Hi Bill,

Since the flows from the north are directed east of the property (to a wash that is located several lots east of the subject lot), the applicant is request a release of the drainage easement.

The request was reviewed by Council at work study session yesterday and you may view the case materials from the Town's website at:

<https://paradisevalleyaz.legistar.com/LegislationDetail.aspx?ID=4455345&GUID=3FCC7981-9DE0-4619-8CEE-20188167E22F&Options=&Search=>

Also, you can download a copy of the staff report by clicking on the "Report" tab and then clicking on "Legislative Text."

The Town Engineer reviewed the request and deemed it compliant with Town Code and the Town's Storm Drainage Design Manual.

If you have any questions, please contact me at 480-348-3525.

George,

Can you give me some more details or direct me to some more details for the easement that is being requested to be abandon? Plaza Companies manages this HOA.

Kindest regards,
