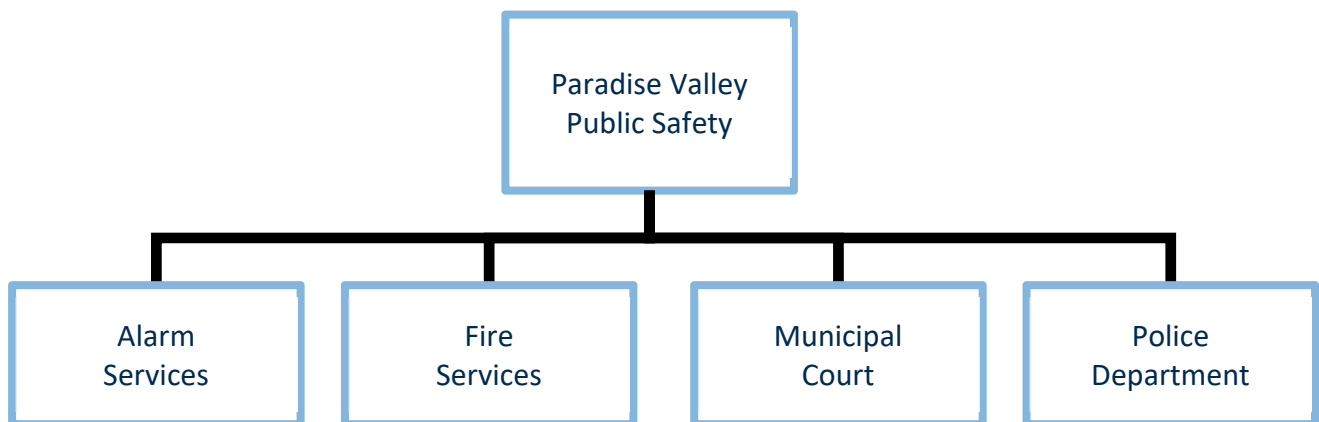

{This page is intentionally left blank}

PUBLIC SAFETY

OFFICE PURPOSE & DESCRIPTION

Public Safety is one of the primary roles of local government. In the Town of Paradise Valley, public safety is comprised of the Police Department, the Municipal Court the fire contract with the City of Phoenix and the Town's alarm services. Other departments throughout the Town provide support to public safety, including the Town attorney's office, Information technology, Finance, the Town manager's office and Public works. The Police department and the Municipal court are primarily funded from the Town's general fund, while separate funds and revenue sources have been established for the Fire and Alarm services. Further details on each of these four units are in the pages that follow.

ORGANIZATIONAL CHART

PUBLIC SAFETY

{This page is intentionally left blank}

ALARM SERVICES

OFFICE PURPOSE & DESCRIPTION

The Alarm Services Enterprise accounts for the activities of the Town's alarm system monitoring services. As an enterprise, the rate structure for both residential and commercial customers is designed to recover the costs of providing services.

FUNDING LEVELS

Funding for the Alarm services consists of service fees paid by customers. Funding for operations is budgeted to **decrease by \$154,968 (-46%)**.

ALARM Table 1 - Funding by Source

Funding by Source	Budget 2019/20*	Budget 2018/19	Change \$	Change %	Projected 2018/19	Actual 2017/18

* Recommended funding levels						

EXPENDITURES

The Alarm Services budget of \$185,000 is \$154,968 (-46%) less than the prior fiscal year. This results primarily from changes in:

Personnel: Personnel expenditures are part of the Town's administrative allocation and includes services from the Police, Information technology and Finance. The net decrease was a product of re-assesses the allocation to better reflect services provided by Town departments.

Supplies and services: The decrease is a result of aligning the budget and spending.

FIRE SERVICES

OFFICE PURPOSE & DESCRIPTION

The Fire Service Enterprise was established to record activity associated with the fire service fee which began January 1, 2013. State Legislation was passed in 2014 that permanently allows the collection of the Town's fee. The City of Phoenix provides fire services via a contract with the Town in which costs are shared equally. The Town constructed both fire stations (the associated debt service is not paid from this fund) and the station operating costs are reimbursed from the operating budget. Emergency medical services are provided by a private company which operates from leased Town property.

Fire Service Rates were designed to recover operating costs, but not the construction costs of the fire stations. The residential rate tiers and commercial rates are based on the zoned use of the property.

The revenue in this 2019/20 budget reflects the continuation of the one-month discount program if a customer pays the entire annual amount due by February 20th.

FUNDING LEVELS

Funding for Fire Services consists of fees paid by customers and an Intergovernmental Agreement, and rents & reimbursements. Funding is recommended to **increase by \$179,239 (6%)**.

FIRE Table 1 - Funding by Source

FIRE SERVICES

► EXPENDITURES ◀

The Fire Services recommended budget of \$3,335,239 is \$179,239 (6%) more than the prior fiscal year. This results primarily from changes in:

Personnel: The net increase of \$82,324 results from the updated personnel allocation plan of Town departments support Fire Services.

Supplies and services: The net increase of \$179,239 or 6% is from an increase in the Phoenix IGA (\$37,173), maintenance costs (\$14,400), allocating billing and processing costs associated with Fire Services (\$40,752) and all other supplies and services (\$26,779); with reductions in utilities (\$212) and the operating contingency (\$21,977).

MUNICIPAL COURT

► **MISSION:** To provide a professional and dignified forum for the efficient, fair and swift resolution of all matters that come before the Court.

OFFICE PURPOSE & DESCRIPTION

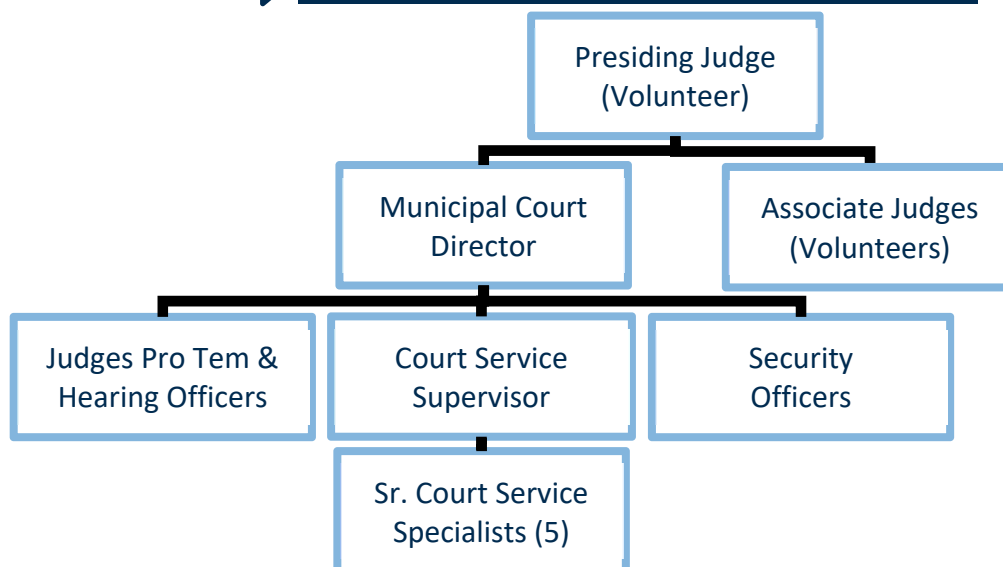

The Municipal Court is the independent judicial branch of the Town government. The Court adjudicates all criminal misdemeanors, town code violations, traffic violations and certain juvenile offenses. The Court issues protective orders in cases of domestic violence and harassment. The Presiding Judge, Associate Judges, Judges Pro Tem and Hearing Officers are all volunteers. The Judges are appointed by the Town Council for a two year term. The Hearing Officers are appointed by the Presiding Judge.

The Paradise Valley Municipal Court is a court of limited jurisdiction within the Town of Paradise Valley. As a part of the Arizona State Court System, it is subject to the authority of the Arizona Supreme Court. The Paradise Valley Municipal Court is one of eighty-two municipal courts in Arizona and is the **sixth largest** municipal Court in the State in terms of case volume.

Paradise Valley Municipal Court is the ONLY court in the nation that operates with a 100% volunteer judicial bench. The Court has eight volunteer judges appointed by Council and two hearing officers appointed by the Presiding Judge.

