24	
25	
26	WHEREAS, the Town of Paradise Valley (the "Town") Council held a public hearing on
27	, in the manner prescribed by law, to hear and to act on the
28	amendment to the Special Use Permit for Mountain View Medical Center, as recommended by
29	the Planning Commission; and
30	
31	WHEREAS, the Town of Paradise Valley Planning Commission held a public hearing on
~ ~	
32	June 18, 2019, in the manner prescribed by law, for considering an amendment to the Special
33	Use Permit for Mountain View Medical Center, and recommended
34	to the Town Council in a vote of; and
_	
35	
36	WHEREAS, the Town Council finds that the requirements of Section 2-5-2.F, Citizen Review
50	will Keylew Coulon mus that the requirements of Section 2-3-2.1, Chizen Review
37	Process, including holding a Citizen Review Session on March 26, 2019 to provide a reasonable

1	opportunity for the applicant, adjacent landowners, and other potentially affected citizens to
2	discuss issues or concerns they may have with the application has been met; and
3	
4	WHEREAS, this amendment to the Special Use Permit for Mountain View Medical Center is
5	consistent with the property's designation as "Medical Office" in the Town's General Plan Land
6	Use Map; and
7	
8	WHEREAS, upon the effective date of this Ordinance, the zoning district of "Special Use
9	Permit – Medical Office, Kennels and Veterinary Clinics" shall now be shown on the Town's
10	Zoning Map along with a reference to the new major amendment special use permit reference
11	number on the Town's official Zoning Map of "SUP 18-12"; and
12	
13	WHEREAS, in accordance with Article II, Section 1 and 2, constitution of Arizona, the Town
14	Council has considered the individual property rights and personal liabilities of the residents of
15	the Town before adopting Ordinance # 2019-06 (the "Ordinance").
16	
17	NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND TOWN COUNCIL
18	OF THE TOWN OF PARADISE VALLEY, ARIZONA THAT:
19	
20	SECTION I. In General
21	1. The Special Use Permit zoning for Mountain View Medical Center allows for medical
22	uses on the approximate 9.8 acres of land located at 10555, 10565, 10575, 10585,
23	10595, and 10599 North Tatum Boulevard in the Town of Paradise Valley, Arizona,
24	more particularly described on Exhibit "A," attached hereto (the "Property").

1	2. This Major Amendment to the Special Use Permit (SUP 18-12) for Mountain View
2	Medical Center hereby rescinds all prior Special Use Permits for the Property and
3	creates a new Special Use Permit to allow for a phased redevelopment of the Property
4	through demolition of all existing structures and the construction of new medical
5	buildings with covered parking, subject to the Conditions set forth in Section II of this
6	Ordinance.
7	3. To provide historical reference of what is being rescinded a description of prior
8	amendments to the Special Use Permit for the Property is summarized in Exhibit "B,"
9	attached hereto.
10	4. All prior Special Use Permit approvals on this Property are rescinded and no longer in
11	full force and effect upon the Effective Date of this Ordinance.
12	5. This Major Amendment to the Special Use Permit for this Property is in accordance
13	with Section 1102.7 of the Zoning Ordinance.
14	
15	SECTION II. Conditions. Pursuant to Article XI of the Zoning Ordinance of the Town of Paradise
16	Valley, Arizona (the "Town"), the Town hereby grants to Mountain View Medical Center, L.L.C.,
17	an Arizona Limited Liability Company, its successors and assigns, Special Use Permit 18-12 by
18	its approval of this Ordinance (the "SUP 18-12") governing the use of the Property. All capitalized
19	terms contained herein shall have the meanings ascribed to them parenthetically or otherwise in
20	this Ordinance.
21	
22	This amendment is one of many amendments to the first Special Use Permit on the Property
23	approved by the Town in 1980. This Special Use Permit is intended to supersede and replace all

- 24 prior Special Use Permits for this Property and rescinds all prior Special Use Permits for the
- 25 Property. This Special Use Permit is being granted by the Town to permit the continued use and

1	operation of the Property for medical office use subject to and in accordance with the
2	stipulations and other provisions set forth herein as shown in Exhibit "C," attached hereto.
3	
4	
5	SECTION III. Severability. If any section, subsection, sentence, clause, phrase or portion of
6	this Ordinance is for any reason held invalid or unconstitutional by a court of competent
7	jurisdiction, such portion shall be deemed a separate, distinct and independent provision and
8	such holding shall not affect the validity of the remaining portions thereof.
9	
10	SECTION IV. Effective Date. This Ordinance shall become effective at the time and in the
11	manner prescribed by law.

TOWN OF PARADISE VALLEY SPECIAL USE PERMIT FOR MOUNTAIN VIEW MEDICAL CENTER

10 The Town annexed the property in 1961. The Town approved the original Special Use Permit

11 on March 13, 1980. The list below summarizes the known amendments to the original Special

12 Use Permit, all of which are rescinded upon the Effective Date of this Ordinance.

March 21, 2012	Managerial amendment that allowed an increase of the tenant area of the two monument signs. This increased the total sign area per sign from 40.8 sf to 58.6 sf.
August 9, 2011	Consideration of an Intermediate Special Use Permit amendment
(SUP 11-01)	to allow the operation of a medical marijuana dispensary. The application received Planning Commission recommendation but did not have final Council action as the applicant withdrew their request on August 9, 2011.
September 21, 2010	Planning Commission approval of a Minor SUP to replace the two
(SUP 10-06)	existing monument signs substantially compliant with the
	elevation plan prepared by Ken's Sign Service Inc, the visibility
	triangle plans dated May 25, 2010, and the narrative dated August
	16, 2010. There is also a letter on behalf of the owner that allowed
	the Town to replace the Town monument sign located on the
	medical center property.
June 20, 2000	Planning Commission approval of a minor amendment allowing for
(SUP 00-09)	the installation of a window on the west elevation on Building E,
	Suite E-141.
April 1996	Approval by the Special Use Permit Review Committee (SUPREC)
(SUP 96-11)	to allow the repositioning of two windows and a door/window entry feature of Suite B-111. The Town eliminated the SUPREC process
	to review minor Special Use Permit amendments in 1998.
April 18, 1995	Increase the square footage of the pharmacy from 1,500 sf to 2,500
(SUP 95-14)	sf. The Council approved this by consent, noting that the 1,000 sf is
	in the adjoining suite for pharmacy storage.
May 25, 1995	Change in ownership and to increase the square footage of the
(SUP 95-13)	pharmacy from 1,500 sf to 2,500 sf. Increase to 2,500 sf was denied.
	The amended SUP was recorded on August 17, 1995 at the
	Maricopa County Recorder, Arizona, under 95-049309.
September 22, 1989	Approval by the Special Use Permit Review Committee (SUPREC)
(SUP 89-04)	for a change in ownership.
January 29, 1987	Approval by the Special Use Permit Review Committee
(SUP 87-08)	(SUPREC) for a change in ownership.

June 17, 1985 (SUP 85-12)	Approval by the Special Use Permit Review Committee (SUPREC) for a change in ownership.
March 6, 1985 (SUP 85-11)	Approval by the Special Use Permit Review Committee (SUPREC) for a change in ownership. The SUPREC was made up of a Town Council and Planning Commission representative, Town Engineer, and Planning Director.
February 11, 1982 (SUP 81-07)	Approval of a pharmacy on the property, which was originally an apothecary. Concerns noted related to not wanting a full-scale drug store and retail sales. The following stipulation was added "Violation of any provision of this paragraph shall result in a fine of \$300 a day for each day the violation continues. This penalty shall be paid by the Grantee to the Town of Paradise Valley."
October 30, 1980 (SUP 80-10)	Phase II approval of the medical plaza. This was the Phase II approval and recorded at the Maricopa County Recorder, Arizona, in Docket 14836, Pages 1320-1322.
March 13, 1980 (SUP 79-09)	Establishment of the property for medical use by Special Use Permit. At this time, the Town had an option for an applicant to get a Phase I and then a Phase II approval. This was the Phase I approval and recorded at the Maricopa County Recorder, Arizona, in Docket 14302, Pages 10-12.

