

Use of the property for medical office use was established by the Town in 1974 by Special Use Permit approval. Prior to annexation in 1961, the site had a structure on the south end of the site. The latest approvals were for a pharmacy and urgent care center in 2011. Attached is a SUP History of the property.

- *September 19, 2019*
Community Development Director approval of updated landscape plan.
- *May 21, 2019. Exterior Paint Color*
Community Development Director approval of updated paint scheme.
- *December 2012. Adoption of General Plan*
55 acres near the southeast area of Lincoln Drive and Mockingbird Lane were designated as a redevelopment area in the Town's General Plan. Lincoln Medical Plaza is located in the East Lincoln Drive South Development Area. This development area is encouraged to have moderate intensity, mixed use, and contain appropriate resort development. Refer to the attached General Plan policies for more information.
- *November 17, 2011 (SUP-11-02). Approval of pharmacy/apothecary/urgent care center*
The Town Council approved an intermediate Special Use Permit amendment via ordinance 636 to allow for the operation of a pharmacy/apothecary and an urgent care center. Both the pharmacy and urgent care center were approved in Building A Suite A 101 and Suite A 103 respectively, but neither opened. Approval was subject to the following stipulations
- *July 8, 1976 (SUP-76-12). Approval to construct an aviary*
See attached SUP recorded document 11795/934-935.
- *January 12, 1976 and January 26, 1976. Certificate of Occupancy issued for the two medical buildings.*
- *January 8, 1976 (SUP-75-12). Approval to modify several items not built per the approved plans that included allowing for the parking lot screen wall along Lincoln Drive to be at a 9' setback on the west end and 18' setback on the east end, the building setback from the Lincoln Drive property line to be 90' instead of the approved 94', smaller planter/dividers in the parking lot, larger windows than approved, more windows on the second floor and ownership changes.*
See attached SUP recorded document 11624/893-894. The referenced red line corrections site plan and 1976 landscape plan are not on file with Town records.
- *November 13, 1975 (SUP-75-11). Approval of an extension for the completion of the plaza*
See attached SUP recorded document 11624/891-892.
- *December 19, 1974 (SUP-74-07). Approval of an extension for the completion of the plaza*
See attached SUP recorded document 11624/887-890.
- *June 27, 1974 (SUP-74-06). Establishment of the Special Use Permit*
The medical center was granted Special Use Permit status in 1974. See attached SUP recorded document 11624/884-886. No plans on file, but the January 8, 1976 plan set on file superseded this 1974 plan set.

Re: Updated Paint Scheme for Lincoln Plaza Medical Center

Mr. Morris:

I am in receipt of your letter dated May 20, 2019 regarding the paint samples and exhibit for an updated paint scheme for the medical office building at 7125 East Lincoln Drive in Paradise Valley. The original Special Use Permit (SUP) granted in 1974 stipulated specific paint requirements for the building which were revised in 1976. Upon review of the SUP and the submitted materials, the repainting of the building with the proposed scheme, including Dunn Edwards DE6218 "Antique Paper", DEC795 "Gray Pearl", and DE6317 "Looking Glass" is consistent with the SUP.

As you are probably aware, no building permits are required to repaint a structure and the Town appreciates your willingness to notify us that such work is taking place. Please note, if any physical improvements to the building are necessary beyond painting, staff review for consistency with the SUP and a permit may be required from the Town's Community Development Department.

Re: Updated Paint Scheme for Lincoln Plaza Medical Center

Dear Jeremy:

Enclosed with this letter are paint samples and a reference exhibit for an updated paint scheme for the two-story medical office building located at 7125 E. Lincoln Drive in Paradise Valley, AZ (the "Property"). As you know, we recently withdrew our request for a major amendment to the Special Use Permit associated with the Property to pursue tenant improvements to the existing building. As part of that effort, our client intends to update the outdated exterior paint scheme in favor of a more modern color palette. To our knowledge, the paint scheme has remained unchanged since the building was first constructed in the late 1970s.

The enclosed samples and reference exhibit are for the Town's files. Our client intends to proceed with repainting next month – please let us know if you have any questions.

Sincerely,

WITHEY MORRIS P.L.C.
