

Mountain View Medical Center (SUP-18-12)

Background

History and Conditions

The property was annexed in 1961. The Town granted medical use on the property in 1980. Essentially, the structures and landscaping on the site are the same as in the 1980 approval. The property has been regularly maintained, with some minor improvements over the years. The last approval was the replacement of the two entry monument signs in 2010 and remodeling of these signs in 2012. Attachment F is a Special Use Permit History of the property.

General Plan/Zoning

The subject property has a General Plan designation of “Medical Office” pursuant to the Town’s General Plan Land Use Map. The zoning on the subject property is “Special Use Permit – Medical Office”. The proposed medical office use is in conformance with this designation and zoning.

Several General Plan policies apply related to the request for redevelopment of the Mountain View Medical Center property. Primary policies that apply include the policies of Goal LU 2.1.2, Special Use Permit Property Revitalization. Attachment E is a more exhaustive list of pertinent General Plan policies for consideration in review of this application request.

Enforcement

As of the date of this report, there is one known active code violation on the subject site. The Town received a complaint on December 19, 2018 about trash pickup prior to 6:30 a.m. Collection follows the large truck regulations in the Town Code, which in the non-summer months is 7:00 a.m. The property owner contacted the trash provider.

Description of Prior SUP Amendments

TOWN OF PARADISE VALLEY SPECIAL USE PERMIT FOR MOUNTAIN VIEW MEDICAL CENTER

The Town annexed the property in 1961. The Town approved the original Special Use Permit on June 24, 1974. The list below summarizes the known amendments to the original Special Use Permit, all of which are rescinded upon the Effective Date or Ordinance.

March 21, 2012	Managerial amendment that allowed an increase of the tenant area of the two monument signs. This increased the total sign area per sign from 40.8 sf to 58.6 sf.
August 9, 2011 (SUP 11-01)	Consideration of an Intermediate Special Use Permit amendment to allow the operation of a medical marijuana dispensary. The application received Planning Commission recommendation, but did not have final Council action as the applicant withdrew their request on August 9, 2011.
September 21, 2010 (SUP 10-06)	Planning Commission approval of a Minor SUP to replace the two existing monument signs substantially compliant with the elevation plan prepared by Ken's Sign Service Inc, the visibility triangle plans dated May 25, 2010, and the narrative dated August 16, 2010. There is also a letter on behalf of the owner that allowed the Town to replace the Town monument sign located on the medical center property.
June 20, 2000 (SUP 00-09)	Planning Commission approval of a minor amendment allowing for the installation of a window on the west elevation on Building E, Suite E-141.
April 1996 (SUP 96-11)	Approval by the Special Use Permit Review Committee (SUPREC) to allow the repositioning of two windows and a door/window entry feature of Suite B-111. The Town eliminated the SUPREC process to review minor Special Use Permit amendments in 1998.
April 18, 1995 (SUP 95-14)	Increase the square footage of the pharmacy from 1,500 sf to 2,500 sf. The Council approved this by consent, noting that the 1,000 sf is in the adjoining suite for pharmacy storage.
May 25, 1995 (SUP 95-13)	Change in ownership and to increase the square footage of the pharmacy from 1,500 sf to 2,500 sf. Increase to 2,500 sf was denied. The amended SUP was recorded on August 17, 1995 at the Maricopa County Recorder, Arizona, under 95-049309.
September 22, 1989 (SUP 89-04)	Approval by the Special Use Permit Review Committee (SUPREC) for a change in ownership.
January 29, 1987 (SUP 87-08)	Approval by the Special Use Permit Review Committee (SUPREC) for a change in ownership.

June 17, 1985 (SUP 85-12)	Approval by the Special Use Permit Review Committee (SUPREC) for a change in ownership.
March 6, 1985 (SUP 85-11)	Approval by the Special Use Permit Review Committee (SUPREC) for a change in ownership. The SUPREC was made up of a Town Council and Planning Commission representative, Town Engineer, and Planning Director.
February 11, 1982 (SUP 81-07)	Approval of a pharmacy on the property, which was originally an apothecary. Concerns noted related to not wanting a full-scale drug store and retail sales. The following stipulation was added "Violation of any provision of this paragraph shall result in a fine of \$300 a day for each day the violation continues. This penalty shall be paid by the Grantee to the Town of Paradise Valley."
October 30, 1980 (SUP 80-10)	Phase II approval of the medical plaza. This was the Phase II approval and recorded at the Maricopa County Recorder, Arizona, in Docket 14836, Pages 1320-1322.
March 13, 1980 (SUP 79-09)	Establishment of the property for medical use by Special Use Permit. At this time, the Town had an option for an applicant to get a Phase I and then a Phase II approval. This was the Phase I approval and recorded at the Maricopa County Recorder, Arizona, in Docket 14302, Pages 10-12.

Commissioner Baker moved that the Planning Commission deem the requested amendment to the Mountain View Medical Center Special Use Permit a Minor Amendment per the criteria listed in Section 1102.7.B of the Zoning Ordinance. Seconded by Commissioner Werner.

The motion passed by a vote of four (4) to one (1) with Commissioner Strom dissenting.