1 III. STIPULATIONS

2 A. GENERAL

- 1. This Special Use Permit applies only to the Property.
- 2. Nothing in this Special Use Permit or otherwise shall require the operation of the medical center under the name "Mountain View Medical Center" or any similar or other name. No further consent shall be required to enable the Owner to transfer the Property, name or rename the medical center, or select or reselect property management companies for the Property.
- 3. The redevelopment of, and construction on, the Property shall be subject 10 to the stipulations and definitions of this Special Use Permit (the 11 "Stipulations") and shall substantially conform to the approved plans. 12 All previous existing Special Use Permit stipulations are rescinded and 13 no longer in full force and effect. The approved plans, as listed in 14 Section IV of this Special Use Permit, are hereby incorporated into this 15 Special Use Permit and made an integral part hereof, and shall 16 hereinafter be referred to as the "Approved Plans." 17
- 184.A Mylar and/or electronic version of all Approved Plans with an19amendment to this Special Use Permit shall be submitted to the Town20within 60 days after the date of Town Council approval of this21Ordinance. Upon completion of the construction, an "as-built" site plan22prepared by a registered civil engineer shall be submitted to the Town.
- 235.In the event of a conflict between these Stipulations and the Approved24Plans, these Stipulations shall govern.
- 256.This Special Use Permit shall run with the land and any person having26or subsequently acquiring title to the Property shall be subject to this27Special Use Permit, as it may be amended or superseded from time to28time. Once an Owner no longer owns the Property, such prior Owner29shall not be subject to this Special Use Permit.
- 307.The use of the Property shall at all times conform to applicable State31laws and Town ordinances, except that if there is a conflict between this32Special Use Permit and any Town ordinance or other requirement, this33Special Use Permit shall prevail.
- 348.If any portion of the Property is used in violation of the terms of this35Special Use Permit, the Town Zoning Ordinance, or the Town Code, the36Town may, after fair notice, hold a hearing to impose a monetary37sanction on the then Owner in an amount not to exceed the maximum38amount allowed for violations of the Town Zoning Ordinance or Town39Code, as the case may be, for each day such violation exists, in addition40to all other orders or sanctions permitted by applicable laws.

- 7. The covered parking spaces on the Property that run along and closest
 to the rear drive from Beryl Avenue to Shea Boulevard shall be reserved
 for physicians and employees to limit the number of vehicle trips nearest
 the residential homes of Firebrand Ranch. If needed, signage to this
 effect may be installed.
 - 8. No temporary tents shall be erected on the property without the prior written consent of the Town staff.

15 **F.** CONSTRUCTION

- 161.Interiors of the building on the Property may be remodeled at any time17without an amendment to the Special Use Permit so long as the other18aspects of the Property remain in substantial compliance with the19Approved Plans and all applicable building permits are obtained.
- 21
 22. Final grading and drainage plans and documents, prepared by a
 registered civil engineer, must be submitted for review and approval by
 the Town Engineering Department prior to issuance of a building permit
 for the improvements associated with SUP 18-12.
- 263.The Owner shall submit a construction schedule prior to the issuance of27any building permit to ensure compliance with all Town ordinances,28including the conditions specified in this SUP and in order to minimize29construction nuisances. This construction schedule shall be subject to30approval by the Town Manager and shall include the following:
 - a. Dust and noise control measures.
- b. Vehicle/equipment storage/parking.
 - c. Construction days/hours.
 - d. Location of staging area for construction supplies/equipment.
 - e. Location of any construction trailer and sanitary facility.

- 38 g. Location of fire lanes during the construction period.
 - h. The approximate beginning and ending for construction.

- 14.All new construction shall satisfy all fire department requirements for2each component of work (which may include temporary fire protection3facilities) prior to the issuance of any building permit for such work.
- 5 5. Prior to the issuance of a certificate of occupancy for any structure on the 6 Property adequate fire, emergency and other vehicle access and adequate 7 fire service shall be provided for such structure and the phase of 8 development in which such structure is located, as determined by the Town 9 Manager.
- It is in the best interests of the Owner, Town and nearby residents that 6. 11 the total construction time be as short as possible. The Owner has leases 12 to honor and the Town and nearby residents wish to mitigate 13 construction nuisances. If construction is not substantially completed on 14 Phases I, II and III within three years and six months four years after 15 Town Council approval of this amendment to the Special Use Permit, 16 the Owner shall submit to the Town a new application for the Planning 17 Commission and Town Council reapproval of the remaining phases to 18 be completed. This second approval shall not address the basic 19 entitlement to build such phases but shall address the flow and 20 efficiency of traffic generated, the total number of parking spaces 21 needed based on experience gained from the phases(s) under 22 construction, the need for additional or less lighting, the need for 23 24 additional landscaping and similar items. The Owner shall submit to the Town a cash bond or other assurance to secure completion of the 25 phase(s) as described in the Approved Plans. Such assurance(s) shall be 26 provided to the Town prior to the issuance of the building permit for the 27 first building of that phases(s). 28 29
- 307.Chain link fencing with green screening is required to completely31surround any exterior construction areas, any construction refuse areas,32any construction material storage areas and any exterior sanitation33facilities used during a construction project. LANDSCAPING / PERIMETER WALLS

- 1. Landscaping on the Property shall be in substantial compliance with the Approved Plans.
- 2. All landscaping that dies shall be replaced <u>within 30 daysin a reasonable</u> amount of time, be in general compliance with the approved landscape plan of the Approved Plans and shall use material that is on the Approved Plans, Town's Landscape Guidelines, and/or the Visually Significant Corridors Plan for the Property's character zone.
- 3. The shared perimeter wall with Firebrand Ranch shall be the 12 responsibility of the Owner of Mountain View Medical Center to 13 maintain. The Owner shall pay for and coordinate the permitting and 14 construction in raising the existing block wall up to 8-foot tall for those 15 adjoining property owners to the Property who wish to have their wall 16 height increased. The wall finish and access shall be in accordance with 17 Section 2403, Wall Finishes, of the Town Zoning Ordinance, or as 18 amended. The Owner shall have the right to limit when such 19 construction may take place for the benefit of completing the wall 20 improvements on multiple lots at the same time. Once the Owner 21 obtains necessary permits to complete the wall improvements, such 22 work shall be completed in a timely manner, but not exceed 12 months. 23 Prior to obtaining permits, Owner shall send formal notice via Certified 24 mail to residents with a shared perimeter wall living in Firebrand Ranch 25 of their option to raise their wall to a maximum height of 8'. Residents 26 will have up to 8 weeks to respond in writing to the Owner. Residents 27 28 who do not respond in writing will be deemed to have not elected to increase their wall height. If the wall on the adjoining lot is not raised to 29 8-foot tall, then there shall be a soft transition in the style of the existing 30 wall as illustrated in the Existing Wall Photos of this Ordinance in 31 Section IV, Approved Plans. 32 33
 - 4. The landscaping improvements within the <u>25-foot wide landscape</u> tract on the Property adjoining Firebrand Ranch shall be planted as part of Phase 1 in accordance with the Approved Plans. Specifically, this relates to the landscaping adjoining Lots <u>67</u> through 17 of Firebrand Ranch. Such landscaping includes all plant material and installation of any hardscaping. The Owner shall complete these improvements within 12 months of receiving the permits for Phase 1. <u>Once completed, the Owner shall contact the Town Planning Division for an inspection before</u> <u>issuance of the Certificate of Occupancy on the first building of this</u> <u>phase.</u>

- 5. The landscaping improvements along Tatum Boulevard and Shea 1 Boulevard along the full length of the Property shall be planted as part 2 of Phase 3 in accordance with the Approved Plans. Such landscaping 3 includes all plant material, installation of any hardscaping and screen 4 walls. However, the improvements to the 25-foot landscape setback 5 between the Property and the residential neighborhood of Firebrand 6 Ranch to the southeast shall be completed in Phase 1. The Owner shall 7 complete the proposed Phase 31 improvements within 12 months of 8 receiving the permits for Phase 3. Once completed, the Owner shall and 9 contact the Town Planning Division for an inspection before issuance 10 of the Certificate of Occupancy on the first building of this phase SUP-11 18-12. 12 13
 - 6. All other landscaping shall be planted during the specific phase per the Approved Plans. The Owner shall complete these improvements and contact the Town Planning Division for an inspection before issuance of the last Certificate of Occupancy for the building in that phase.
- 197.Any debris and weeds on the Property shall be removed within 72 hours20from the day notified by the Town, or within the time specified in21accordance with the Town Code.
 - 8. Based on future documented issues of loitering, the Town Manger or designee may require the Owner to consider design elements that discourage loitering, near and on the site, for safety and security. This may include the planting of additional or replacement spiny desert landscaping in strategic locations where persons may loiter.
- 9. All new trees planted within the landscape tract adjoining the residential 29 neighborhood of Firebrand Ranch shall be a mix of 24-inch box and 36-30 inch box minimum or equivalent size as shown on the landscape of this 31 Ordinance in Section IV, Approved Plans. A minimum of 26 of the new 32 trees shall be 36-inch box or larger. The landscaping within the 33 landscape tract adjoining Firebrand Ranch may be modified to allow for 34 adjoining property owners of Firebrand Ranch to select a different tree 35 36 or similar tree that is substantially compliant with the plant palette of the approved landscape plan, modify the location within several feet of 37 that shown on the plan and/or allow for trading box sizes shown on the 38 approved landscape plan. Such modifications shall be made before the 39 completion of the initial plantings as described in Stipulation H.4. The 40 Owner shall provide all modifications to the approved landscape plan in 41 42 writing to the Town's Planning Division at least five working days prior to final inspection of the landscaping. 43

SAFETY, HEALTH, SANITATION AND NUISANCE

Article 8-10 NUISANCE NOISE 573 2016-10

Section 8-10-1	General Prohibitions
Section 8-10-2	Declaration of Certain Acts Constituting Disturbing, Excessive, or
	Offensive Noises ⁶¹⁸
Section 8-10-3	Exemptions
Section 8-10-4	Penalty

Section 8-10-1 GENERAL PROHIBITIONS

- A. It shall be unlawful for any person to disturb the peace by any of the following: making, continuing, maintaining or causing to be made or continued, within the limits of the Town, any disturbing, excessive, unreasonable or unusually loud or offensive noise which causes discomfort or annoyance to any reasonable person of normal sensitiveness residing in the area.
- B. The characteristics and conditions which should be considered in determining whether a violation of the provisions of this section exists should include, but not be limited to, the following:
 - (1) The level of the noise;
 - (2) Whether the nature of the noise is usual or unusual;
 - (3) Whether the origin of the noise is natural or unnatural;
 - (4) The level of the ambient noise;
 - (5) The proximity of the noise to sleeping facilities;
 - (6) The nature and zoning of the area from which the noise emanates and the area where it is received;
 - (7) The time of day or night the noise occurs;
 - (8) The duration of the noise; and
 - (9) Whether the noise is recurrent, intermittent, or constant.

Section 8-10-2 DECLARATION OF CERTAIN ACTS CONSTITUTING DISTURBING, EXCESSIVE, OR OFFENSIVE NOISES

The following activities, among others, are declared to cause disturbing, excessive or offensive noises in violation of this section and are unlawful, namely:

A. Excessive Animal Noise

1. Restrictions on animal noise.

The keeping or maintaining by any person of any animal or animals which by any frequent or long-continued noise causes annoyance or discomfort to a reasonable person of normal sensitiveness in the vicinity is prohibited.

2. Prima Facie Violations

The noise from any such animal or animals that disturbs two or more residents residing in separate residences adjacent to any part of the property on which the subject animal or animals are kept or maintained, or three or more residents residing in separate residences in close proximity to the property on which the subject animal or animals are kept or maintained shall be prima facie evidence of a violation of this section.

- B. Yard/Landscape Maintenance Equipment
 - 1. Definition
 - a. "Summer" shall mean those months from May through September, inclusive.
 - b. "Yard/Landscape Maintenance Device" as used in this section, shall mean any portable, hand-held or propelled, ridden, carried, or pushed device, which is capable of and intended for landscape and yard maintenance purposes. This includes, but is not limited to, leaf blowers, chain saws, lawn mowers, edgers, or weed or string cutters.
 - 2. Violations.