The Court is committed to administer justice in the most effective and efficient manner possible. The Court is proud to share our continuous efforts that demonstrate effective stewardship of public resources.

ORGANIZATIONAL CHART

Operations of the Municipal Court are managed by the Municipal Court Director; the Director reports to the Presiding Judge.

MUNICIPAL COURT

▶ YEAR END HIGHLIGHTS ◀

EAST VALLEY REGIONAL VETERANS COURT – This partnership with 6 Maricopa County Municipal Courts, United States Department of Veterans Affairs, City of Tempe's Human Services Department and other resources to assist veterans with criminal cases and address life situations that may have contributed to their criminal offenses. This specialty court served an astounding 540 veterans in 2018.

HOME DETENTION - Home detention with electronic monitoring continues to provide substantial cost savings to the Town's prisoner maintenance budget. The Court offers home detention in lieu of jail to non-violent offenders. In fiscal year 2018, a total of 101 days of electronic monitoring in lieu of incarceration was served by 12 defendants. Had all these days been spent in jail, more than \$12,000 would have been incurred in additional jail costs.

MARICOPA COUNTY REGIONAL HOMELESS COURT - Partnership with 48 Maricopa County Courts to assist individuals end their homelessness and resolve minor misdemeanors and traffic offenses. Presiding Judge, J. Tyrrell Taber is one of many judges who volunteers to preside over Homeless Court. This specialty court served 150 people who were homeless in 2018.

MENTAL HEALTH COURT – Partnership with Tempe Municipal Court to provide eligible defendants the option of participating in City of Tempe's Mental Health Court. This specialty court was established to provide psychiatric stability of mentally ill defendants to reduce recidivism and jail costs.

PRISONER VIDEO APPEARANCE - The Paradise Valley Municipal Court implemented video appearances for defendants held in custody on misdemeanor charges in April 2018. Paradise Valley Municipal Court is honored to be one of the very few municipal courts approved to use Maricopa County's Video Appearance Center that was established primarily to serve the Arizona Justice Courts. The implementation of video appearance eliminated the need for police officers to transport prisoners to court, allowing them to remain on the streets of Paradise Valley. Since inception, the court has seen 32 prisoners by video appearance.

SUPREME COURT EDUCATIONAL COMPLIANCE - During 2018, Paradise Valley Municipal Court achieved a 100% compliance with Arizona Supreme Court's annual education standards. Court personnel and judges are required to complete at least 16 credit hours of court education each year, including ethics training and computer network security. All court employees completed over 22 credit hours, exceeding Arizona Supreme Court's education requirements. The court is committed to higher education through training and development of employees by offering in-house training, e-learning courses and other training opportunities available to court staff.

TAX INTERCEPT PROGRAM - The Tax Intercept Program (TIP) collected \$4,227.25 in 2018. This automated program operated by the Arizona Supreme Court allows the court to intercept state income tax refunds and lottery winnings for overdue case balances.

INTERFUND LOAN

Municipal Court was granted a loan from the Town's General Fund to construct its current facilities. The loan was to be repaid, plus interest and an annual land lease, beginning 12/31/2013 and ending 06/30/23. Municipal Court has used the "Court Enhancement" revenue to make the payments. Table 3 shows the originally scheduled payments for this interfund loan.

MUNICIPAL COURT Table 3: Interfund Loan Balance

MUNICIPAL COURT

FUND BALANCE

The Court Enhancement fund is used to pay the building loan. Table 4 below shows an estimated balance of \$1,036,912 at year end FY2020 with the loan paid in full.

MUNICIPAL COURT Table 4 - Changes in fund balance: COURT ENHANCEMENT AND OTHER GRANTS					
Interfund loan does not report as expenditure	Budget 2019/20	Projected 2018/19	Actual 2017/18	Actual 2016/17	Actual 2015/16
Beginning fund balance, July 1	\$1,068,325	\$ 736,148	\$ 386,941	\$ 161,586	\$ (282,949)
Plus: total revenue	436,500	464,955	405,777	304,459	590,407
Less: total expenditures	(70,713)	(37,778)	(56,570)	(79,104)	(145,872)
Loan repayment, net interest	(405,000)	(95,000)	(90,000)	(90,000)	(90,000)
Ending fund balance, June 30	\$1,029,112	\$1,068,325	\$ 736,148	\$ 386,941	\$ 161,586
Outstanding loan	\$ -	\$ 405,000	\$ 500,000	\$ 590,000	\$ 680,000

EXPENDITURES

The budget of \$1,336,693 is \$266,112 (25%) more than the prior fiscal year, primarily from changes in:

Personnel: Changes reflect current salaries and wages with changes in medical, dental, retirement and other taxes and benefits.

Supplies and services: The net decrease of (\$31,276) or (-10%) is a product of reductions in indigent legal aid (\$7,000), financial auditors (\$3,400), liability insurance (\$3,173), credit reporting (\$1,700), process service (\$2,000) and office supplies (\$1,300); offset by increases in training & travel (\$8,290), interpreter services (\$4,000), professional services (\$1,500) and credit card processing fees (\$1,700).

Building loan repayment: The budget of \$410,063 is for the Court Enhancement fund to pay the entire balance of the loan with the December 2019 payment.

MUNICIPAL COURT

{This page is intentionally left blank}

POLICE DEPARTMENT

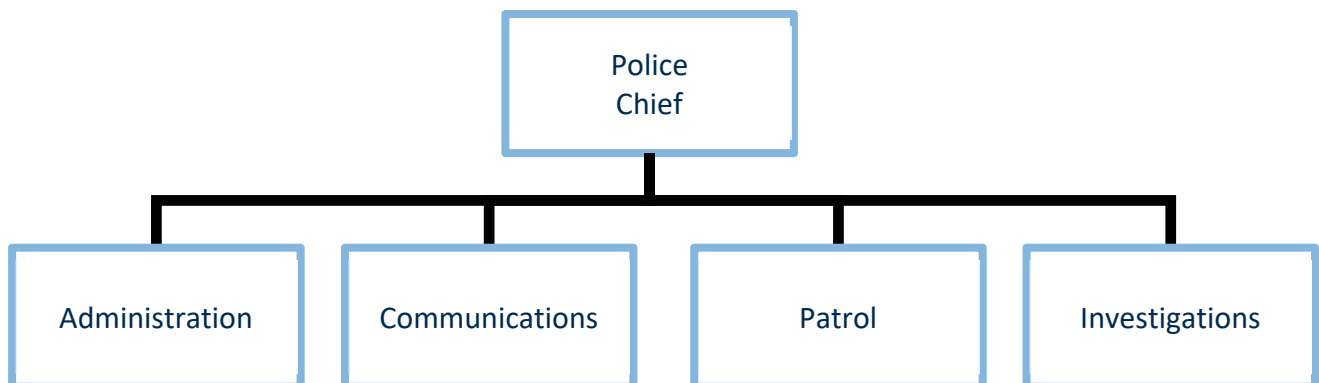

► **MISSION:** To provide high quality police services to our community, reduce crime and the fear of crime, by working with all citizens, preserve life, protect property, promote individual responsibility and encourage community involvement.

► **VISION:** To Maintain a strong Police-Community partnerships to keep our neighborhoods crime free and to eliminate fear of crime in our community.

OFFICE PURPOSE & DESCRIPTION

We provide high quality police services 24 hours per day, 7 days per week, 365 days during the year. We are always open! The service we provide includes responding to crimes, traffic collisions, medical emergencies, fires, public safety hazards, domestic disputes and other community needs. We strive to fulfill the needs of our community through our Vacation Watch program, the Medication Drop Box, and regular visits to neighborhood schools, among other community oriented policing programs. We believe in high level of communication with our community and achieve that level through both traditional methods of communication (newspaper reports and columns) and non-traditional media platforms (social media and emergency notification methods).

ORGANIZATIONAL CHART

The Police Department is managed by the Police Chief; the Chief reports to the Town Manager.

