MTS Land, L.L.C. is requesting approval of a final plat application located near the southwest corner of Lincoln Drive and 56<sup>th</sup> Street, a portion of Lots 133 and 134 of the Final Map Mountain Shadows Resort Unit 2 - Amended VII. The Villas at Mountain Shadows II is for 8 lots on approximately 1.97 acres, along with a separate tract on approximately 5.17 acres. Development will be pursuant to the approved Special Use Permit - Resort zoning on the subject properties for resort residential development.

The Town Council discussed this application on November 5, 2015. There were no specific concerns regarding this application.

The Planning Commission made a recommendation regarding this Final Plat application on October 20, 2015. In a 7 to 0 vote, the Planning Commission recommended approval of the Final Plat with the

five stipulations attached to this report and an additional stipulation to rotate Detail “A” on Sheet 2 so north is oriented to the top of the page. The stipulation to rotate Detail “A” has been completed. The Final Plat attached to this report depicts Detail “A” such that north is oriented to the top of the page.

The Final Plat is in substantial conformance with the Preliminary Plat. The Town Council unanimously approved the Preliminary Plat on September 24, 2015. The Planning Commission unanimously recommended approval of the Preliminary Plat on June 16, 2015. Enhancements made to the Final Plat after Preliminary Plat approval included the increase of the land for all 8 lots from 64,052 square feet to 65,921 square feet, submittal of a graphic demonstrating that the access onto 56<sup>th</sup> Street will not negatively impact the recently completed 56<sup>th</sup> Street improvements, modification by the applicant of the access onto 56<sup>th</sup> Street for only emergency access that Town Council approved as part of the Preliminary Plat, and inclusion of the 5.17-acre tract, Tract “E” on the Final Plat.

The Final Plat complies with the approved Special Use Permit (SUP) and its associated development agreement. This includes the following points: the SUP allows for villa development, there are no minimum or maximum size requirements for the lots, the plat accurately depicts the required 40-foot building setback along 56<sup>th</sup> Street, the development will provide more than the required parking of two parking spaces per unit, the development has access onto a public road via private streets that meet the 26-foot width standard and 30-foot width right-of-way standard of the SUP, and the development includes added separate emergency access points. The above item is further described under the “Background” attachment of this report.

**BUDGETARY IMPACT:** None

**NEXT STEPS:** If approved, the applicant will need to comply with the stipulations, the Town will record the plat, and building permits will need to be approved for the homes.
