Council Goals or Other Policies / Statutory Requirements:

Town Council Resolution Number 1304

RECOMMENDATION:

Authorize the Town Manager to execute funding agreements with the community services organizations listed in the Action Report in the total amount of \$50,000.

SUMMARY STATEMENT:

The Town of Paradise Valley has awarded funding to various community service organizations benefitting the Town, its residents, and the broader community since 1986. In 2009, the Council created a Human Services Funding Committee and adopted funding guidelines. In 2014, the Council adopted a resolution renaming the committee, amending the policy to broaden the definition of eligible organizations, and clarified the process by which funds are awarded.

In March, organizations who had received funding in the past were invited to submit grant applications. In addition, the Town issued a press release, posted information on social media

platforms, and provided information to HOA presidents. The Town received nine applications by the April 18th deadline totaling \$89,000 in requests. The Council budgeted a total of \$50,000 for FY 2017-18.

A group made up of Council Member Sherf, Council Member Pace, and Town Manager Burke met on May 10 to review the applications. The Town Manager recommends awarding funding to the following organizations.

The organization also provides intervention and prevention programs, facilitated by police officers, in local schools to start/enhance anti-bullying and empowerment groups. The Paradise Valley Police Department has coordinated with Angels on Patrol in the past and sees value in the services they provide. Funding in the amount of \$5,000 is recommended.

Arizona Helping Hands provides basic needs to children in foster care such as beds, cribs, clothing, diapers, and personal care items. In 2017, 3,760 children in foster care received support. That number is expected to increase to 4,800 in 2018. Funding in the amount of \$2,000 is recommended.

Funds are also being request to provide financial assistance to cover the cost of membership, youth enrichment, and childcare for local residents facing financial hardship. In 2017, 32 Paradise Valley families received financial assistance. The recommendation is to award \$5,000 for services.

Valley Youth Theatre is a safe place where young people from diverse backgrounds can learn and grow as individuals, performers, and leaders through a transformational performing arts experience. Valley Youth Theatre partners with other civic and charitable organizations to offer opportunities for at-risk youth and children suffering from chronic or terminal medical conditions to attend a performance free of charge.