POLICE DEPARTMENT

{This page is intentionally left blank}

POLICE DEPARTMENT

▶ GOALS ◀

Goal 1: Reduce Crime and the Fear of Crime

Goal 2: Encourage Community Empowerment

Goal 3: Develop and Empower Department Personnel

Goal 4: Incorporate Technology into the Department

Goal 5: Review and Improve Work Product

▶ DATA FROM 2018 ◀

- ▶ Over 8% **decrease** in FBI Part 1 Crimes
 - ▷ One hundred percent (100%) **decrease** in FBI Part 1 Violent Crimes (Homicide, Sexual Assault, Aggravated Assault and Robbery)
 - ▷ Over 11% **reduction** in FBI Part 1 Property Crimes (Burglary, Theft, Motor Vehicle Theft, Arson)
- ▶ Over 13% **decrease** in Motor Vehicle collisions
- ▶ Nearly 20% **increase** in Felony and Misdemeanor Arrests over three-year average
- ▶ Successful transition to Tyler Enterprise Computer Aided Dispatch
- ▶ Recognized as Arizona's #1 Law Enforcement Fundraising Agency, per capita by Special Olympics Arizona
- ▶ Successful partnership with private vendor to provide infrastructure for Town's alarm monitoring program
- ▶ Named 3rd Safest Municipality in Arizona by the National Council for Home Safety and Security

* Recommended funding levels						

Grants and donation: Should these grants and donations not materialize, then the spending will not occur.

POLICE DEPARTMENT

► EXPENDITURES ◀

Administration: The recommended Administration budget is 10% less than Fiscal Year (FY) 2019. This is due to the completion of several projects. For example, Police Department security cameras were budgeted, approved, purchased, and installed during FY 19, completing a \$55,000 project. Additionally, over the past two years, lockers in the evidence area have been purchased and installed and the evidence locker security is now up to best practices.

Several new items have been requested, including training equipment to provide realistic, force on force training (\$6,000), sound suppressors (\$9,000) to prevent hearing damage during firearm training and an update to the furniture in the police department lobby (\$8,600). A request for forensic technology interrogations (\$6,000) to collect data from electronic devices (Ex. wi-fi, vehicle on-board diagnostics), pursuant to judicial oversight, and further investigations is included. Small increases to the Community Outreach program budget (\$1,885) reflect the growing use of the You Are Not Alone (YANA) program by residents.

Communication: The recommended budget in the Communication Budget have increased 12% versus FY 2019. This increase is driven by increases to the Regional Wireless Consortium (RWC) radio fees (\$24,000). The RWC is providing a mandatory software upgrade during FY 20. Additionally, a radio repair contract (\$13,000) and a service agreement on backup power at the radio site (\$10,000) have been requested. These items are new this year because the equipment was under warranty during FY 19. Finally, four new portable radios (\$28,000) and new headsets for dispatchers (\$3,300) have been requested.

Patrol: The overall recommended Patrol budget increased minimally for FY 20. During FY 19, body worn cameras (BWC) were requested, approved, and purchased on a five-year contract. The second-year cost of this contract is approximately \$23,000. During FY 20, mobile (vehicle) cameras have been requested for replacement. The first-year cost of a five-year contract is approximately \$54,000. The total cost of the five-year project is approximately \$170,000. Mobile video cameras provide different footage during vehicle movement than BWCs can provide.

School safety funds, collected under A.R.S. 28-797M, must be used for school zone safety and enforcement. A variable message board trailer with RADAR (\$24,000) has been requested from these directed funds. The VMB trailer would be deployed in the school zones to remind motorists about reduced speeds and can notify residents of important information additionally.

In the Patrol Budget, a capital expenditure of \$283,500 for police vehicles and police equipment inside the police vehicles has been requested. Three patrol Tahoes (\$121,000) and police equipment (\$76,500) have been requested. Additionally, two unmarked vehicles have been requested (\$64,000) with the associated equipment (\$12,000). Finally, decommissioning the five vehicles leaving the fleet and preparing these vehicles for auction costs \$10,000.

Investigations: The Investigations recommended budget increased slightly compared to FY 19. Software related to the License Plate Recognition (LPR) program increased in annual cost by \$700. Additionally, a forensic light (\$4,200) has been requested in FY 20. This light will assist in the identification and subsequent collection of physiological fluids, latent prints and pattern wounds.

POLICE DEPARTMENT

► EXPENDITURES ◀

The recommended budget of \$14,316,074 is \$(97,771) or (1%) less than the prior fiscal year. This results primarily from changes in:

Personnel: The net decrease of \$74,072 (1%) represents changes reflective of current salaries and wages with changes in medical, dental, retirement and other taxes and benefits

Supplies and services: The net decrease of \$10,499 (-1%) is due to the completion of several projects during FY 19. For example, the security camera project for the police building was budgeted, approved and completed in FY 19 (\$55,000). Also, the extended maintenance agreement for the current License Plate Recognition (LPR) program cannot be extended due to the age of the LPRs. Also, one-time monies were used to purchase desks and chairs (\$10,000) for photo enforcement technician positions mandated by FY 19's Senate Bill 1110. Finally, the body worn camera project was budgeted as a one-year, \$125,000 project in FY 19. However, a vendor was selected that allowed the project to be broken out over five years at the same \$125,000, which appears as a \$100,000 decrease to the FY 20 budget.

Capital: The capital budget of \$283,500 is for police vehicles and police equipment inside the police vehicles. Three patrol Tahoes (\$121,000) and police equipment (\$76,500) have been requested. Additionally, two unmarked vehicles have been requested (\$64,000) and the associated equipment (\$12,000). Finally, decommissioning the five vehicles leaving the fleet and preparing these vehicles for auction costs \$10,000.

DEBT SERVICE

DEBT MANAGEMENT

The Town uses several financing instruments to fund its capital needs. Each method leveraging has specific and secure sources identified and used for the debt repayments.

The Town employs the early recognition option for payments of principal and interest when due early in the subsequent year for financial reporting and budget purposes to ensure resources are both measurable and available when payments are due.

FINANCING INSTRUMENTS

There are numerous financing instruments available to Towns in the State of Arizona as listed below; and instruments utilized by the town are highlighted in orange:

- ▶ General obligation bonds;
 - ▶ **Revenue bonds;**
 - ▶ **Excise tax revenue obligations;**
 - ▶ Improvement bonds;
 - ▶ Special assessment bonds;
 - ▶ Rural development loans;
 - ▶ Certificates of participation;
 - ▶ **Capital and operating leases;**
 - ▶ Lease purchase;
 - ▶ **Pay-as-you-go; and**
 - ▶ **Interfund borrowing.**
-

DEBT LIMITATION

Bonded indebtedness of local municipalities is subject to a two-tiered constitutional debt limit.
(Arizona Constitution, Article 9, Section 8; June 2008)

Under Arizona law, counties, cities, towns, school districts and other municipalities may issue general obligation bonds up to 6% of the jurisdiction's net secondary assessed valuation without voter approval. Voter approval is required before issuing over the 6%.

With voter approval cities and towns may issue general obligation bonds up to 20% of the jurisdiction's net secondary assessed valuation for supplying the city or town with water, artificial light or sewers when this infrastructure will be owned and operated by the city or town; and for the acquisition and development of open space preserves, parks, playgrounds and recreation facilities, public safety, law enforcement, fire and emergency services facilities, and streets and transportation facilities.

With voter approval, counties and school districts may issue general obligation bonds up to 15% of the jurisdiction's net assessed valuation.

Special Taxing Districts formed under Arizona Revised Statutes Title 48, have the same and some have further restrictions than set forth in the Arizona Constitution.

DEBT SERVICE

► EXCISE TAX ◀

The Town's Debt Service Fund was originally established to account for long-term debt issued by the Town for the construction of the Town's two fire stations and additional wastewater capacity under the [Paradise Valley Municipal Property Corporation \("PVMPC"\)](#). This was the Refunding Bonds Series 2009.

The [PVMPC](#) is a nonprofit corporation incorporated under the laws of Arizona formed for the sole purpose of assisting the Town in obtaining financing for various projects of the Town. The Town has an obligation for the repayment of the PVMPC bonds. The PVMPC consists of a Council appointed, seven member board of directors.

The entire future amount due for principal and interest was pre-funded for the two fire stations. The wastewater capacity portion is paid by the Wastewater fund. The final maturity date for the bond was January 1, 2019 and all this debt has been paid.

In 2016, the Town issued new General Fund debt for construction primarily of the Public Safety Tower, street improvement and other projects. This was done through a direct placement loan (excise tax revenue obligations) with an interest rate of 1.69%. This pledged revenue structure is not subject to debt limitations and use of the bond proceeds are exempt from the State's mandated expenditure limitation.

