SUMMARY STATEMENT:

MTS Land, L.L.C. is requesting approval of a Preliminary Condominium Map application for the “The Villas at Mountain Shadows Condominiums”. This map consists of a total of 40 condominiums located on approximately 5.17 acres located near the southwest corner of Lincoln Drive and 56th Street. These condominiums will be in several detached two-story structures on Tract E of the Final Plat, “The Villas at Mountain Shadows II.” Development will be pursuant to the approved Special Use Permit - Resort zoning on the subject property for resort residential development.

The Town Council discussed this application on November 5, 2015. There were no specific concerns regarding this application.

The Planning Commission made a recommendation regarding this application on October 20, 2015. In a 7 to 0 vote, the Planning Commission recommended approval of the Preliminary Map with the seven stipulations attached to this report and an additional stipulation to correct the wall thickness dimension on Sheet 5 to accurately read 0.6 feet. The recommended stipulations are typical to other plat/map stipulations. The stipulation to correct the wall thickness dimension on Sheet 5 has been completed as shown on the attached Preliminary Map.

The Preliminary Map complies with the approved Special Use Permit (SUP) and its associated development agreement. This includes the following points: the SUP allows for condominium development, there are no minimum or maximum size requirements for the units or number of units, the plat accurately depicts the required 40-foot building setback along 56th Street, the development will provide more than the required parking of two parking spaces per unit, the development has access onto a public road via private streets that meet the 26-foot width standard and 30-foot width right-of-way standard of the SUP, and the development includes added separate emergency access points. The above item is further described under the “Background” attachment of this report.

BUDGETARY IMPACT: None

NEXT STEPS: If approved, the applicant will need to submit a Final Map application for recommendation by the Planning Commission and approval by Town Council.
