Hi Hugo,

I refer to over conversation today morning.

1. A400 is enclosed showing bigger glass door on the West elevation.

2. Narrative: Amendment to existing approved Hillside new residence on 4208 E Lamar Rd, Paradise Valley, AZ 85255. Proposing to raise the garage height to a max of 14'-0" and lengthening the pool to the North edge by 8'-0". The West facing patio door has been made bigger and in between stucco wall has been removed to gain more view.

We will pick up the Public Hearing sign from you on Monday or give us a call when you are ready with it. Jeff Hillis will pick the sign up.

Best,

Amit,

Per our conversation, please send over your updated elevations for review. At this point I do not have any additional comments.

Thanks,