► INTERFUND LOAN ◀

The Town has two interfund loans:

- ▷ **Additional Wastewater capacity:** The general fund's current balance loaned to the Wastewater fund is \$1,528,638. This is paid by Wastewater impact fees are collected in excess of the amounts needed for PVMPC revenue bonds series 2009. Payments are expected to begin in 2020.
 - ▷ **Court facilities:** The general fund loaned \$900,000 for the construction of courtroom facilities with a current balance of \$405,000. The repayment schedule was set with Council resolution no. 1277 with *Court enhancement funds*.
-

► CAPITAL LEASE ◀

There are currently no outstanding capital leases; the final payments for police equipment was in fiscal year 2018.

► PAY-AS-YOU-GO ◀

The vast majority of the Town's projects and operations are Pay-as-you-go. The Town's CIP is designed to accumulate cash for a project before initiating and is also setting aside resources to finance its fleet replacement and facilities plans.

DEBT SERVICE

▶ PAYMENT SCHEDULES ◀

As of June 30, 2019, the Town will have \$7,065,000 in principal outstanding, with the final payment due at the end of 2023. The table below lists the remaining principal and interest payment schedule for the Excise Tax Revenue Obligations Series 2016.

Capital Projects 2016 Table 1 - Remaining Payment Schedule

Balance	\$ 405,000.00	\$ 23,000.00	\$ 428,000.00
An annual land lease of \$25,000 is assessed until loan repaid			

DEBT SERVICE

FUNDING LEVELS

In fiscal year 2019/20, funding for the annual debt service payments for the 2016 excise tax revenue obligations is \$1,477,864. It is recommended to use the current balance in the bonds "payment fund" first and transfer the remaining from the general fund (\$168,494). This is a one-year savings to the general fund and full funding will be required through the maturity of the bonds.

Capital Projects 2016 Table 2 - Funding by Source						
Funding by Source	Budget 2019/20*	Budget 2018/19	Change \$	Change %	Projected 2018/19	Actual 2017/18

DEBT SERVICE

► PROJECTS ◀

Table 4 summarizes the projects funded with the 2016 excise tax obligations. These projects were specifically identified from the Town's Capital Improvement Plan. Other projects in the CIP were specifically excluded. Overall, the projects were completed under budget and the savings reverted to the payment fund.

CAPITAL PROJECTS 2016 Table 4 - Bond Projects

Unallocated	-	-	-		-	3,852	3,852
Total projects expenditures	\$2,607,705	\$2,507,251	\$1,301,588	\$24,086	\$6,440,630	\$7,750,000	\$1,309,370
Total Use of bond proceeds	\$2,286,050	\$ -	\$4,107,442	\$47,138	\$6,440,630	\$7,750,000	\$1,309,370

- In **2016**, proceeds were drawn to pay for projects in 2016 and previous. This amount was exempt from the annual expenditure limitation and used prior year carry-over exemptions for the difference.
- In **2017**, no proceeds were drawn. The projects were paid by General Fund and the Town used carry-over exemptions to close the year under the annual expenditure limitation.
- In **2018**, proceeds were drawn for spending that occurred in 2017 and 2018. The General Fund cash was replenished but use of prior year's expenditure limitation exemptions cannot be replenished. The Town closed the year under the newly increased expenditure limit.
- In **2019**, final spending for these projects was reconciled. Total of all projects was under budget by \$1.3 million and reverted to the payment fund. The Town did not experience any monetary harm in the CIP with the reverted funds. Typically, savings from one project could be repurposed for another similar project like "street improvements", but since the projects list was specific and the time period to obligate of three years had expired that was not granted by the Bond Trustee or Council.

CONTINGENCIES

TYPES OF CONTINGENCIES

For nearly every conceived risk or possible event, an assigned contingency could be established. To assist in managing foreseeable risk and plan for the future, the Town has the following assigned balances and contingencies in the 2019/20 budget:

Contingencies:

- ▶ Operating contingency – this supports unbudgeted operating costs;
- ▶ Activity based – this is set aside for a specific activity to occur or service level reached; and
- ▶ Repair and replacements – this accumulates funds for vehicles, equipment and facilities.

Assignments:

- ▷ Contractual – this is for future contractual payments with funds received today;
- ▷ Unfunded liability – resources to pay long-term debts as expenditure limitation allows; and
- ▷ Emergency / future use – funding for the future, but available for an emergency today.

The table below displays each reserve and contingency by category.

Table 1 - Authorized reserves and contingencies

PURPOSE & DESCRIPTION

Tourism and the hospitality industry are critical elements and contribute greatly to the Town's character. These industries generate a significant portion of the Town's operating revenue. As a result, the Town dedicates significant resources to invest in tourism promotion.

- ▶ Services are provided through a contract with Experience Scottsdale.
- ▶ The Town invests 40.9% of occupancy (bed) tax revenue as determined from the most recent audited financial statements. In audit year 2018, the Town received \$4,443,281 in occupancy (bed) tax revenue; and then 40.9% is the investment in budget 2020 (\$1,817,302).

FUNDING LEVELS

Tourism is paid from the Occupancy (Bed) tax; not General Fund revenues are used for this program.

TOURISM Table 1 - Funding by Source						
Funding by Source	Budget 2019/20*	Budget 2018/19	Change \$	Change %	Projected 2018/19	Actual 2017/18

PUBLIC TRANSIT

PROGRAM DESCRIPTION

Public transportation is recommended to be fully (100%) funded through funds distributed to jurisdictions from Valley Metro. The funding is from Arizona Lottery Fund (ALF); and the Deputy Town Manager acts as the program manager. No general fund resources are being requested or recommended for public transportation programs in the recommended 2019/20 budget.

Public transit is “defined as any service, vehicle(s), or support facility for a vehicle(s), intended for the purpose of conveying multiple passengers (i.e. typically 5 or more)” and “includes the planning and administrative support for such services”. Some “special needs”, “dial-a-ride”, or other demand-responsive or carpool vehicles may have less than 5 passengers. Services can be contracted with a transit provider.

Examples of eligible expenditures include, but not limited to:

- ▶ Fleet, buses, vans and paratransit vehicles;
 - ▶ Light and rapid rail construction projects;
 - ▶ Passenger shelters, bus stop signs, and similar passenger amenities;
 - ▶ Vehicle rehabilitation, remanufacture or overhaul;
 - ▶ Storage or maintenance facility construction or rehabilitation;
 - ▶ Provide access to bicycle transport, transit vehicles or to transit facilities;
 - ▶ Lease of equipment when lease is more cost effective than purchase;
 - ▶ Passenger information kiosks, scheduling technology, and weather information systems;
 - ▶ Fuel, oil and maintenance costs for vehicles;
 - ▶ Transit employee salaries;
 - ▶ Marketing and administration of programs to encourage reductions in travel and promote alternative modes such as carpooling, vanpooling, walking, bicycling, and alternative work schedules.
 - ▶ Marketing to advertise and promote transit service in the service area.
-

Funds under this program are required to be spend within two years of receipt. The table on the next page shows how the AFL funds have been used since FY2016/17.

The final grant submissions are typically due at the end of January. Staff will revisit this budget with Council before Thanksgiving to validate options for use of funds.

PUBLIC TRANSIT

► EXPENDITURES ◀

The below table summarizes the Town's previous uses of ALF. It is recommended to continue the trip reduction program and maintenance of the bus stops. It is estimated that the Town will have up to \$38,153 for other programs in FY2020 as designated "To be allocated".

PUBLIC TRANSPORTATION Table 1 - Expenditures by CATEGORY

Trip reduction	10,000	10,417	(417)	-4%	5,417	2,283
Bus stop refurbish	-	-	-	n/a	3,450	13,720
To be allocated	38,153	-	38,153	n/a	-	-
Total Uses	53,153	40,154	13,153	32%	34,067	41,203
Ending fund balance, June 30	\$ -	\$ 15,153	\$ (15,307)	-100%	\$ 17,570	\$ 12,916

Continuing the Trolley services is an option but is not recommended with this recommended budget. Further information on recommended use(s) of ALF will be brought to Council for discussion before Thanksgiving.

WASTEWATER SERVICES

OFFICE PURPOSE & DESCRIPTION

The Town of Paradise Valley (the “Town”) provides Wastewater services to both residential and commercial customers who are connected to the Town owned sewer system (approximately 2,100 accounts). The City of Scottsdale (the “City”) operates and maintains the sewer system through an intergovernmental agreement (“IGA”) with the Town. The City bills the Town for operation and maintenance of the system. The Town bills its customers directly. Customer bills include a base rate charge and a commodity charge which is based upon winter water consumption.

In fiscal year 2015/16:

- ▶ The City revised its fee structure.
- ▶ The Town initiated a new IGA with the City
- ▶ The Town reviewed the master plan and Wastewater rate study
- ▶ The new IGA includes is a five (5) year project to inspect all town pipes and manholes to

In fiscal year 2017/18:

- ▶ The Town incorporated the last of two rate changes that Council approved in 2015/16
- ▶ The IGA includes the sewer assessment annual payment of \$234,000

In fiscal year 2019/20, it is recommended:

- ▶ The Town under take system improvements
- ▶ Develop a plan and begin repaying the \$1,528,638 loan from General Fund

FUNDING LEVELS

Funding for Wastewater services is primarily from service fees from wastewater customers.

WASTEWATER Table 1 - Funding by Source						
Funding by Source	Budget 2019/20*	Budget 2018/19	Change \$	Change %	Projected 2018/19	Actual 2017/18

* Recommended funding levels						

WASTEWATER SERVICES

► EXPENDITURES ◀

The 2019/20 recommended budget of \$2,757,237 is \$131,079 or 5% more than the prior fiscal year. This results primarily from changes in:

Personnel: Personnel expenditures are part of the Town's administrative allocation and includes services from the Town attorney's office, Engineering, Information technology and Finance.

Supplies and services: Supplies and services are status quo from last fiscal year. The exception is the final bond payments in FY2018/19.

Assessments & improvements: The recommended budget continues the \$234,200 annual assessment payment and \$500,000 for system improvements.

WASTEWATER SERVICES

{This page is intentionally left blank}

WASTEWATER IMPACT FEE

OFFICE PURPOSE & DESCRIPTION

The Town of Paradise Valley (the "Town") provides wastewater services to both residential and commercial customers who are connected to the Town owned sewer system (approximately 2,100 accounts). For customers in this service area, payment of an impact fee is required at the time the property is connected to the system. The impact fees are used to repay outstanding debt which was issued to purchase treatment capacity in the City of Scottsdale treatment facilities necessary for the demand of future customers. The Town's impact fee study was updated in fiscal year 2016/17.

The recommended budget reflects a loan from the *Operating fund* that will be repaid through the rate structure. It is not uncommon that a cash shortfall occurs when debt is repaid by impact fees, as infrastructure often has to be in place before the related development occurs, and the fee collected cannot exceed each builder's proportionate share. The loan balance is \$1,993,178.

FUNDING LEVELS

Funding for this purpose is receiving Development impact fees and using prior year's fund balance.

WASTEWATER IMPACT FEE Table 1 - Funding by Source						
Funding by Source	Budget 2019/20*	Budget 2018/19	Change \$	Change %	Projected 2018/19	Actual 2017/18

POLICIES AND MANDATES

{This page is intentionally left blank}

FISCAL POLICIES

▶ FINANCIAL MANAGEMENT ◀

The most current Financial Management Policies initially appeared in the FY2015/16 adopted budget. Recommended amendments will be reviewed with Council for FY2019/20.

Town of Paradise Valley FY 2015-16 Budget

FINANCIAL MANAGEMENT POLICIES

OPERATING BUDGET POLICIES

1. Ongoing operating expenditures will be supported by ongoing, stable revenue sources.
2. Revenues will not be dedicated for specific purposes unless required by law or generally accepted accounting practices (GAAP). All non-restricted revenues will be deposited in the General Fund and appropriated by the budget process.
3. The Town shall not rely on a local property tax to pay for its expenditures.
4. The Town's compensation policy shall provide for regular review of salary ranges and include a provision for merit based salary adjustments.
5. Operating expenses will not be funded by debt issuance.
6. Cost recovery fees, where appropriate, may be established to offset the cost of providing specific services, and will be reviewed at least on an annual basis.
7. All non-enterprise user fees and charges will be examined annually to determine the direct and indirect cost of service recovery rate. The acceptable recovery rate and any associated changes to user fees and charges will be approved by the Town Council.
8. Enterprise fund rate structures will be reviewed annually to ensure they are adequate for the funds to remain separately self-supporting, including the costs of operation, capital outlay, debt service, depreciation, and interdepartmental charges for services where practical and appropriate.
9. The Town shall prudently maximize its investment income; generally to be used for expenditures not subject to the State imposed expenditure limitation.
10. Shifts in appropriations within fund and department totals not exceeding \$50,000 may be done administratively on the authority of the Town Manager by transferring budgeted funds from one department to another department to avoid contingency fund expenditure. Procedures for appropriations transfers and delegation of budget responsibility will be set by the Town Manager.
11. Shifts within department appropriations between personnel expenditures, expenses, capital leases, and photo radar expenditures may be done administratively on the written authority of the Town Manager.
12. Electronic funds transfer may be used to pay payroll expenditures and employee benefits previously authorized by Council or required by law.

FISCAL POLICIES

► FINANCIAL MANAGEMENT ◀

13. Construction sales tax in excess of \$0.5 million will be transferred from the operating budget to the CIP fund to provide a dedicated CIP funding.

CAPITAL BUDGET POLICIES

1. A five-year capital improvement plan shall be prepared and updated each year.
2. The five-year capital improvement plan will be developed within the constraints of the Town's ability to finance improvements. Therefore, the CIP shall differentiate between those projects which will be financed from designated, recurring revenues and those which will be financed from the future capital project fund.
3. Operating costs to maintain capital improvements and additional resource needs will be estimated and identified as part of the capital project review process.
4. The Town Council shall designate revenue sources for financing recurring capital improvement projects such as street resurfacing. These revenue sources will be available to finance such projects on an ongoing basis.
5. A separate capital project fund shall be created. All funds accumulated in this fund shall be used exclusively for capital projects, but only after specific authorization by the Town Council.
6. Project appropriations and amendments shall be consistent with the capital improvement plan and must be approved by the Town Council.
7. Construction sales tax in excess of \$0.5 million will be transferred from the operating budget to the CIP fund to provide a dedicated CIP funding.

CONTINGENCY AND RESERVE POLICIES

1. The following adopted budgets shall contain an operating contingency: General, Highway User Revenue, Alarm, Fire/EMS, and Wastewater Operating Funds. It shall be an amount of no less than 1% of the adopted budget total, but no more than 3% of the adopted budget total. The operating contingency account shall be funded from current revenues, just as any other planned operating expenses. Contingency appropriations supported by current revenues which are less than \$25,000 do not require Town Council approval. All uses of contingency appropriations not supported by current revenues must be approved by the Town Council.
2. A reserve equal to at least 90%, but not more than 110%, of the annual operating budget (General and HURF funds) operating expenditures will be maintained. The amount will be calculated using the budgeted expenses for the following year. The reserve is to be used for unforeseen emergencies, such as a significant loss of revenues or catastrophic impacts on the Town. At the time the Town Council approves the use of the reserve below 90%, it will also identify the time period over which the reserve will be replenished.
3. The Town desires to develop new reserve policies for major liabilities such as employee healthcare and risk management.
4. The Town desires to develop new sinking funds to accumulate funds for the replacement of major Town assets such as streets, facilities, vehicles, major equipment and technology.

FISCAL POLICIES

► FINANCIAL MANAGEMENT ◀

5. Reserves equal to a minimum of 90 days of operating expenses will be maintained for the following funds: Alarm, Fire/EMS, and Wastewater Operations. The amount will be calculated using the budgeted operating expenses for the following year and will be used for revenue stabilization and major repairs.
6. The Contingency Fund is intended to create budget authority for the Town's remaining spending authority under the State of Arizona's Annual Expenditure Limit. Use of this authority requires approval of the Town Council.
7. All fund reserves will be evaluated annually for long-term adequacy and use requirements in conjunction with development of the Town's five-year financial plan.

