19-187 Council Lookback - False Alarm Ordinance and Alarm Program

In May 2017, staff was directed to seek a partnership with a monitoring provider who could receive signals from the Town's current subscribers and route the signals directly to police dispatch. Chief Wingert reported that the Town partnered with Dynamark Monitoring, Inc. The Town transitioned 325 subscribers to the new system and required subscribers to sign a new contract. The service was not marketed, and no new subscribers were accepted until the efficacy of the system could be evaluated. Since August 2018, ten subscribers terminated.

Mayor Bien-Willner recessed the Study Session at 6:10 PM.
Mayor Bien-Willner reconvened the Study Session at 7:24 PM.
