- Average lot size increasing from 15,895 sq ft to 19,372 sq ft
- Lot 28:

 - New 1' NVAE placed along west property line
- Existing tracts and all other easement will remain in same locations and will not be modified

SCOPE OF REQUEST (CONT.)

- Due to changes in lot numbers and configurations, 2 Shared Facility Easement Agreements and Private ROW Easement must be updated and re-recorded to reflect changes

- Building permits issued for guard house and single-family residence on Lot 29 (previously Lot 35):
 - Guard house in roadway track (which is not changing)
 - Lot 29 increased in size which results in larger setback from new property line

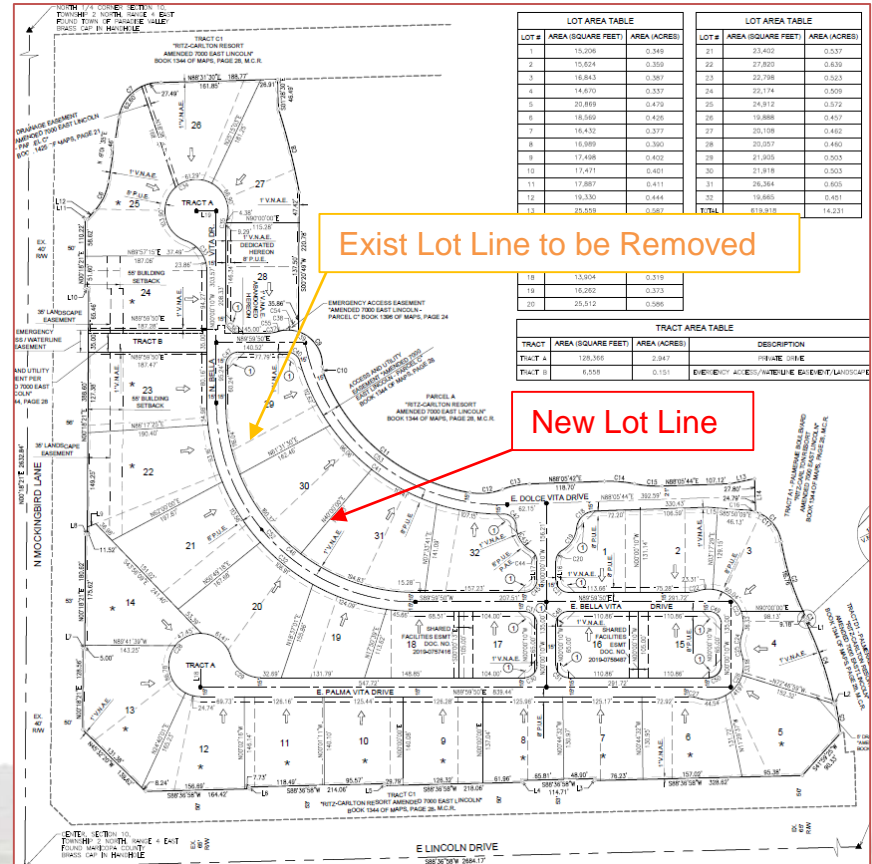

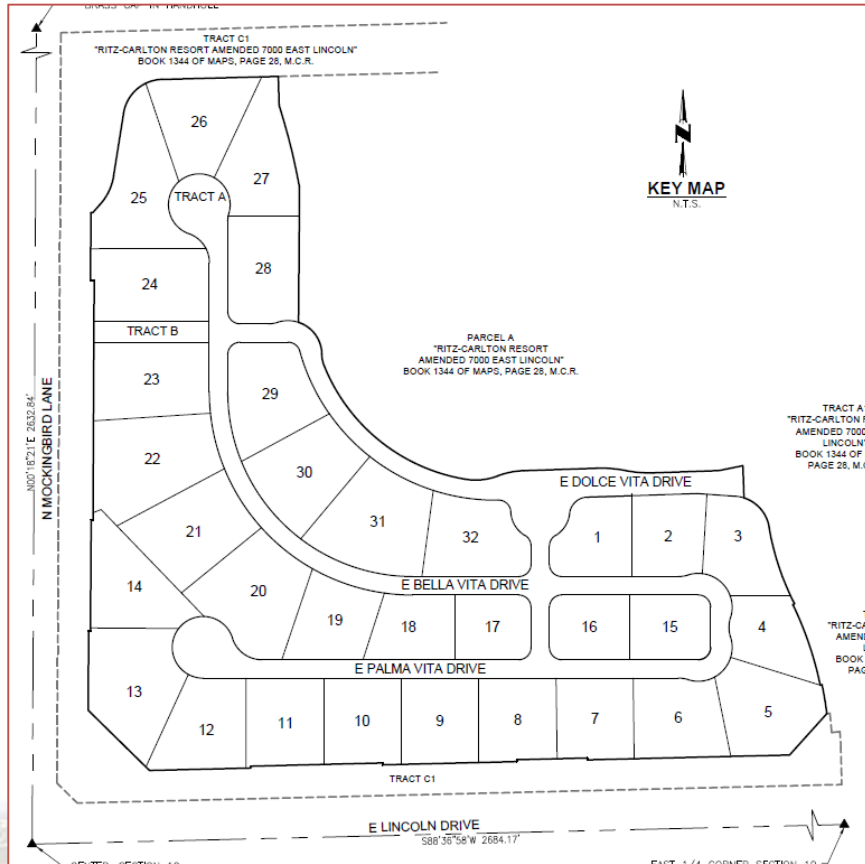

SCOPE OF REQUEST (CONT.)

- Modified lot lines may require relocation of utility stub-outs since current stub may no longer adjoin lots they will serve
- No expense or out pocket cost to Town associated with Replat
- Replat does not change resort fees or other financial obligations of Five Star or Town

SCOPE OF REQUEST (CONT.)

- Replat is non-administrative land modification which follows final plat process:
