If permissible, I would restate my motion to the Board, to just reconsider the pickle ball court variance request and not include the request for a variance for the garage. That variance was denied and I am not requesting it be reconsidered.

Dear Chair and Board Members (bcc),

In accordance with the 2020 Board of Adjustment Rules & Regulations, Board Member Kile notified Chair Williams and Community Development Director Collins that she would like to make a motion to reconsider the action/approval of the pickleball court variance that was granted for 5740 E Via Los Ranchos (at the September 1, 2021 meeting).

As a result, a motion to reconsider the action on the pickleball court will be placed on the October 6th meeting agenda and a vote will be taken by the Board to see if the motion to reconsider passes or fails.

If the motion passes, then the Board will reconsider this action during the October 6th meeting (in addition to the variance request for the bedroom addition at this property).

If the motion fails, the Board will review and take action on the remaining variance request of the bedroom addition.

If you have any questions, please contact me at 480-348-3525.