DEBT SERVICE POLICIES

1. Long-term debt shall not exceed the Town's resources for repaying the debt.
2. Capital lease purchasing shall generally be used for financing capital equipment and land purchases and building improvements to remove the expenditures from the State imposed expenditure limitation.
3. Bond issuance shall be limited to capital improvement projects too large to be financed from current revenues, or too large to be included in the State imposed expenditure limitation.
4. Long-term debt payment schedules shall not exceed the expected useful life of the project.

FINANCIAL REPORTING POLICIES

1. The Town's accounting and financial reporting systems will be maintained in conformance with all state and federal laws, generally accepted accounting principles (GAAP) and standards of Government Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA).
2. A budgetary control system will be maintained to ensure compliance with the budget. Monthly reports will be distributed to the Town Manager and Departments for management of the budget. Quarterly reports will be prepared for Council for review.
3. Financial systems will maintain internal controls to monitor revenues, expenditures, and program performance on an ongoing basis.
4. An annual audit will be performed by an independent public accounting firm, with an audit opinion to be included with the Town's published Comprehensive Annual Financial Report (CAFR).
5. The Town's CAFR will be submitted to the GFOA Certification of Achievement for Excellence in Financial Reporting Program. The financial report should be in conformity with GAAP, demonstrate compliance with finance related legal and contractual provisions, disclose thoroughness and detail sufficiency, and minimize ambiguities and potentials for misleading inference.

FISCAL POLICIES

►PUBLIC SAFETY RETIREMENT◀

In fiscal year 2017, Council approved a resolution establishing paying the PSPRS unfunded liability as a budget priority for subsequent fiscal years.

RESOLUTION NUMBER 2016-19

A RESOLUTION OF THE TOWN OF PARADISE VALLEY, ARIZONA, DECLARING THE EXPEDIENT RESOLUTION OF THE PUBLIC SAFETY PERSONNEL RETIREMENT SYSTEM (PSPRS) UNFUNDED LIABILITY A PRIORITY;

WHEREAS, the Town has a PSPRS unfunded liability exceeding \$18 million; and

WHEREAS, the Town is assessed an 8% annual fee on any outstanding balance; and

WHEREAS, the State Legislature amended state law to correct the structural issues which would generate future increases to the unfunded liability; and

WHEREAS, the Town Council has established a Council goal of a long term balanced budget;

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF
THE TOWN OF PARADISE VALLEY, ARIZONA THAT:

The expedient resolution of the PSPRS unfunded liability is a Council priority. It is the Council's intent to pay off the liability as quickly as reasonably possible. The Town will plan through its budgeting processes to pay the unfunded liability over a three-year period in an effort to avoid significant future assessment costs. Each year the Town will revisit the schedule to ensure that current revenues are sufficient to allow for the continuation of the aggressive payment schedule.

PASSED AND ADOPTED by the Town Council this 13th day of October 2016.

Michael Collins, Mayor

Duncan Miller, Town Clerk

APPROVED AS TO FORM

Andrew M. Miller, Town Attorney

STRATEGIC INITIATIVES

The purpose of this section is to communicate the Town's strategic long and short-term strategic initiatives, goals and directives.

The Town's Vision, Mission, Values and Strategic initiatives were Council approved by Resolution 1195 on July 9, 2009. A work plan was discussed at the Council Retreat on February 25, 2019. The current strategic goals were set at a Council policy retreat on February 25, 2019. This annual budget supports and reaffirms this direction; and serves as identifying the Town's work plan and service level expectations for the fiscal year 2019/20.

► VISION:

The Town of Paradise Valley makes every effort to enhance the community's unique character for its residents and people from around the world.

► MISSION:

The Town of Paradise Valley provides high quality public services to a community which values limited government.

► VALUES:

- ❖ Professionalism;
- ❖ High quality customer service;
- ❖ Teamwork;
- ❖ Respect;
- ❖ Accountability;
- ❖ Transparency; and
- ❖ Respect for Town Heritage.

► STRATEGIC INITIATIVES:

- Diligently preserve the special character of Paradise Valley by enforcing the land use policies identified in the Town's General Plan, Town Codes and SUP agreements
- Continuously provide high quality public safety services for Town residents and visitors
- Regularly invest in public facility and infrastructure projects
- Conscientiously manage the Town's financial resources
- Consistently identify opportunities to create and promote a more sustainable community

BUDGET RESOLUTIONS

► TENTATIVE ◀

RESOLUTION NUMBER 2019-TBD

A RESOLUTION OF THE TOWN OF PARADISE VALLEY, ARIZONA ADOPTING THE TENTATIVE BUDGET FOR THE FISCAL YEAR 2020

WHEREAS, the provisions of Title 42, Chapter 17, Articles 1-5, Arizona Revised Statutes (A.R.S.), require cities and towns to make an estimate of the different amounts to meet the public expenditures/expenses for the ensuing year, also an estimate of revenues from sources other than direct taxation, and the amount to be raised by taxation upon real and personal property of the Town of Paradise Valley; and,

WHEREAS, in accordance with said chapter of said title, and following due public notice, the Council shall consider said estimates at a public meeting at which any taxpayer is privileged to appear and be heard in favor of or against any of the proposed expenditures/expenses or tax levies; and,

WHEREAS, publication must be duly made as required by law, of said estimates, together with a notice that the Town Council will meet on June 13, 2019 at the Office of the Town Council for the purpose of hearing taxpayers and adopting the Final Budget for Fiscal Year 2020.

NOW THEREFORE, BE IT RESOLVED, that the said estimates of revenues, and expenditures shown on the accompanying Exhibits A, C, D, E, F and G are hereby adopted as the tentative budget of the Town of Paradise Valley, establishing the maximum appropriation for the fiscal year 2020 at \$TBD,xxx,xxx.

BUDGET RESOLUTIONS

PASSED AND ADOPTED by the affirmative vote of the Paradise Valley Town Council this 23rd day of May 2019.

BUDGET AMENDMENTS

RESOLUTION NUMBER 2019-TBD

A RESOLUTION OF THE MAYOR AND COUNCIL OF THE TOWN OF PARADISE VALLEY, ARIZONA AMENDING THE FISCAL YEAR 2018-19 ADOPTED BUDGET.

WHEREAS, the Fiscal Year 2018-19 budget was adopted by Resolution 2018-19 on June 14, 2018;

WHEREAS, budget amendments are consistent with Generally Accepted Accounting Principles (GAAP) and recommended budgeted practices;

WHEREAS, the Town of Paradise Valley's Adopted Financial Management Policies requires the approval of the Town Council for the use contingency accounts in excess of \$25,000;

WHEREAS, the Town of Paradise Valley's Adopted Financial Management Policies requires the approval of the Town Council for shifts in appropriations within funds and in departments exceeding \$50,000;

WHEREAS, the Town of Paradise Valley's Adopted Financial Management Policies require that amendments to the capital improvement fund be approved by the Town Council;

WHEREAS, adjustments do not increase the total budget or enable the Town Council to increase spending in excess of the Adopted Budget;

NOW, THEREFORE, BE IT RESOLVED by the Town Council of the Town of Paradise Valley, Arizona, as follows:

Section 1. Record the FY2018-19 budget amendment of \$3,000,000 for payment for the Town's unfunded liability in PSPRS before June 30, 2019. This payment is to be made only if sufficient general fund cash is available, the expenditure limitation is not exceeded, it aligns to the Town's Financial Management policies for construction sales tax and fund balances, and the Town Council has not documented an alternate payment plan that supersedes this action. The use of CIP Contingency is for budget authority and the payment will be made from General Fund..

Description	Current Budget	Budget Increase	Budget Reduction	Amended Budget
PSPRS part III	-	\$3,000,000	-	\$ 3,000,000
CIP Contingency	\$ 2,814,357	-	\$(2,814,357)	-
General fund contingency	1,025,367	-	(185,643)	839,724

BUDGET AMENDMENTS

Section 2. Record the FY2018-19 budget amendment of \$142,856 for completion of the Keim District Asphalt Overlay. This project is not over budget but was strategically delayed at the end of FY2018. The delay was after the FY2019 budget was adopted, and to move forward the project requires budget authority in FY2019 using designated funding carried-over cash from FY2018.

Description	Current Budget	Budget Increase	Budget Reduction	Amended Budget
Street preservation plan	\$ 1,682,586	\$ 142,856	-	\$ 1,825,442
General fund contingency	839,724	-	\$ (142,856)	696,868

Section 3. Record the FY2018-19 budget amendment of \$180,000 for information technology hardware due to a provider's billing for FY2017/18 services after the close of the fiscal year (\$88,000); and purchase of mandated emergency back-up systems (\$92,000).

Description	Current Budget	Budget Increase	Budget Reduction	Amended Budget
Computure hardware	\$ 290,879	\$ 180,000	-	\$ 470,879
General fund contingency	696,868	-	\$ (180,000)	516,868

Section 4. Record the FY2018-19 budget amendment of \$434,200 to account for all enterprise activities in the enterprise funds and only report governmental activities in governmental funds; effective FY2019.

Description	Current Budget	Budget Increase	Budget Reduction	Amended Budget
Sewer: System improvements	\$ 15,513,312	\$ 200,000	-	\$ 15,713,312
Sewer: System assessments	4,274,600	234,200	-	4,508,800
Sewer: Transfers out to CIP fund	434,200	-	\$ (434,200)	-
CIP rev: Transfer in from Sewer	434,200	-	(434,200)	-
CIP exp: Sewer system projects	897,142	-	(434,200)	462,942

BUDGET AMENDMENTS

Section 5. Record the FY2018-19 budget amendment of \$23,910 to better allocate public safety (court) costs that have been charged to another General Fund department, but not budgeted for in that department.

Description	Current Budget	Budget Increase	Budget Reduction	Amended Budget
Justice systems annual contract	-	\$ 13,130	-	\$ 13,130
Internet services	-	2,280	-	2,280
Telephone services	-	7,000	-	7,000
Photocopier contract	-	1,500	-	1,500
General fund contingency	\$ 516,868	-	\$ (23,910)	492,958

Section 6. Record the FY2018-19 budget amendment of \$1,500,000 to defer building permit revenue not expected to be received in FY2019 due to a revenue necessary reclassification while closing FY2018, but after the FY2019 budget was adopted. This shortfall is offset by other revenues that are expected to exceed their budget estimates.

Description	Current Budget	Budget Increase	Budget Reduction	Amended Budget
Transaction privilege tax	\$ 15,513,312	\$ 200,000	-	\$ 15,713,312
Occupancy tax	4,274,600	300,000	-	4,574,600
State shared income tax	1,703,256	45,000	-	1,748,256
State shared sales tax	1,277,675	60,000	-	1,337,675
State shared HURF	897,142	35,000	-	932,142
Court technology fee	635,000	100,000	-	735,000
Franchise fee	139,000	90,000	-	229,000
Interest earnings	100,000	650,000	-	750,000
Hauling permit	75,000	20,000	-	95,000
Building permits	2,399,100	-	\$ (1,500,000)	899,100

Section 7. Record the FY2018-19 budget amendment of \$132,000 for post office operations to align post office's budget with the first full fiscal year under the new business structure that includes all stamp purchased by the Town are fully offset with sales revenue.

Description	Current Budget	Budget Increase	Budget Reduction	Amended Budget
Post office - card processing	\$ 5,000	\$ 2,000	-	\$ 7,000
Post office - stamp inventory	-	130,000	-	130,000
General fund contingency	492,958	-	\$ (132,000)	360,958

GLOSSARY

{This page is intentionally left blank}

FUND DESCRIPTIONS

This section is intended to familiarize readers with the fund-types and specific funds used by the Town to account for the public resources. A fund is a self-balancing set of accounts recording cash and other financial resources with related liabilities and equities or balances that are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations. The Town uses the same basis of accounting for budget as is used in the annual audited financial statements.

► GOVERNMENTAL FUNDS:

Governmental-type funds are used to account for all of the Town's expendable financial resources. The accounting basis is "modified accrual" that has a measurement focus is on determination of financial position rather than determination of income like a business. Revenues are recognized when they are both measurable and available.

Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period (60 days from the end of the accounting period). Expenditures generally are recorded when a liability is incurred except expenditures related to compensated absences and claims and judgments, which are recorded only when payment is due.

► GENERAL FUND:

The general fund is the primary operating fund. It accounts for all financial resources of the Town, except for those that are required, either by rule of statute or Generally Accepted Accounting Principles (GAAP), to be accounted for elsewhere, or chosen to do so for internal tracking purposes.

► SPECIAL REVENUE FUND:

Special revenue funds account for unique revenue sources that are legally restricted by statute, ordinance, or other specific requirements to finance specific functions or activities.

- Highway User Revenue Fund ("HURF") – The HURF accounts for the Town's share of restricted motor fuel tax revenues designated for highway construction, improvements and other related expenditures.
- Court Enhancement Fund column – For reporting purposes "The Court Enhancement Fund" column combines three Municipal Court funds: The Court enhancement fund that accounts for court funds from a fee imposed on all adjudicated citations in the Town to improve the Town's court system. This fund also reports state funding sources "Judicial Collection Enhancement Fund" (JCEF) and "Fill the Gap" that is used for court enhancements. Further information on these three funds can be found on the next page.
- Arizona Lottery Fund ("ALF") – The ALF (also known as the "old LTAF") is a state shared revenue that is specifically designated for public transportation services.
- Police grants and donations is a restricted fund to account for various police grants and other donations.

FUND DESCRIPTIONS

► GOVERNMENTAL FUNDS: (continued)

► SPECIAL REVENUE FUND:

- **Court Enhancement Fund** is used to administer the \$30 fee applied to all fines, penalties or sanctions imposed by the Paradise Valley Municipal Court per Town Code 12-4-3. This fee shall be used exclusively to enhance the staffing, technology, security or facilities of the Municipal Court.

- **Local Judicial Collection Enhancement Fund (JCEF)** is used to administer funds received from the Supreme Court to aid courts in improving court operations per Arizona Revised Statute § 12-113 and Arizona Code of Judicial Conduct § 5-102. Monies are derived from the mandatory Time Payment Fee imposed on all fines, penalties or sanctions not paid in full on the date of imposition.

\$7 of the \$20 Time Payment Fee shall be kept by the court imposing the fee to be used by the court to improve, maintain and enhance the ability to collect and manage monies assessed or received by the courts, to improve court automation and to improve case processing or the administration of justice. Funds are not be used to supplant but rather supplement court budgets.

The court or funding authority shall not use JCEF funds to pay county or city administrative costs for services associated with receipt of those funds. Administrative costs include but are not limited to: accounting, payroll, data processing, purchasing, personnel and building use.

For amounts over \$2,500, the municipal court must submit a plan to the Supreme Court and must be approved by the Supreme Court before the municipal court begins to spend these allocated monies.

- **Municipal Court Fill the Gap (MFTG)** is used to administer funds received from Supreme Court to aid courts in improving court operations per Arizona Revised Statute § 41-2421K and Arizona Code of Judicial Conduct § 5-107. The municipal court shall use monies received to improve, maintain and enhance the ability to collect and manage monies assessed or received by the court, to improve court automation and to improve case processing or the administration of justice. The municipal court shall submit a plan to the Supreme Court and the Supreme Court shall approve the plan before the municipal court begins to spend these allocated monies.

Monies are derived from the 7% Fill the Gap (FTG) state surcharge imposed on fines, penalties or sanctions. Courts receive a 14.29% allocation of this assessment. Funds are not to be used to supplant but rather supplement court budgets.

FUND DESCRIPTIONS

► GOVERNMENTAL FUNDS: (concluded)

► DEBT SERVICE FUND:

Debt service funds are used to account for the resources that are accumulated for the payment of interest, principal, and related costs on general long-term debt, special assessments, and capital leases. This fund type is not used to account for the outstanding debt itself; which is maintained in the government-wide statements.

The Town has two debt services funds:

- The Paradise Valley Municipal Property Corporation (“PVMPC”) – the PVMPC issued long-term debt, for the construction of two fire stations and additional wastewater capacity. These bonds were subsequently refinanced in 2009 and fully matured in 2019.
- 2016 excise tax obligations – the Town issued excise obligations in 2016 to finance the various capital projections, primarily the Public safety tower and street improvements.

► CAPITAL PROJECTS FUND:

Capital project funds account for the acquisition and construction of major capital activities. This account reports all capital projects in aggregate but does track the inflow and outflow of each individual project under the Capital Projects Plan. These funds have similar imposed restrictions of the Special Revenue Funds, but due to their capital nature are accounted for as Capital Project Funds.

