SUBJECT: **Combined Review for Foster Residence: 5921 E. Cheney Drive. Application for roof mounted solar panels.**

The owner of the property located at 5921 E. Cheney Drive Drive submitted an application to add roof mounted solar panels on top of the house.

Solar Panels

The home was constructed in 2006 and the applicant is proposing to add 24 solar panel modules on 2 arrays on top of the house. The panels are rectilinear in shape and a maximum of 1'-6" in height and will be concealed by an existing 1'-6" roof parapet. The solar panels will have black frames and racking system.

The solar system inverters will be located inside the garage. The photovoltaic meter and electrical disconnect will be placed on the north side of the garage. The photovoltaic meter is shown to be painted the same color as the house.