Except for those properties where a special use permit provides for a more specific set of noise restrictions, it shall be unlawful for any person to operate, or cause to be operated, a Yard/Landscape Maintenance Device, except between 7 AM and 5 PM on Monday through Friday and between 9 AM and 5 PM on Saturdays and Sundays and on the legal holidays defined in Section 10-7-2 (10) of this Code. Summer hours of operation may start one (1) hour earlier.

- C. Burglar alarms
 - 1. **Prohibitions**.

Audible burglar alarms for structures or motor vehicles are prohibited unless the operation of such burglar alarms can be terminated within 10 minutes of being activated, and remain silent unless another security breach occurs. 2. Emergency disconnections.

Notwithstanding the requirements of this provision, any member of the Police Department of the Town of Paradise Valley shall have the right to take such steps as may be reasonable and necessary to disconnect any such alarm installed in any building, dwelling, or motor vehicle at any time during the period of its activation.

3. Emergency Contact Information.

On or after thirty (30) days from the effective date of this article, any building or dwelling upon which an audible, unmonitored burglar alarm has been installed shall prominently display the telephone number at which communication may be made with the owner of such building or dwelling.

- D. Construction and Related Activities
 - 1. Definitions.
 - a. "Decibel" shall mean a logarithmic unit of measurement which indicates the ratio between two quantities commonly referred to as electric or sound energy levels, or pressure levels. One decibel on the A-weighted scale is abbreviated "dB (A)."
 - b. "Emergency" means a sudden or unforeseen situation that requires immediate work to prevent or mitigate injury or damage to persons or property. An Emergency exists only for the time necessary to remedy the immediate risk of harm.
 - c. "Heavy Equipment" means mechanical equipment that typically generates significant and offensive noise, such as, but not limited to, a loader or backhoe.
 - d. "Summer" shall mean those months from May through September, inclusive.
 - 2. Except for those properties where a special use permit provides for a more specific set of noise restrictions it shall be unlawful for any person to operate or permit to be operated any Heavy Equipment in any construction, demolition, land clearing, excavation or similar outside construction activity, except between 7 AM and 5 PM on Monday through Friday. Operation of Heavy Equipment is unlawful at all times on Saturdays, Sundays and legal holidays (as defined in Section 10-7-2(10) of this Code). Summer hours of operation may start one (1) hour earlier.

The Town Manager, or his designee, may grant exceptions upon written request.

- 3. It shall be unlawful for any person to deliver or cause to be delivered construction equipment or materials to a construction site except between 7 AM and 5 PM Monday through Saturday. Delivery of construction equipment or materials to a construction site is unlawful on Sundays and legal holidays (as defined in Section 10-7-2 (10) of this Code), except that sprayed termite prevention material may be applied at any time. Summer delivery hours may start one (1) hour earlier. The Town Manager, or his designee, may grant exceptions upon written request.
- 4. It shall be unlawful for any person to operate or permit to be operated any other device or equipment (that is, equipment that is not already subject to the Heavy Equipment restriction in Section D.1 above) in any building, construction, demolition, land clearing, excavation or similar outside construction activity, alteration, or repair work on any buildings, structures or projects, except between 7 AM and 5 PM Monday through Friday, and between 9 AM and 5 PM on Saturdays, Sundays and legal holidays, (as defined in Section 10-7-2 (10) of this Code). The noise level created on Sundays shall not exceed 75 Decibels measured at the nearest property line. Summer hours may start one (1) hour earlier. The Town Manager, or his designee, may grant exceptions upon written request.

Section 8-10-3 Exemptions

The following uses and activities shall be exempt from the regulations of this Article:

- 1. Noises resulting from any authorized emergency or public safety vehicle.
- 2. Noises resulting from the operation of any Heavy Equipment, equipment other than Heavy Equipment, or a Yard/Landscape Maintenance Device during an Emergency.
- 3. Noise resulting from activities of a temporary duration for which a license or permit has been granted by the Town.
- 4. Vehicle back up warning alarms.

Section 8-10-4 Penalty

Any person who violates any provision of this article may be prosecuted for such a violation in accordance with the provisions of article 1-9 of the Paradise Valley Town Code.