► PROPRIETARY FUNDS:

Proprietary funds (*often referred to as “**Enterprise**” funds*) are entirely or predominantly self-supporting. These funds account for government services that are rendered to the public on a fee basis, which resembles the private sector. The accounting basis is full “accrual” that has a measurement focus is on determination of income and financial position.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund’s principal ongoing operations. All revenue and expenses not meeting this definition are reported as nonoperating revenue and expenses.

The Town of Paradise Valley utilizes four (4) Enterprise funds for the following services:

- Alarm;
- Fire;
- Wastewater; and
- Wastewater impact fees

FUND DESCRIPTIONS

TERMS AND DEFINITIONS

► **PURPOSE:** This section is intended to better familiarize the readers of this document with various terms and appropriate definitions of terms that are both important and commonly used in understanding governmental budgets.

Accrual: A method of recognizing the financial effect of transactions and activities when they “occur”, rather than when cash is exchanged.

Actual vs. Budgeted: Difference between what was projected (budgeted) in revenues or expenditures at the beginning of the fiscal year and the actual receipts or expenses which are incurred by the end of the fiscal year

Adopted Budget: The final budget authorized by Town Council, enacted subsequent to a public hearing on the Tentative Budget.

Amended Budget: Subsequent to the approval of the Adopted Budget, the Town Council may make changes to the budget; the budget which includes all of the approved amendments is known as the Amended Budget.

Appropriation: An authorization made by the Town Council which permits the town to incur obligations to make expenditures for specific purposes

Asset: A resource owned or held by a government which has monetary value

Balanced Budget: Ensures that the use of resources for operating purposes does not exceed available operating resources over the course of the budget year.

Benchmark: A specific target or standard to be achieved.

Benchmarking: A continuous process of collecting information or benchmarks for assessing performance.

Bonds: A written promise to pay a specified sum of money (called the face value or principal amount) at a specified date in the future (called the maturity date), together with periodic interest at a specific rate.

Budget: A work and financial plan consisting of an estimate of proposed expenditures and their purposes for a given period and the proposed means of financing them.

Budgetary Control: The control or management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitations of authorized appropriations and available revenues

Capital Budget (Expenditures): Budget consisting of the five-year Capital Improvement Program (“CIP”) and operational capital outlay needs for the current fiscal year that meets the Town’s capitalization thresholds of a capital asset or a CIP project.

TERMS AND DEFINITIONS

Capital Improvement Program: A comprehensive five-year plan of capital projects which identifies priorities as to need, method of financing, and project cost and revenues; a guide for identifying current and future fiscal year requirements which becomes the basis for determining the annual capital budget

Capital Projects Fund: Used to account for financial resources to be used for the acquisition or construction of major capital facilities other than those financed by Proprietary and Trust Funds

Contingency: Budgetary appropriation reserved for emergency or unanticipated expenditures

Customer: Refers to users of Town services. Also refers to those paying for Town services (generally taxpayers). For Town departments whose function is to provide services to other Town departments, the “customer” is the department using the service.

Debt Service: The cost of paying principal and interest on borrowed money according to a predetermined payment schedule

Debt Service Fund: A fund established to account for the accumulation of resources for and the payment of general long-term debt principal and interest

Deficit: An excess of expenditures over revenues

Department: The basic organizational unit of government which is functionally unique in its delivery of services

Employee (or Fringe) Benefits: Contributions made by a government to meet commitments or obligations for employee benefits, including the government’s share of costs for Social Security and the various pension and insurance plans

Encumbrance: The legal commitment of appropriated funds to purchase an item or service which sets aside or commit funds for a specified future expenditure

Enterprise Funds: Used to account for operations including debt service (a) that are financed and operated in a manner similar to private businesses - where the intent of the government body is that the costs (expenses, including depreciation) of providing goods and services to the general public on a continuing basis is financed or recovered primarily through user charges; or (b) where the governing body has determined that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control accountability, or other purposes

Estimated Revenue: The amount of projected revenue expected to be collected during the fiscal year

Expenditure Limitation: The State of Arizona-imposed constitutional and statutory limitation on annual expenditures of all municipalities set by the Economic Estimates Commission based on population growth and inflation

Expenditure/Expense: The outflow of funds paid for an asset obtained or goods and services acquired

TERMS AND DEFINITIONS

Fiscal Policy: A government's policies with respect to revenues, spending, and debt management as these relate to government services, programs and capital investment. Fiscal policy provides an agreed-upon set of principles for the planning and programming of government budgets and their funding.

Fiscal Year: A twelve-month operating period designated as July 1 through June 30 for accounting and budgeting purposes in the Town of Paradise Valley

Fixed Assets: Assets of long-term character that are intended to continue to be held or used, such as land, building, machinery, furniture, and other equipment

Franchise Fee: A fee (or tax) on utility companies such as gas and electric companies for their use of town rights-of-way, based on a percentage of their gross receipts

Fund: A set of inter-related accounts to record revenues and expenditures associated with a specific purpose, including Governmental (General, Special Revenue, Capital and Debt Service Funds), Fiduciary (Trust), and Proprietary (Enterprise) Funds

Fund Balance: The cumulative difference between revenues and expenditures with the ending fund balance of one fiscal year carried forward as the beginning fund balance of the next

General Fund: The general operating fund of the town used to account for all activities of the town not specifically accounted for in another fund

Goal: A statement of broad direction, purpose or intent based on the needs of the Town's customers.

Governmental Revenue: The revenues of a government other than those derived from and retained in an Enterprise Fund

General Obligation Bond: Bonds backed by the full faith, credit and taxing power of the issuing government that finance a variety of public projects such as streets, buildings, and improvements; repayment is usually made from secondary property taxes

Generally Accepted Accounting Principles (GAAP): Uniform minimum standards and guidelines to financial accounting and reporting which govern the form and content of the basic financial statements of an entity and encompass the conventions, rules, and procedures necessary to define the accepted accounting practices at a particular time, including both broad guidelines of general application and detailed practices and procedures

Grant: A contribution by a government or other organization to support a particular function; may be classified as either operational or capital depending upon the nature of the grant

Highway User Revenue Fund: Special Revenue Fund that accounts for transportation related revenue and expenditures associated to the construction or maintenance of town streets consisting of state taxes collected on gasoline and a number of other additional transportation related fees; must be used for street and highway purposes

TERMS AND DEFINITIONS

Infrastructure: Physical assets of a government (e.g., streets, water, sewer, public buildings, and parks)

Lease-Purchase Agreement: Contractual agreement by which capital outlay may be purchased by making annual lease payments

Line-Item Budget: Budget that lists each expenditure category (salary, materials, telephone service, travel, etc.) separately along with the dollar amount budgeted for each specified category

Local Transportation Assistance Fund: intergovernmental state shared revenue generated by the state lottery and distributed is based on population; must be used for public transportation

Long-Term Debt: Debt with a maturity of more than one year after the date of issuance

Maturity Date: The date by which long-term debt will be paid off

Mission: A succinct statement describing an organizational unit's purpose, identifying the value that entity adds to the quality of life or level of service available throughout Paradise Valley.

Municipal Property Corporation: A non-profit corporation with the main purpose of providing a financing alternative by issuing bonds to fund the cost of acquiring, constructing, reconstructing, and improving various municipal properties and buildings suitable for use by and for leasing to the town; MPC bonds do not require voter approval and are not considered debt to the municipality

Recommended Budget: The budget proposal submitted annually to the Town Council, containing the specific recommendations of the Town Manager.

Revenue: Money received as income. It includes, but not limited to, such items as tax payments, fees for specific services, receipts from other governments, fines, and interest income.

Special Revenue Fund: Fund for monies legally restricted to expenditures for specific purposes, including the Highway User Fund, the Donations Fund, and various grant funds

State Forms: Used to identify forms provided by the State on which counties, cities and counties, and school districts report required information relative to its adoption of an annual budget.

Supplies and Services: A group of related accounts identifying a department's expenditures for products and services necessary for meeting operating needs, not including capital outlay, debt service, or payroll related costs.

Tentative Budget: The annual preliminary budget voted upon by Town Council which, after a public hearing, is the basis for the Council's final action to adopt an annual Town Budget.

Unearned Revenue: A liability for resources that the Town receives before it can be classified as revenue; typically, an advance from a grant.
