

Legislation Text

File #: 18-464, **Version:** 1

TO: Mayor Collins and Town Council Members

FROM: Brian Dalke, Interim Town Manager
Dawn Marie Buckland, Deputy Town Manager
Jeremy Knapp, Community Development Director

DATE: December 6th, 2018

DEPARTMENT: Community Development

AGENDA TITLE:

Adoption of Resolution 2018-32 authorizing an Intergovernmental Agreement (IGA) between the Town of Paradise Valley and the City of Scottsdale for Building Plan Review and Inspections for an Underground Parking Garage Spanning a Mutual Boundary

Town Value(s):

- ☐ Primarily one-acre, residential community
- ☒ Limited government
- ☐ Creating a sense of community
- ☐ Partnerships with existing schools and resorts to enhance recreational opportunities
- ☐ Improving aesthetics/creating a brand
- ☐ Preserving natural open space

Utilizing the City of Scottsdale's staff for plan review and inspections assists town staff's workload levels

RECOMMENDATION:

Adopt Resolution 2018-32 authorizing the Mayor to execute an IGA between the Town of Paradise Valley and the City of Scottsdale.

SUMMARY STATEMENT:

Parcel E1 of the Five Star Development at 7000 East Lincoln Drive is located near the north east portion of the site, directly abutting the Town of Paradise Valley and City of Scottsdale limits. The Town's SUP Approval through Ordinance 694 entitles the property owner to develop E1 with Retail/Restaurant Uses. Adjacent to Area E1, within the City of Scottsdale, Five Star has received approval for similar development.

A single underground parking garage is planned between Area E1 within the Town of Paradise Valley and South Half of Palmeraie Development within the City of Scottsdale. The developer has requested, and both the Town and City agree, that a single set of construction drawings as well as a

single point of contact for plan review and inspections for the underground garage would be beneficial to all parties. As such, the Town and the City are willing to enter into the attached IGA to allow the City of Scottsdale to review plans and provide inspections on the underground garage within the Town of Paradise Valley.

Although the City of Scottsdale will be reviewing and inspecting all of the building aspects of the construction, the Town will still need to issue a permit in order to provide the developer the legal authority to construct within the town. As such, the town will spend staff time processing the permit as well as reviewing and inspecting the garage for SUP compliance. The Town and developer have agreed that a reduced Town fee for Building Permits within the Town is acceptable and a separate agreement will be executed with the developer acknowledging this.

All above ground structures will be permitted, reviewed, and inspected by the jurisdiction they fall within, as none are permitted to span the jurisdictional boundary.

BUDGETARY IMPACT:

Approval of this IGA will have no immediate impact to the town budget.

When the applicant submits for permitting, the town will collect building plan review and permit fees in accordance with the Fee Schedule at a reduced rate (50%) equivalent to the work necessary to process and issue the permit as well as perform SUP plan review and inspections.
